

Chicco Fit360

Chicco Fit360 ClearTex Rotating Convertible Car Seat Instruction Manual

Model: Fit360 | Part Number: 06087216950070

1. INTRODUCTION

The Chicco Fit360 ClearTex Rotating Convertible Car Seat is designed to provide safety and convenience for your child from infancy through toddlerhood. This manual contains essential information for proper installation, use, and maintenance of your car seat. Please read all instructions carefully before using the product and retain this manual for future reference.

Image 1.1: The Chicco Fit360 ClearTex Rotating Convertible Car Seat, showcasing its ergonomic design and integrated base.

2. SAFETY GUIDELINES

Always prioritize your child's safety. Failure to follow these guidelines can result in serious injury or death.

- Never leave a child unattended in the car seat.
- Always secure your child with the harness system, ensuring straps are snug and the chest clip is at armpit level.
- Ensure the car seat is correctly installed in your vehicle according to the instructions provided in this manual.
- Do not use the car seat if it has been involved in a crash, even if there is no visible damage. Replace it immediately.
- Register your car seat with Chicco to receive important safety updates and recall information.

3. PRODUCT COMPONENTS AND FEATURES

The Chicco Fit360 car seat incorporates several features designed for ease of use and child comfort.

- **360° One-Hand Rotation:** Allows the seat to rotate for easy child loading and unloading.
- **Quick Secure Harness System:** Includes a magnetic chest clip, flex-forward buckle, and harness pockets.
- **LeverLock Self-Tensioning Lock System:** Provides secure installation with minimal effort using the vehicle's seat belt.
- **ClearTex Materials:** Flame retardant-free and GREENGUARD Gold Certified for low chemical emissions.
- **Ergonomic Seat Shell:** Supports a natural seated position for enhanced comfort.
- **Advanced Side Impact Protection (ASIP):** Engineered to meet FMVSS 213a standards.
- **ReclineSure Leveling System:** 6 recline positions for optimal vehicle fit and child comfort.
- **RideRight Bubble Level-Indicators:** Visual indicators to confirm correct installation angle.
- **15-Position Easy-Adjust Headrest:** Adjusts simultaneously with the harness height.
- **Removable Body Support:** For newborns weighing 4-11 lbs.

Ergonomic Comfort

Ergonomically designed seat shell and ultra-plush seat pad

Image 3.1: The ergonomic design of the car seat provides comfort for the child.

Image 3.2: The car seat features ClearTex flame retardant-free materials, certified for low chemical emissions.

4. INSTALLATION

4.1. LeverLock Seat Belt Installation

The LeverLock system simplifies secure installation using your vehicle's seat belt.

1. Place the car seat on the vehicle seat.
2. Open the LeverLock door on the car seat base.
3. Route the vehicle's seat belt through the easy-access belt guides.
4. Buckle the vehicle's seat belt.
5. Close and latch the LeverLock door. This action automatically tensions the seat belt, securing the car seat firmly.
6. Verify installation using the RideRight bubble level-indicators to ensure the correct recline angle for rear-facing or forward-facing modes.

LeverLock[®] Seat Belt Install

Image 4.1: Demonstrating the LeverLock seat belt installation for a secure fit.

4.2. Recline Position Adjustment

The car seat features 6 recline positions to ensure proper vehicle fit and child comfort.

- Adjust the recline position using the ReclineSure leveling system before tightening the car seat into the vehicle.
- Consult the RideRight bubble level-indicators to confirm the appropriate recline for your child's age and weight in either rear-facing or forward-facing orientation.

4.3. Newborn Body Support

For infants weighing 4-11 lbs, use the removable body support to ensure proper positioning and comfort.

5. OPERATING INSTRUCTIONS

5.1. 360° Rotation Feature

The 360° one-hand rotation allows for easy access to your child.

1. Ensure the vehicle is stationary and safe to operate the rotation feature.
2. Locate the rotation lever (refer to product diagrams for exact location).
3. Press the lever and rotate the car seat towards you for easy loading or unloading.
4. Once the child is secured or removed, rotate the seat back to the desired rear-facing or forward-facing position until it clicks securely into place.

