## 4. SETUP

Your Auusda laptop comes with Windows 11 Pro pre-installed, ensuring a straightforward initial setup process.

### 4.1 Initial Power On

1. Unpack the laptop and power adapter.
2. Connect the power adapter to the laptop's charging port and then to a power outlet.
3. Open the laptop lid and press the power button, usually located on the top right of the keyboard or on the side.
4. Follow the on-screen instructions to complete the Windows 11 Pro setup, including language selection, network connection, and user account creation.

## Large Capacity Long Life Battery

This laptop is equipped with a 5000mAh battery capacity that allows you to use it for business, office, gaming, and entertainment for a long time, allowing you to enjoy it to the fullest.

PD 100W fast charging

5000 mAh

Image 4.1: The laptop screen showing the Windows 11 Pro operating system interface.

## 5. OPERATING INSTRUCTIONS

### 5.1 Power On/Off and Sleep Mode

- **Power On:** Press the power button.
- **Shut Down:** Click the Start button in Windows, then select Power > Shut down.
- **Restart:** Click the Start button in Windows, then select Power > Restart.
- **Sleep:** Close the laptop lid or click the Start button, then select Power > Sleep.

### 5.2 Using the Backlit Keyboard

To turn the keyboard backlight on or off, press the **Fn** key simultaneously with the **F9** key.

### 5.3 Fingerprint Unlock

The integrated fingerprint sensor allows for secure and quick login. During Windows setup or via Windows Settings >

Accounts > Sign-in options, you can set up your fingerprint for authentication.

## 5.4 Connecting to Wi-Fi and Bluetooth

- **Wi-Fi:** Click the Wi-Fi icon in the taskbar, select your desired network, enter the password, and click Connect.
- **Bluetooth:** Go to Windows Settings > Bluetooth & devices, turn on Bluetooth, and pair with your desired device.

## 5.5 Using External Displays

Connect an external monitor or TV using the HDMI port or one of the full-featured Type-C ports. Press **Windows key + P** to select display modes (Duplicate, Extend, Second screen only).

## 6. MAINTENANCE

---

Proper maintenance ensures the longevity and optimal performance of your laptop.

- **Cleaning:** Use a soft, lint-free cloth to clean the screen and chassis. For stubborn marks, slightly dampen the cloth with water or a screen-safe cleaner. Avoid harsh chemicals.
- **Ventilation:** Ensure the laptop's ventilation openings are clear and not obstructed to prevent overheating.
- **Battery Care:** Avoid fully discharging the battery frequently. For long-term storage, charge the battery to about 50-60%.
- **Software Updates:** Regularly update Windows and drivers to ensure security and performance.
- **Data Backup:** Periodically back up important data to an external drive or cloud storage.

## 7. TROUBLESHOOTING

---

This section addresses common issues you might encounter.

### 7.1 Laptop Does Not Power On

- Ensure the power adapter is securely connected to both the laptop and a working power outlet.
- Check if the power outlet is functional by plugging in another device.
- If the battery is completely drained, it might take a few minutes of charging before the laptop can power on.

### 7.2 No Wi-Fi Connection

- Verify that Wi-Fi is enabled in Windows settings.
- Restart your router and modem.
- Ensure you are within range of a Wi-Fi network and have the correct password.
- Try updating your Wi-Fi drivers.

### 7.3 Slow Performance

- Close unnecessary applications running in the background.
- Check for and install any pending Windows updates.
- Run a disk cleanup and defragmentation (for HDD, though this is SSD).
- Ensure your laptop is not overheating; check ventilation.

## 8. SPECIFICATIONS

---

Feature	Specification
Brand	Auusda
Model Name	T160R-4800H
Screen Size	16 Inches
Screen Resolution	1920 x 1200 pixels (IPS Full HD)
Processor	AMD Ryzen 7 4800H (up to 4.2 GHz)
RAM	32GB DDR4 SDRAM
Hard Drive	1TB SSD (PCIe x 2)
Graphics Coprocessor	AMD Radeon R7 (Dedicated, Integrated Graphics)
Operating System	Windows 11 Pro
Wireless Type	802.11ax (Wi-Fi 6)
Bluetooth	Bluetooth 5.3
USB 2.0 Ports	1
USB 3.0 Ports	2
Special Features	Backlit Keyboard, Fingerprint Reader, HD Audio, Memory Card Slot, Numeric Keypad
