## 3. OPERATING INSTRUCTIONS

This organizer features 18 compartments, each designed to hold multiple markers, pens, or colored pencils. It is specifically optimized for storing alcohol markers horizontally to prevent ink drying out or leaking.

### 3.1 Storing Markers

- Gently slide your markers into the compartments. The organizer is designed to accommodate various marker sizes, including Ohuhu Honolulu and Oahu series alcohol markers.
- Ensure markers are laid flat and horizontally within each slot. This orientation is crucial for maintaining the integrity of alcohol-based markers.
- You can classify different types or colors of drawing tools into separate compartments for optimal organization.

**With 18 compartments,  
can hold up to 126 markers**

Fits Oahu and Honolulu series of Ohuhu markers

## 4. MAINTENANCE

To ensure the longevity and appearance of your bamboo marker organizer, follow these simple maintenance guidelines:

- **Cleaning:** Wipe the organizer with a soft, damp cloth. Avoid using harsh chemicals or abrasive cleaners, as these can damage the bamboo finish.
- **Drying:** After cleaning, immediately dry the surface with a clean, dry cloth to prevent water spots or moisture absorption.
- **Placement:** Keep the organizer away from direct sunlight or extreme temperature changes, which can cause the bamboo to warp or crack over time.
- **Corrosion Resistance:** The natural bamboo material is inherently corrosion-proof, making it suitable for long-term use in various environments.

## 5. TROUBLESHOOTING

- **Markers not fitting:** Ensure the markers are placed horizontally. If a marker is unusually thick, it may not fit in all slots. The compartment height is approximately 0.70 inches (1.8 cm).
- **Ink leakage:** This organizer is designed to store markers horizontally to prevent ink leakage. If you experience leakage, verify that your markers are stored flat and that their caps are securely fastened.
- **Organizer instability:** Ensure the organizer is placed on a flat, level surface.
