LEGO Botanicals Flowering Cactus Building Toy (Model 11509)

Brand: LEGO | Model: 11509 (6581013)

INTRODUCTION

This instruction manual provides detailed guidance for assembling, maintaining, and displaying your LEGO Botanicals Flowering Cactus building set. Designed for individuals aged 9 and up, this set allows you to construct two distinct cactus models, complete with vibrant flowers and buds, housed in a pastel blue plant pot. The finished models serve as an attractive, maintenance-free decorative piece for any room.

WHAT'S IN THE BOX

Your LEGO Botanicals Flowering Cactus set includes:

- LEGO Building Elements (482 pieces)
- Instruction Manual

SETUP AND ASSEMBLY

Follow the step-by-step instructions provided in the manual to assemble your LEGO Flowering Cactus. For an enhanced building experience, you can also access digital instructions via the LEGO Builder app, which allows you to zoom, rotate, and track your progress.

Ensure all pieces are firmly connected to maintain the structural integrity of the models.

OPERATING AND DISPLAY

Once assembled, your LEGO Botanicals Flowering Cactus is ready for display. The set features authentic green shades for the cacti and vibrant pink flowers and buds, making it a visually appealing addition to any space.

MAINTENANCE

The LEGO Botanicals Flowering Cactus requires minimal maintenance. As it is a static model, it does not require watering or sunlight.

- **Cleaning:** To remove dust, gently wipe the model with a soft, dry cloth or use a soft brush. For more stubborn dirt, a slightly damp cloth can be used, followed by immediate drying. Avoid harsh chemicals or abrasive materials.
- **Storage:** Store the model in a cool, dry place away from direct sunlight to prevent potential discoloration over time.

TROUBLESHOOTING

If you encounter any issues during assembly or with the product, consider the following:

- **Missing Pieces:** If you find any missing pieces, please visit the official LEGO Customer Service website to request replacement parts.
- **Assembly Difficulty:** Double-check the instruction manual or the LEGO Builder app for clarity on specific steps. Ensure all pieces are correctly oriented and fully pressed together.
- **Stability Issues:** Verify that all connections are secure. Sometimes, a loose connection can affect the overall stability of the model.