360° 1-Hand Rotation

Rotate the seat toward you for an easy in-and-out experience

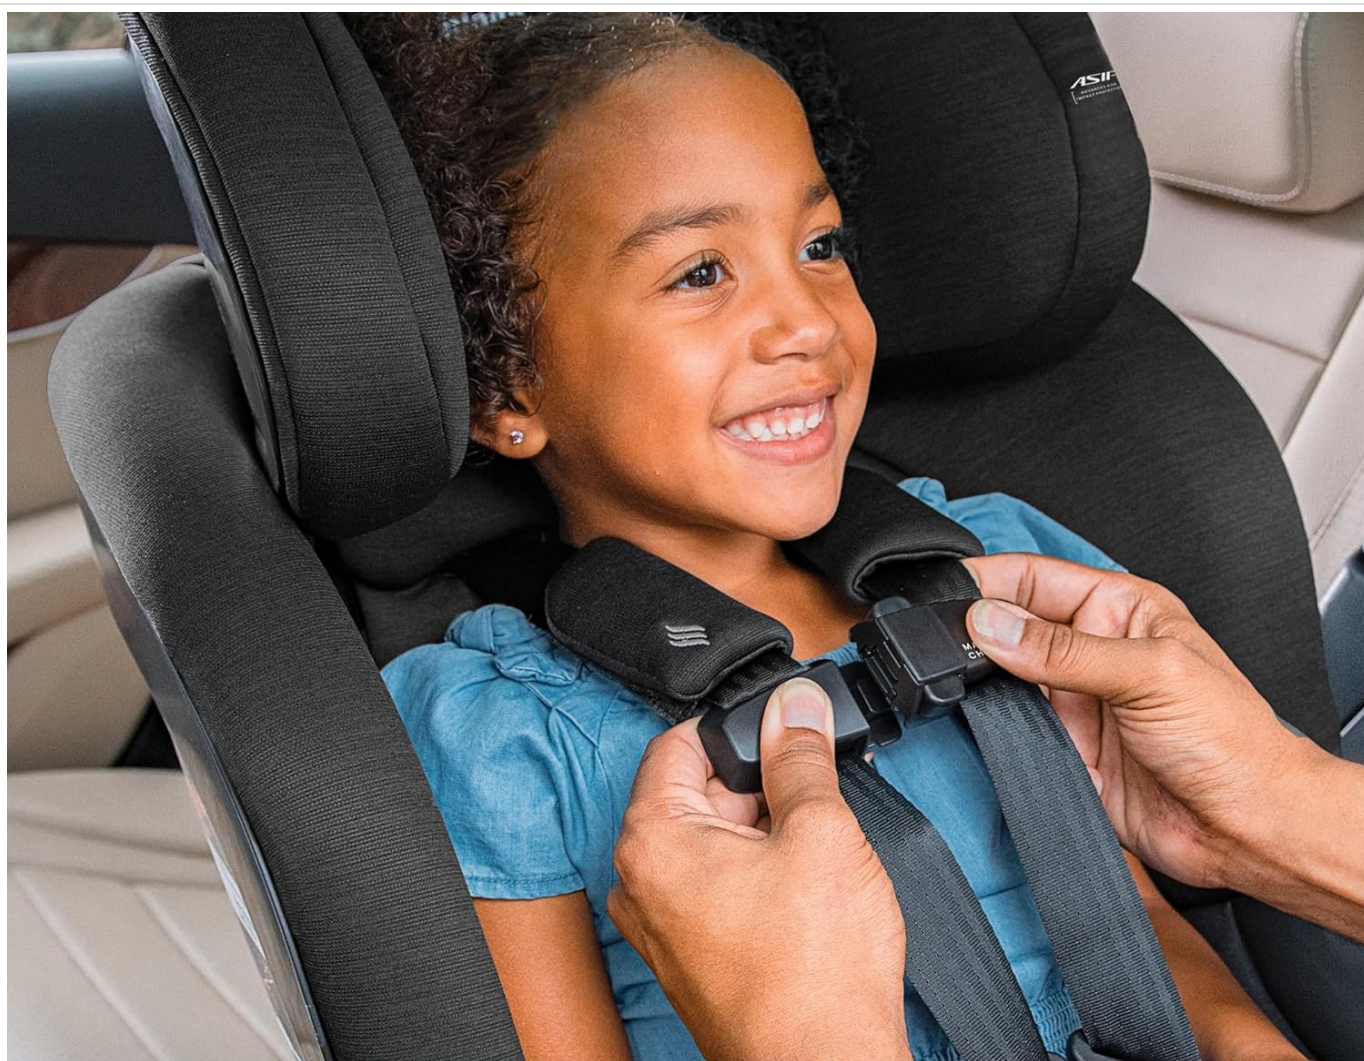

Image 5.1: The 360-degree rotation feature allows for easy child placement.

5.2. Securing Your Child (Quick Secure Harness System)

The Quick Secure Harness System ensures your child is safely restrained.

1. Place your child in the car seat. The flex-forward buckle will stay out of the way for easier loading.
2. Bring the harness straps over your child's shoulders and connect the buckle tongues into the crotch buckle.
3. Connect the magnetic chest clip at armpit level. The magnetic feature allows for quick and easy connection.

