BEWISHOME EFST37W

BEWISHOME Vanity Table with LED Lights and 8 Drawers (Model EFST37W)

User Manual

1. INTRODUCTION

Thank you for choosing the BEWISHOME Vanity Table, Model EFST37W. This modern makeup desk is designed to enhance your daily routine with its integrated LED mirror, ample storage, and elegant design. This manual provides essential information for safe assembly, operation, maintenance, and troubleshooting to ensure you get the most out of your product.

2. SAFETY INFORMATION

Please read all safety instructions carefully before assembly and use. Keep this manual for future reference.

- **Assembly:** Ensure all parts are present and undamaged before assembly. Do not use power tools for assembly unless explicitly instructed, as this may damage the product.
- **Stability:** Always install the anti-tipping device provided to prevent the vanity from falling, especially in households with children or pets.
- **Electrical Safety:** The LED mirror requires an electrical connection. Ensure the power cord is not pinched or damaged. Do not expose electrical components to water or excessive humidity.
- **Weight Capacity:** Do not overload drawers or shelves. Distribute weight evenly to maintain stability.
- **Placement:** Place the vanity on a flat, stable surface. Avoid direct sunlight or extreme temperature changes to prevent material damage.
- **Cleaning:** Disconnect power before cleaning the LED mirror. Use a soft, damp cloth for cleaning; avoid harsh chemicals.

3. PACKAGE CONTENTS

The BEWISHOME Vanity Table is shipped in two separate packages. Please ensure you have received both packages before beginning assembly. It is recommended to assemble the unit only after all packages have arrived.

DIVIDED INTO 2 PACKAGES

The vanity is shipped in two packages and please assemble after receiving all packages

Image 3.1: The vanity table is delivered in two distinct packages.

Upon opening, verify that all components listed below are present and undamaged:

- Vanity Table Components (various panels, hardware)
- LED Mirror Unit
- 8 Drawers with smooth glides and golden metal handles
- 2 Glass-door storage compartments
- 4 Open storage shelves
- Anti-tipping device
- Instruction Manual

- Assembly Hardware (screws, dowels, etc.)

4. SETUP AND ASSEMBLY

Assembly of the BEWISHOME Vanity Table requires careful attention to detail. Each component and accessory is labeled with a corresponding number. Follow the step-by-step instructions provided in the included manual for a smooth assembly process. It is recommended to have two people for assembly.

4.1 Assembly Steps Overview

1. **Unpack and Identify:** Carefully unpack all components from both packages. Lay them out and identify each part using the provided labels and the assembly diagram in the separate instruction manual.
2. **Assemble Base Units:** Begin by assembling the main desk and drawer base units according to the manual.
3. **Install Upper Storage:** Attach the upper storage cabinets and shelves to the main desk structure.
4. **Mount Mirror:** Securely mount the LED mirror unit into its designated position.
5. **Insert Drawers:** Install the drawer glides and insert all 8 drawers.
6. **Attach Handles:** Fasten the golden metal handles to the drawers and cabinet doors.
7. **Install Anti-Tipping Device:** For safety, securely attach the anti-tipping device to the wall and the vanity table as per the instructions.
8. **Connect Power:** Once fully assembled, connect the LED mirror's power cord to a suitable electrical outlet.

4.2 Anti-Tipping Device Installation

The anti-tipping device is crucial for safety. Locate the provided hardware and follow the specific instructions in your assembly manual to secure the vanity to a wall stud. This prevents accidental tipping, especially important in homes with children.

5. OPERATING INSTRUCTIONS

5.1 LED Mirror Lights

The integrated mirror features 10 LED bulbs with adjustable lighting modes and brightness to suit your makeup needs.

- **Power On/Off:** Press the touch sensor button on the mirror to turn the lights on or off.
- **Change Color Mode:** Briefly press the touch sensor button to cycle through the three available color modes:
 - **Bright White:** Ideal for detailed makeup application.
 - **Natural Light:** Mimics daylight for a balanced look.
 - **Warm Yellow:** Suitable for evening makeup or a softer ambiance.
- **Adjust Brightness:** When the lights are on, press and hold the touch sensor button to smoothly adjust the brightness

level. Release the button when the desired brightness is reached.

5.2 Storage Features

The vanity table provides extensive storage options to keep your cosmetics and accessories organized.

- **8 Drawers:** Utilize the eight spacious drawers for storing makeup, brushes, creams, and other personal items. The smooth glides ensure easy opening and closing.
- **Glass-Door Compartments:** Two compartments with glass doors offer visible storage for perfumes, decorative items, or frequently used products.
- **Open Shelves:** Four open storage shelves provide quick access to essentials and can be used for display.
- **Adjustable Shelves:** The shelves within the glass-door compartments are adjustable, allowing you to customize the storage space to accommodate items of various heights.

Adjustable Shelf

Image 5.3: The adjustable shelves allow for flexible storage configurations.

6. MAINTENANCE

Proper care and maintenance will prolong the life and appearance of your BEWISHOME Vanity Table.

- **Cleaning Surfaces:** Wipe all surfaces with a soft, damp cloth. Avoid abrasive cleaners or harsh chemicals that may damage the finish.
- **Mirror Cleaning:** Use a glass cleaner specifically designed for mirrors. Spray the cleaner onto a cloth, not directly onto the mirror, to prevent liquid from seeping into the edges or electrical components.
- **Dusting:** Regularly dust the vanity with a dry, soft cloth to prevent buildup.
- **Drawer Maintenance:** Periodically check drawer glides for smooth operation. If they become stiff, a small amount of silicone lubricant can be applied.
- **Hardware Check:** Occasionally check all screws and fasteners to ensure they are tight. Retighten if necessary.

7. TROUBLESHOOTING

If you encounter any issues with your vanity table, refer to the following common problems and solutions:

Problem	Possible Cause	Solution
LED lights do not turn on.	Power cord not connected; power outlet issue; faulty wiring.	Ensure the power cord is securely plugged into a working outlet. Check the circuit breaker. If the issue persists, contact customer support.
LED lights flicker or dim unexpectedly.	Loose connection; power fluctuation.	Check power connections. Try plugging into a different outlet.
Drawers are difficult to open or close.	Overloaded drawer; misaligned glides; debris in glides.	Reduce drawer contents. Check if glides are properly aligned and free of obstructions. Apply silicone lubricant if needed.
Vanity feels wobbly.	Loose fasteners; uneven floor.	Tighten all assembly screws. Ensure the vanity is placed on a level surface. Adjust furniture levelers if available. Confirm anti-tipping device is installed.

8. SPECIFICATIONS

Feature	Detail
