TIGUBFRE GY-5018-F-DG-4

TIGUBFRE Full Bed Frame with 4 Drawers and Storage Headboard (Model: GY-5018-F-DG-4) - Instruction Manual

Comprehensive guide for assembly, operation, and maintenance.

PRODUCT OVERVIEW

This TIGUBFRE Full Bed Frame is an upholstered platform bed designed for comfort and functionality. It features a storage headboard with integrated LED lighting and a convenient charging station, along with four under-bed storage drawers. The sturdy metal frame and wood slats eliminate the need for a box spring.

SAFETY INFORMATION

Important Safety Instructions:

- Do not exceed the maximum weight recommendation of 1000 lbs.
- Be cautious of sharp edges during assembly and use.
- Always unplug the charging station before making any adjustments or cleaning.
- Keep the charging station dry to prevent electrical hazards.

SETUP AND ASSEMBLY

The TIGUBFRE Full Bed Frame is designed for easy assembly. All necessary parts and tools are included and labeled with letters or numbers for clear identification. It is recommended to assemble the bed frame in its final desired location to avoid moving the assembled unit.

Assembly Steps Overview:

1. Unpack all components and verify against the parts list in the included manual.
2. Assemble the main bed frame structure using the provided hardware.
3. Attach the upholstered headboard to the main frame.
4. Install the wooden slats onto the frame. Ensure EVA padding is correctly placed to prevent noise.
5. Assemble the four storage drawers and place them under the bed frame.
6. Connect the LED lighting and charging station power.

OPERATING INSTRUCTIONS

LED Lighting Features:

The headboard includes integrated LED lights to create a desired bedroom ambiance. Use the provided remote control to adjust settings.

- **Brightness Adjustment:** Increase or decrease the light intensity.
- **Color Selection:** Choose from 60,000 colors to match your mood or decor.
- **Mode Selection:** Various lighting modes are available, including Mic Mode and Music Mode, which react to sound.
- **Timing Function:** Set a timer for the lights to turn off automatically.

Charging Station:

The headboard is equipped with a convenient charging station for your electronic devices.

- **Outlets:** 2 standard 110V/12A AC outlets.
- **USB Ports:** 2 USB ports (5V/2.4A) and 1 Type-C port (5V/3A).
- Simply plug in your devices to charge them directly from the headboard.

Storage Drawers:

The bed frame includes four large storage drawers located underneath the bed. These drawers are ideal for storing toys, bedding, or other items to keep your bedroom tidy.

- **Easy Access:** Drawers feature bottom pulleys for smooth opening and closing.
- **Locking Mechanism:** A locking hole prevents drawers from sliding out unintentionally. To open, gently lift the drawer front to disengage the lock.

MAINTENANCE

- Regularly check all screws and connections to ensure they remain tight.
- Clean the upholstered surfaces with a soft, damp cloth. Avoid harsh chemicals.
- Keep the charging station dry and free from dust. Unplug before cleaning.
- Ensure drawers roll smoothly and are not overloaded to prevent damage.

TROUBLESHOOTING

No specific troubleshooting steps are provided in the product information. For any issues not covered in this manual, please refer to the warranty and support section for assistance.

- **Squeaking Noise:** Ensure all screws are tightened. The frame includes EVA silent strips to reduce noise.
- **LED Lights Not Working:** Check the power connection to the LED strip and the charging station. Ensure the remote control batteries are functional.
- **Charging Station Not Working:** Verify the power cable is securely plugged into a wall outlet and the headboard.
