Bellemave B0FMXTCNZT

Bellemave Full over Full Bunk Bed Instruction Manual

Model: B0FMXTCNZT

1. Introduction

This manual provides detailed instructions for the assembly, operation, and maintenance of your Bellemave Full over Full Bunk Bed. This metal bunk bed features integrated storage shelves, under-bed drawers, LED lighting, and USB charging ports. The lower bunk is convertible, offering flexible use for various living spaces.
Please read this manual thoroughly before assembly and use to ensure safe and proper operation of your bunk bed.

2. Safety Information

WARNING: Failure to follow these warnings and instructions could result in serious injury or death.

- Exercise caution around sharp edges during assembly and use.
- The maximum weight capacity for the upper bed is **350 lbs**.
- The maximum weight capacity for the bottom bed is **500 lbs**.
- Children under 6 years of age should not be allowed on the upper bunk.
- Always use the recommended mattress size for each bunk to prevent entrapment or falls.
- Ensure all connections are securely tightened before use and periodically check for tightness.
- Do not allow horseplay on or under the bed.
- Always use the ladder for entering and exiting the upper bunk.
- Do not remove or modify the guardrails.

This product is designed for indoor use only.

3. Package Contents

Before beginning assembly, ensure all parts and hardware are present. This product is shipped in two separate packages. Please note that packages may arrive at different times.

Components:

- Metal Frame Components (Headboards, Footboards, Side Rails, Slats)
- Ladder
- Guardrails
- Storage Shelves
- Under-bed Drawers (2 units)
- LED Light Strip
- USB Charging Unit
- Hardware Pack (Bolts, Screws, Washers, Nuts)
- Assembly Tools (Hex Key, Wrench)
- Instruction Manual (this document)

4. Assembly Instructions

Assembly of this bunk bed requires at least two adults. Please follow the detailed step-by-step instructions provided in the separate assembly guide included with your product. Ensure you have ample space for assembly and keep all small parts out of reach of children.

General Assembly Steps:

1. **Unpack and Identify Parts:** Carefully remove all components from the packaging. Lay them out and compare them against the parts list in your assembly guide to ensure nothing is missing or damaged.
2. **Assemble Bed Frames:** Begin by assembling the upper and lower bed frames according to the instructions, attaching side rails to headboards and footboards.
3. **Install Slats:** Securely attach the metal slats to both the upper and lower bed frames.
4. **Attach Guardrails and Ladder:** Install the full-length guardrails on the upper bunk and securely attach the ladder.
5. **Integrate Storage and Electronics:** Install the storage shelves, under-bed drawers, LED light strip, and USB charging unit as directed. Ensure all electrical connections are secure.
6. **Final Check:** Once assembled, double-check all bolts, screws, and connections to ensure they are tight and secure.

5. Operating Instructions

5.1 Storage Shelves and Drawers

The bunk bed is equipped with built-in storage shelves and two under-bed drawers. Use these for organizing books, decorative items, clothing, or other personal belongings. The shelves are located on the upper bunk and along the back of the lower bunk, while the drawers slide out from beneath the lower bed.

5.2 USB Ports and LED Lights

The bunk bed includes integrated USB charging ports and LED lights for convenience. The USB ports allow you to charge electronic devices directly from the bed. The LED lights provide ambient lighting, which can be adjusted to various colors (RGB) to suit your preference. Refer to the specific instructions for the LED light controller for color and brightness adjustments.

5.3 Convertible Lower Bunk

The lower bunk is designed for versatility and can be easily converted into a sofa. This feature makes the bunk bed suitable for multi-functional living spaces such as bedrooms, studios, or guest rooms. To convert, adjust the backrest of the lower bunk as per the specific mechanism detailed in your assembly guide.

6. Maintenance

- **Cleaning:** Wipe down the metal frame with a soft, damp cloth. Avoid using harsh chemicals, abrasive cleaners, or polishes that could damage the finish.
- **Hardware Check:** Periodically (e.g., every 3-6 months) inspect all bolts, screws, and connections to ensure they remain tight. Re-tighten any loose hardware to maintain stability and safety.
- **LED/USB Care:** Ensure the LED light strip and USB charging unit are kept dry. Do not attempt to repair electrical components yourself; contact qualified personnel if issues arise.
- **Drawer Maintenance:** Keep drawer tracks clean and free of debris to ensure smooth operation.

7. Troubleshooting

- **Bed is Wobbly or Noisy:** Check all assembly bolts and screws. Re-tighten any loose connections. Ensure the bed is on a level surface.
- **LED Lights Not Working:** Verify the power adapter is securely plugged into a working outlet and into the LED strip controller. Check for any visible damage to the LED strip or wiring.
- **USB Ports Not Charging:** Ensure the power supply for the USB unit is connected and receiving power. Try a different USB cable or device to rule out device-specific issues.
- **Drawers Sticking or Not Sliding Smoothly:** Check for obstructions in the drawer tracks. Ensure the drawers are properly aligned on their runners.
- **Missing Parts:** If any parts are missing upon unboxing, refer to the contact information provided in your purchase documentation to request replacements.

8. Specifications

Feature	Detail
Brand	Bellemave
Model	B0FMXTCNZT
Size	Full over Full
Product Dimensions	76.77"L x 57.48"W x 63.39"H
