

COSLUS C30

COSLUS C30 Electric Toothbrush User Manual

1. INTRODUCTION

Thank you for choosing the COSLUS C30 Electric Toothbrush. This manual provides essential information for the proper setup, operation, and maintenance of your new electric toothbrush. Designed with advanced sonic technology, the C30 offers a thorough yet gentle cleaning experience, adaptable to various oral conditions and user preferences.

2. PACKAGE CONTENTS

- 2 × COSLUS C30 Electric Toothbrush Handles
- 2 × Charging Cables (USB-A to DC 5V)
- 4 × Head Protective Covers
- 4 × U-shaped Soft Brush Heads
- 4 × W-shaped Medium Brush Heads

3. PRODUCT FEATURES

The COSLUS C30 Electric Toothbrush is engineered for superior oral hygiene with user comfort in mind. Key features include:

- **Advanced Sonic Technology:** Delivers powerful vibrations for effective plaque removal, reaching hard-to-access areas.
- **5 Cleaning Modes & 3 Intensity Levels:** Offers 15 customizable brushing experiences to suit individual needs, from gentle care to deep cleaning.
- **Durable Magnetic Levitation Motor:** Equipped with a long-lasting motor designed for over 3 years of effective cleaning power.
- **IPX7 Waterproof Rating:** Ensures durability and safe use in wet environments, such as showers.

- **Long-Lasting Battery:** Provides extended usage time, ideal for travel and daily use, with fast 2-hour DC charging.
- **Smart Timer & Quadrant Reminder:** A built-in 2-minute timer ensures optimal brushing duration, with 30-second intervals to guide brushing in all mouth quadrants.

4. SETUP

1. **Attach Brush Head:** Align the brush head with the metal shaft on the toothbrush handle and push it down firmly until it clicks into place. Ensure it is securely attached.
2. **Initial Charge:** Before first use, fully charge the toothbrush. Connect the provided charging cable to the charging port at the bottom of the handle and plug the USB end into a 5V power adapter (not included). The charging indicator will illuminate.

Real Value is The Lasting Motor Not The Head Count

COSLUS
Long-Term Partner

Others
Wasted!

Motor Lifespan	✓ >3-year	✗ <6 months
Brush Heads	✓ 4 brush heads, enough for initial use.	✗ A trick of many heads.
Result	✓ Lasting motor. Saves & easy. Just replace heads.	✗ Failed motor = wasted heads + new order.
Safety	✓ Stable & safe, teeth protection	✗ Harsh vibration, harm teeth
Noise	✓ <60dB quiet	✗ >80dB noisy

5. OPERATING INSTRUCTIONS

- Apply Toothpaste:** Wet the brush head and apply a small amount of toothpaste.
- Power On:** Press the Power/Mode button to turn on the toothbrush. It will start in the last used mode.
- Select Mode:** Within 5 seconds of startup, press the Power/Mode button repeatedly to cycle through the 5 cleaning modes (Clean, Soft, White, Massage, Polish).
- Adjust Intensity:** Press the Intensity button to switch between the 3 intensity levels (low, medium, high) for your chosen mode.
- Brushing Technique:** Place the brush head at a 45-degree angle to your gums. Gently move the brush head slowly across your teeth in small back-and-forth motions. Do not scrub hard.
- Smart Timer:** The toothbrush will automatically pause every 30 seconds to remind you to move to a different quadrant of your mouth. After 2 minutes, it will automatically turn off.
- Power Off:** To turn off the toothbrush before the 2-minute cycle is complete, press and hold the Power/Mode button for more than 5 seconds.

Advanced Sonic Technology Targets Hidden Stains Without the Damage

A more thorough clean contributes to
your daily oral care routine

6. MODES AND INTENSITIES

The COSLUS C30 offers a personalized brushing experience with 5 distinct modes and 3 adjustable intensity levels:

- **Clean:** Standard mode for superior daily teeth cleaning.
- **Soft:** Gently cares for and cleans sensitive mouths.
- **White:** Focuses on teeth cleaning with polishing and whitening effects.
- **Massage:** Pulsates for gentle gum stimulation.
- **Polish:** Polishes teeth to bring out natural brightness.

Each mode can be adjusted to 3 intensity levels (low, medium, high) to match your comfort and cleaning needs.

8. MAINTENANCE

1. **Rinsing:** After each use, rinse both the brush head and the handle under running water. Wipe the handle dry.
2. **Brush Head Replacement:** For optimal hygiene and effectiveness, replace brush heads every 3 months, or sooner if bristles become frayed.
3. **Brush Head Types:** The COSLUS C30 comes with two types of brush heads: U-shaped soft heads for gentle care and W-shaped medium heads for daily comprehensive cleaning.

The Effective yet Gentle Way to Remove **10X** More Tooth Stains

Gentle on Teeth, Powerful on Stains

9. TROUBLESHOOTING

- **Pressure Sensor:** If you brush your teeth too hard, the pressure sensor lamp on the handle may light up, indicating excessive pressure. Reduce pressure to avoid gum and enamel damage.
- **Automatic Shut-off:** The toothbrush is designed to automatically stop after 2 minutes of use to ensure optimal brushing time.

- **Mode Indicator Off:** If the mode indicator turns off after 5 seconds of pressing the mode button, it means the toothbrush has stopped. Press the power button again to restart.

10. SPECIFICATIONS

- **Model Number:** C30
- **Product Dimensions:** 7.16 x 1.06 x 1.06 inches
- **Item Weight:** 12.64 ounces
- **Power Source:** Battery Powered (1 Lithium Ion battery included)
- **Waterproof Rating:** IPX7
