5. MAINTENANCE

To keep your LEGO Icons Toothless model in optimal condition, follow these maintenance guidelines:

- **Cleaning:** Dust your model regularly with a soft, dry cloth or a soft-bristled brush. For deeper cleaning, gently wash individual LEGO bricks with mild soap and lukewarm water (not exceeding 40°C / 104°F). Rinse thoroughly and air dry. Avoid harsh chemicals or abrasive materials.

- **Storage:** Store your model in a cool, dry place away from direct sunlight to prevent discoloration or warping of the plastic elements.
- **Handling:** Handle the model with care, especially when posing articulated parts, to avoid accidental disassembly or damage.

6. TROUBLESHOOTING

If you encounter any issues during assembly or with your completed model, consider the following:

- **Missing Pieces:** If you find any missing pieces, please refer to the LEGO customer service website to request replacements.
- **Incorrect Assembly:** Double-check the building instructions, especially for complex steps. The LEGO Builder app can provide a 3D view to help identify any misplacements.
- **Loose Joints:** Ensure all connections are firmly pressed together. If a joint feels consistently loose, check if the correct pieces were used or if any elements are worn.
