Garvee Recliner Chair User Manual

Model: PHO_33847KL6_82101

1. INTRODUCTION

Thank you for choosing the Garvee Recliner Chair. This manual provides essential information for the safe assembly, operation, and maintenance of your new recliner. Please read these instructions thoroughly before use and retain them for future reference.

2. SAFETY INFORMATION

WARNING: Always follow assembly instructions carefully. Do not exceed the maximum weight recommendation of 50 kg (110 lbs) for safe use.

- Ensure all components are securely fastened before using the chair.
- Keep children and pets away from moving parts during operation.
- Do not stand on the chair or use it as a step stool.
- Avoid placing the chair near heat sources or in direct sunlight for prolonged periods.
- Unplug the power cord when the massage and heating functions are not in use or during cleaning.

3. PACKAGE CONTENTS

Before assembly, verify that all parts are present. Refer to the packing list included with your purchase. Typically, the package includes:

- Recliner Backrest
- Recliner Seat Base with Armrests
- Power Adapter and Remote Control
- Assembly Hardware (bolts, washers, etc.)
- Instruction Manual

4. ASSEMBLY INSTRUCTIONS

Assembly is required and typically takes approximately 30 minutes. No additional tools are required beyond what is provided. Follow the detailed instructions and diagrams in the included assembly guide.

1. **Unpack Components:** Carefully remove all parts from the packaging and lay them out on a clean, soft surface to prevent scratches.
2. **Attach Backrest:** Slide the backrest onto the seat base until it clicks securely into place. Ensure the connection is firm.
3. **Connect Power:** Connect the power adapter to the chair's power input and then to a wall outlet.
4. **Test Functions:** Before full use, test the reclining, swivel, rocking, massage, and heating functions to ensure proper operation.

5. OPERATING INSTRUCTIONS

5.1 Reclining and Movement

The Garvee Recliner Chair offers multiple movement options for enhanced comfort:

- **Reclining:** Pull the side lever located on the right side of the chair to recline the backrest up to 135° and elevate the built-in footrest. Release the lever to lock the position.
- **360° Swivel:** The chair base allows for a smooth 360° rotation, enabling easy changes in viewing direction without moving the entire chair.
- **30° Rocking:** The chair provides a gentle 30° rocking motion for relaxation.

Image 2: Illustration of the chair's 360° swivel and 30° rocking capabilities. The image depicts the chair rotating and gently swaying.

Different Modes

Ideal for entertainment, work, and leisure

Image 3: Visual representation of various recline modes: 90° for reading, 120° for watching TV, and 135° for napping.

5.2 Massage and Heating Functions

The recliner is equipped with 8 massage points and a lumbar heating function, controlled via the included remote.

- **Massage Points:** Target areas include the back, waist, thighs, and legs.
- **Massage Modes:** Select from five distinct massage modes to suit your preference.
- **Lumbar Heating:** Activate the heating function for soothing warmth in the lumbar region.
- **Timer Options:** Set the massage and heating duration for 15, 30, or 60 minutes.

SOOTHING HEAT RELIEF

Relieve fatigue, stress, tension, and muscle pain

6. PRACTICAL FEATURES

The Garvee Recliner Chair is designed with convenience in mind:

- **Cup Holders:** Two integrated cup holders are located in the armrests, providing a secure place for beverages.
- **Side Pocket:** A side pocket offers storage for remote controls, magazines, or other small items, keeping your space organized.

7. MAINTENANCE

Proper care ensures the longevity and appearance of your recliner chair.

- **Cleaning:** For routine cleaning, wipe the PU leather surface with a soft, damp cloth. For stubborn stains, use a mild soap solution and dry immediately. Avoid harsh chemicals or abrasive cleaners.
- **Spills:** Blot spills immediately with a clean, dry cloth.
- **Inspection:** Periodically check all bolts and connections to ensure they remain tight. Retighten if necessary.
- **Power Cord:** Inspect the power cord for any damage. If damaged, discontinue use and contact customer support.

8. TROUBLESHOOTING

If you encounter issues with your Garvee Recliner Chair, refer to the following common solutions:

- **Chair Does Not Recline:**
 - Ensure the side lever is fully engaged.
 - Check for any obstructions preventing the footrest or backrest from moving.
- **Massage/Heating Not Working:**
 - Verify the power adapter is securely plugged into both the chair and a working wall outlet.
 - Check the remote control for battery issues (if applicable) or ensure it is properly connected.
 - Ensure the power switch on the chair (if present) is in the 'ON' position.
- **Unusual Noises During Movement:**
 - Inspect the chair's base and reclining mechanism for loose bolts or foreign objects.
 - Apply a silicone-based lubricant to moving metal parts if squeaking persists (avoid oil-based lubricants on fabric).

If problems persist after attempting these steps, please contact Garvee customer support.

9. SPECIFICATIONS
