

Flwrgirl FL202502

Flwrgirl Portable Mini Baby Crib FL202502 Instruction Manual

Model: FL202502

1. SAFETY INFORMATION

Please read all instructions before assembly and use of the Flwrgirl Portable Mini Baby Crib. Keep this manual for future reference. Failure to follow these warnings and instructions could result in serious injury or death.

- **Suffocation Hazard:** Infants can suffocate in gaps between an extra mattress and the side of the crib, or on soft bedding. Use only the mattress provided by the manufacturer. NEVER add a pillow, comforter, or another mattress for padding.
- **Strangulation Hazard:** Strings and cords can cause strangulation. Keep strings and cords away from the crib. Do not place the crib near a window where cords from blinds or drapes could strangle a child.
- **Fall Hazard:** When a child is able to pull to a standing position, set the mattress to the lowest position. Remove bumper pads, large toys, and other objects that could serve as steps for climbing out.
- **Assembly:** Ensure all parts are correctly assembled and securely fastened before use. Periodically check all screws and bolts to ensure they are tight.
- **Supervision:** Never leave a child unattended in the crib.
- **Damage:** Do not use the crib if any parts are missing, damaged, or broken. Contact Flwrgirl for replacement parts. Do not substitute parts.

2. PRODUCT OVERVIEW

The Flwrgirl Portable Mini Baby Crib is a versatile 4-in-1 solution designed for infants aged 0-18 months. Constructed from durable pine wood, it offers multiple functionalities including a standard mini crib, a bedside bassinet, and a foldable design for easy storage and transport. It features adjustable height settings and lockable wheels for mobility.

Key Features:

- **Foldable Design:** The crib can be folded from the headboard and footboard for compact storage and portability.
- **Bedside Bassinet:** Features an openable side rail to securely attach to a parent's bed, allowing for close proximity during sleep.
- **Adjustable Height:** Three adjustable height levels for the sleeping board (20", 16", 12" from the ground) to accommodate different stages of infant growth and parent bed heights.
- **Mobility:** Equipped with four universal casters for easy movement, with locking mechanisms for stability.
- **Material:** Made from sturdy and durable pine wood.
- **Included Mattress:** Comes with a soft sponge mattress (38" x 24").

3. SETUP AND ASSEMBLY

Assembly is required for this product. Please ensure all components are present before beginning. Refer to the included assembly guide for detailed step-by-step instructions. A simple assembly level is expected.

Assembly Steps (General Overview):

1. Unpack all components and verify against the parts list in your separate assembly guide.
2. Attach the four universal casters to the bottom of the crib legs. Ensure they are securely fastened.
3. Assemble the side rails and end panels (headboard and footboard) according to the instructions, ensuring all connections are tight.
4. Install the sleeping board at the desired height level. Ensure the board holders are correctly inserted and secured.
5. Place the provided mattress into the crib.
6. Before first use, double-check all screws, bolts, and connections for tightness and stability.

4. OPERATING INSTRUCTIONS

Adjusting Height:

The crib offers three adjustable height levels for the mattress support board. To adjust the height:

1. Remove the mattress from the crib.
2. Carefully lift the sleeping board and reposition it to the desired height level. Ensure the board is securely seated in all four support points.
3. Replace the mattress. Always ensure the mattress is at the lowest position once your child can pull themselves to a standing position.

3 Adjustable Height

The height of the mattress above the ground: 20", 16", 12"

Image: Visual guide for the three adjustable mattress heights: 20 inches, 16 inches, and 12 inches from the ground.

Using as a Bedside Bassinet:

To use the crib as a bedside bassinet, one side rail can be lowered to align with the height of your adult bed. This allows for easy access to your baby during the night.

1. Ensure the crib is positioned securely next to your bed.
2. Unlock the side rail mechanism (refer to your assembly guide for specific latch details).
3. Carefully lower the side rail.
4. Adjust the crib's mattress height to match your bed's height for safe co-sleeping.
5. Always ensure the crib is securely fastened to the adult bed using appropriate straps (if included) or positioned to prevent gaps.

Folding and Storage:

The crib is designed to fold compactly for storage or transport.

1. Remove the mattress and any bedding from the crib.
2. Follow the specific folding instructions in your assembly guide, typically involving releasing latches on the headboard and footboard.
3. Fold the crib inward until it is compact. The sleeping board can be stored inside the folded unit.
4. Secure any locking mechanisms to keep the crib in its folded state.

PRODUCT INFORMATION

Using the Wheels:

The crib is equipped with four universal casters for easy movement. Each wheel includes a brake pedal.

- To move the crib, ensure all brake pedals are in the unlocked position.
- To secure the crib in place, press down on the brake pedal of each wheel until it clicks into the locked position.

5. MAINTENANCE

Regular maintenance ensures the longevity and safety of your Flwrgirl Portable Mini Baby Crib.

- **Cleaning:** Wipe the crib with a damp cloth for general cleaning. For spills or stains, use a mild soap solution and then wipe with a dry cloth. Avoid harsh chemicals or abrasive cleaners.
- **Inspection:** Periodically inspect all hardware, including screws, bolts, and latches, to ensure they are tight and secure. Tighten any loose hardware immediately.
- **Wood Care:** The crib is made of pine wood. Avoid prolonged exposure to direct sunlight or extreme temperature changes, which can cause warping or cracking.

- **Mattress Care:** The included sponge mattress can be spot cleaned with a damp cloth and mild detergent. Allow to air dry completely before placing back in the crib.

6. TROUBLESHOOTING

If you encounter issues with your Flwrgirl Portable Mini Baby Crib, refer to the following common solutions:

- **Missing Parts:** If you find any parts missing upon unboxing, do not proceed with assembly. Contact Flwrgirl customer support immediately for assistance.
- **Assembly Difficulties:** If the assembly instructions are unclear or you are having difficulty, review the diagrams carefully. Ensure all parts are oriented correctly. If problems persist, contact customer support.
- **Crib Feels Unstable:** Check all screws and bolts to ensure they are fully tightened. Ensure the mattress support board is correctly seated at all four corners. Verify that the wheels are locked when the crib is stationary.
- **Side Rail Not Securing:** Ensure the latch mechanisms are fully engaged when raising the side rail. Inspect for any obstructions preventing the latch from locking properly.

7. SPECIFICATIONS

Feature	Specification
Brand	Flwrgirl
Model Number	FL202502
