1. SAFETY INFORMATION

Please read all instructions carefully before assembly and use. Keep this manual for future reference.

- **Electrical Components:** This product contains electrical components (LED mirror). Always unplug the mirror from the power source before cleaning or making any adjustments to prevent electrical shock.
- **Glass Top Care:** Keep the glass top clean and free of sharp objects to prevent scratches or damage. Avoid placing heavy items on the glass surface.
- **Assembly Caution:** Be aware of sharp edges on components during assembly. Handle all parts with care.
- **Stability:** Ensure the vanity is placed on a level surface. Utilize the adjustable foot pads to stabilize the unit and prevent wobbling.
- **Child Safety:** Keep small parts and packaging materials away from children during assembly.

2. PRODUCT OVERVIEW

The ARTETHYS Corner Vanity Desk is designed for compact spaces, offering both functionality and modern aesthetics. It features a retractable and rotating LED mirror, a transparent glass top, and integrated storage solutions.

Note: An Allen wrench may be required for some steps and might not be included in all packages. Please ensure you have the necessary tools before starting.

5. SETUP & ASSEMBLY

Assembly is required for this vanity desk. Follow the steps below carefully. It is recommended to have two people for certain assembly steps.

5.1 Unpacking and Preparation

1. Carefully open the packaging and remove all components.
2. Lay out all parts on a clean, soft surface (e.g., carpet or blanket) to prevent scratches.
3. Verify all components against the parts list provided in the packaging.

5.2 Assembly Steps (General Guidance)

1. Attach the drawer slides to the designated panels using the provided screws. Ensure they are

aligned correctly for smooth operation.

2. Assemble the main desk frame, securing all connections firmly.
3. Install the side cabinet and drawer components into the main frame.
4. Attach the vanity legs to the desk base. Adjust the foot pads to ensure stability.
5. Mount the LED mirror to its designated position on the desk. Connect the power cable for the mirror.
6. Place the transparent glass top onto the main drawer section.

6. OPERATION

6.1 LED Mirror Functionality

- **Power On/Off:** Touch the power icon on the mirror surface to turn the LED lights on or off.
- **Change Color Mode:** Short-press the power icon to cycle through the three color modes: white, warm white, and yellow.
- **Adjust Brightness:** Long-press the power icon to dim or brighten the lights (10%-100%). Release when the desired brightness is achieved.
- **Rotation and Retraction:** The mirror can be manually rotated 360 degrees and slides horizontally along its arm to adjust viewing angle and position.

6.2 Storage Usage

- **Main Drawer:** Utilize the transparent glass top to easily view and access items stored in the main drawer.
- **Side Cabinet:** The side cabinet provides enclosed storage for larger items or those you wish to keep out of sight.

7. MAINTENANCE

- **Cleaning the Mirror:** Unplug the mirror before cleaning. Use a soft, lint-free cloth and a non-abrasive glass cleaner. Do not spray cleaner directly onto the mirror surface; apply it to the cloth first.
- **Cleaning Surfaces:** Wipe down the desk surfaces with a soft, damp cloth. Avoid harsh chemicals or abrasive cleaners that could damage the finish.
- **Electrical Care:** Regularly check the power cord for any signs of damage. If damaged, discontinue use and contact customer support.
- **Hardware Check:** Periodically check all screws and connections to ensure they remain tight. Retighten if necessary.

8. TROUBLESHOOTING

Problem	Possible Cause	Solution
Mirror lights not turning on.	Power cord not connected or loose. No power from outlet.	Ensure the power cord is securely plugged into both the mirror and a working electrical outlet. Test the outlet with another device.
Vanity is wobbly.	Uneven floor surface. Loose leg connections.	Adjust the foot pads on the bottom of the legs until the vanity is stable. Check and tighten all leg screws.
Drawer not sliding smoothly.	Drawer slides misaligned or obstructed.	Ensure drawer slides are correctly installed and free from debris. Lubricate slides if necessary.
