LKTART 67-inch Fluted Sideboard Buffet Cabinet User Manual

Model: B0FMY11CSB

INTRODUCTION

Thank you for choosing the LKTART 67-inch Fluted Sideboard Buffet Cabinet. This manual provides essential information for the safe assembly, operation, and maintenance of your new furniture. Please read these instructions carefully before beginning assembly and retain them for future reference.

IMPORTANT SAFETY INFORMATION

Always assemble and install the cabinet according to the provided instructions. Use appropriate safety gear when lifting heavy components. Secure the cabinet to the wall using the provided hardware to prevent tip-overs, especially if there are young children or pets in the household. Do not overload the cabinet, as it may cause it to tip over or become unstable.

PACKAGE CONTENTS

Before assembly, verify that all components and hardware are present. Refer to the detailed parts list included in your product packaging. If any parts are missing or damaged, please contact LKTART customer service.

- Cabinet panels (various sizes)
- Hardware kit (screws, dowels, cam locks, etc.)
- Metal handles
- Adjustable shelves
- Anti-tip hardware

- Assembly instruction manual

SETUP AND ASSEMBLY

Assembly is required for this cabinet. Please follow the steps below carefully. It is recommended to have two people for assembly.

1. **Unpack and Identify Parts:** Carefully unpack all components and lay them out on a clean, soft surface to prevent scratches. Each panel and hardware component is clearly labeled with a unique identifier.
2. **Review Instructions:** Cross-reference the labels with the illustrated instruction manual provided in the packaging.
3. **Assemble Frame:** Begin by assembling the main frame of the cabinet according to the step-by-step diagrams. Ensure all connections are secure.
4. **Install Shelves:** Insert the adjustable shelves into the desired positions.
5. **Attach Doors:** Mount the 6 doors, ensuring they are properly aligned and open/close smoothly.
6. **Install Handles:** Attach the gold metal handles to the doors.
7. **Secure Anti-Tip Hardware:** For safety, it is crucial to install the anti-tip hardware to secure the cabinet to a wall. Follow the specific instructions for wall mounting.

Tools Required (not included): Phillips head screwdriver, hammer (optional, for dowels), drill (for anti-tip hardware).
