OPPO Reno14 F CPH2743

OPPO Reno14 F 5G Smartphone User Manual

Model: Reno14 F (CPH2743)

INTRODUCTION

This manual provides essential information for the safe and efficient use of your OPPO Reno14 F 5G smartphone. Please read this manual thoroughly before using the device to ensure optimal performance and longevity.

Image: The OPPO Reno14 F 5G smartphone in Luminous Green, accompanied by its 45W SUPERVOOC charger. This image illustrates the primary device and a key accessory included in the package.

1. INITIAL SETUP

1.1 Unboxing and Components

Carefully unpack your OPPO Reno14 F 5G. The standard package includes:

- OPPO Reno14 F 5G Smartphone
- USB Cable
- SIM Eject Tool
- 45W SUPERVOOC Charger (included)

1.2 Inserting SIM Card and Powering On

1. Locate the SIM card tray on the side of the device.

2. Insert the SIM eject tool into the small hole next to the tray and press gently until the tray pops out.
3. Place your Nano-SIM card(s) into the tray with the gold contacts facing down. Ensure proper orientation.
4. Carefully reinsert the tray into the phone.
5. Press and hold the Power button (located on the right side) until the OPPO logo appears on the screen.
6. Follow the on-screen instructions to complete the initial setup, including language selection, Wi-Fi connection, and Google account setup.

1.3 Initial Charge

It is recommended to fully charge your device before first use. Connect the USB cable to the phone's charging port and the 45W SUPERVOOC charger. Plug the charger into a power outlet. The device supports fast charging.

2. OPERATING YOUR DEVICE

2.1 Display and Navigation

The OPPO Reno14 F features a 6.57-inch 120Hz AMOLED display. Navigate the interface using touch gestures:

- **Tap:** Select an item or open an app.
- **Swipe:** Scroll through screens or lists.
- **Pinch:** Zoom in or out on images and web pages.
- **Long Press:** Access contextual menus or move icons.

2.2 Camera Functions

Your device is equipped with an AI Triple Camera system (50+8+2 MP) and a 32 MP selfie camera. The AI features

automatically optimize photos for various scenarios.

- **Main Camera (50MP):** For high-resolution photos.
- **Ultra Wide-Angle Camera (8MP):** For expansive landscapes and group shots.
- **Macro Camera (2MP):** For detailed close-up photography.
- **Selfie Camera (32MP):** Features autofocus for clear self-portraits.

2.3 ColorOS 15 Features

The device runs on ColorOS 15, offering intelligent and fluid user experience. Key features include:

- **Digital Unlock:** Secure and convenient access.
- **Universal IR Remote Control:** Control compatible home appliances.
- **NFC:** For contactless payments and data transfer.
- **Document Scanning:** Integrated tool for digitizing documents.
- **AI Identity Selfies:** Enhanced selfie features for identification purposes.

and fluid design of the operating system.

3. MAINTENANCE AND CARE

3.1 Cleaning Your Device

To clean your smartphone, use a soft, lint-free cloth. Avoid abrasive materials or harsh chemicals. For stubborn smudges, slightly dampen the cloth with water or a screen cleaner specifically designed for electronics.

3.2 Water and Dust Resistance (IP69)

The OPPO Reno14 F 5G is rated IP69 for water and dust resistance. This means it offers superior protection against dust ingress and can withstand high-pressure, high-temperature water jets. However, it is not recommended for prolonged submersion or use in extreme conditions. Damage caused by liquid immersion is not covered under warranty.

3.3 Battery Care

To maximize battery lifespan:

- Avoid exposing the device to extreme temperatures.
- Use only the original 45W SUPERVOOC charger and cable.
- Do not let the battery drain completely frequently.

- For long-term storage, charge the battery to about 50% and power off the device.

4. TROUBLESHOOTING

4.1 Device Not Powering On

- Ensure the battery is charged. Connect the charger and wait a few minutes before attempting to power on again.
- Press and hold the Power button for at least 10-15 seconds to force a restart.

4.2 Apps Crashing or Freezing

- Close the problematic app and reopen it.
- Clear the app's cache and data in Settings > Apps.
- Ensure the app and your ColorOS are updated to the latest version.
- Restart the device.

4.3 Poor Battery Life

- Check battery usage in Settings to identify power-consuming apps.
- Reduce screen brightness and set a shorter screen timeout.
- Disable unnecessary features like Wi-Fi, Bluetooth, or GPS when not in use.
- Ensure background app refresh is limited for less critical applications.

5. TECHNICAL SPECIFICATIONS

Brand	OPPO
Model Name	Reno14 F