4. Pull the harness tightening strap to ensure the harness is snug against your child's body. You should not be able to pinch any excess webbing at the shoulder.
5. Harness pockets keep straps and buckles contained when not in use, preventing them from getting tangled or lost.

Magnetic Chest Clip

Quick-secure chest clip offers easy in and out

Image 5.2: The magnetic chest clip provides quick and secure fastening.

Quick-Secure Harness System

Image 5.3: The Quick Secure Harness System facilitates easy loading and unloading of the child.

5.3. Headrest and Harness Adjustment

The 15-position easy-adjust headrest simultaneously adjusts the harness height, accommodating your growing child.

- Locate the headrest adjustment lever at the top of the car seat.
- Squeeze the lever and slide the headrest up or down to the desired position.
- Ensure the harness straps are at or just below your child's shoulders for rear-facing, and at or just above for forward-facing.

Room to *Grow*

6 recline positions and a 15-position easy-adjust headrest

Image 5.4: The adjustable headrest and harness system accommodate growing children.

6. CARE AND MAINTENANCE

Proper care ensures the longevity and hygiene of your car seat.

- **Fabrics:** The seat pad and other fabric components are machine-washable. Refer to the care label on the fabric for specific washing instructions. Use mild detergent and cold water on a delicate cycle. Air dry.
- **Cup Holders:** The two flexible cup holders are removable and dishwasher-safe for easy cleaning.
- **Harness System:** Wipe harness straps with a damp cloth. Do not machine wash or submerge harness straps in water, as this may weaken them.
- **Plastic and Metal Parts:** Wipe with a damp cloth and mild soap. Do not use abrasive cleaners or solvents.

Removable *Cup Holders*

Two flexible, dishwasher-safe cup holders

Image 6.1: Removable and dishwasher-safe cup holders for easy cleaning.

7. TROUBLESHOOTING

If you encounter issues with your Chicco Fit360 car seat, refer to the following common solutions.

- **Car Seat Feels Loose After Installation:** Ensure the LeverLock door is fully latched. Re-route the seat belt and apply more pressure when closing the LeverLock. Check the RideRight indicators for correct recline.
- **Harness Straps Are Difficult to Tighten/Loosen:** Check for twists in the harness webbing behind the car seat. Ensure the harness release button is fully depressed when loosening.
- **Seat Does Not Rotate Smoothly:** Ensure no fabric or debris is obstructing the rotation mechanism. The seat must be fully upright and not reclined to rotate.
- **Chest Clip Not Connecting:** Ensure both magnetic pieces are clean and free of obstructions.

For further assistance, please contact Chicco Customer Service.

8. SPECIFICATIONS

Feature	Detail
Product Dimensions	20 x 18.25 x 25.75 inches
Item Model Number	06087216950070
Minimum Weight Recommendation	4 Pounds
Maximum Weight Recommendation	65 Pounds
Maximum Height Recommendation	49 Inches
Material Type	Alloy Steel, Plastic, Polyester
Material Composition	60.6% Plastic, 25.4% Steel, 14% Fabric & Fill
Care Instructions	Machine washable seat pad
Style	Fit360
Number of Reclining Positions	6 (for installation)
Orientation	Rear Facing or Forward Facing
Rear-Facing Minimum Child Weight	4 Pounds
Rear-Facing Maximum Child Weight	40 Pounds
Forward-Facing Minimum Child Weight	26.5 Pounds
Forward-Facing Maximum Child Weight	65 Pounds
Harness Type	5-Point
Item Weight	31.2 pounds
Installation Type	LeverLock Belt-Tensioning Lock Technology or LATCH system
Color	Carbon

9. WARRANTY INFORMATION

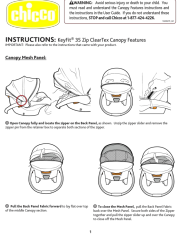

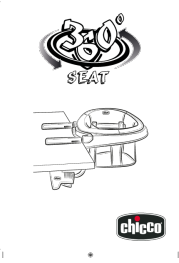

Chicco products are covered by a limited warranty. For detailed information regarding the warranty period, coverage, and terms, please refer to the warranty card included with your product or visit the official Chicco website. Retain your proof of purchase for warranty claims.

10. CUSTOMER SUPPORT

If you have any questions, require assistance, or need to report an issue with your Chicco Fit360 ClearTex Rotating Convertible Car Seat, please contact Chicco Customer Service.

- **Online Support:** Visit the official Chicco USA website for FAQs, product registration, and contact forms.
- **Telephone Support:** Refer to the contact information provided on the Chicco website or your product packaging.
