## PRODUCT OVERVIEW

The EUQQ YYK-Q10 features a compact design with intuitive controls and a smart charging case. Familiarize yourself with the components below.

Image: The EUQQ YYK-Q10 AI Translator Earbuds are shown inside their open charging case. The case is black and features a digital display on the front, indicating battery levels for both the case and individual earbuds (L and R). The earbuds themselves are black with silver accents.

## Key Components:

- **Earbuds:** Left (L) and Right (R) earbuds with touch control areas and microphones.
- **Charging Case:** Stores and charges the earbuds. Features a digital display for battery status.
- **Charging Port:** USB-C port on the charging case for power input.
- **LED Indicators:** On earbuds and case to show charging status and connection.

## SETUP

### 1. Initial Charging

1. Place both earbuds into the charging case.
2. Connect the USB charging cable to the charging port on the case and a power source.
3. The digital display on the case will show the charging status. Ensure both earbuds and the case are fully charged before first use (approximately 1-2 hours).

## 2. Bluetooth Pairing

1. Open the charging case. The earbuds will automatically enter pairing mode, indicated by flashing LED lights.
2. On your smartphone or device, enable Bluetooth and search for available devices.
3. Select "EUQQ YYK-Q10" from the list of devices.
4. Once connected, the earbud LEDs will stop flashing, and a voice prompt will confirm the connection.

## 3. App Installation (for Translation Features)

To utilize the real-time translation features, download the dedicated EUQQ translation app from your device's app store (iOS App Store or Google Play Store). Follow the in-app instructions to connect your earbuds and configure language settings.

## OPERATING INSTRUCTIONS

---

### Power On/Off

- **Power On:** Open the charging case, or take the earbuds out of the case. They will power on automatically.
- **Power Off:** Place the earbuds back into the charging case and close the lid. They will power off automatically.

### Music Playback Controls (Touch Controls)

- **Play/Pause:** Single tap on either earbud.
- **Next Track:** Double tap on the right earbud.
- **Previous Track:** Double tap on the left earbud.
- **Volume Up:** Triple tap on the right earbud.
- **Volume Down:** Triple tap on the left earbud.

### Call Management (Touch Controls)

- **Answer/End Call:** Single tap on either earbud.
- **Reject Call:** Press and hold either earbud for 2 seconds.

### Translation Mode

Activate translation mode through the dedicated EUQQ app. The app will guide you through selecting source and target languages. Depending on the app's features, you may use different modes:

- **Conversation Mode:** Speak into your earbud's microphone, and the translation will be played through the other person's earbud or your phone's speaker.
- **Interpreter Mode:** One person wears an earbud, the other speaks into the phone.
- **Touch-to-Speak Mode:** Tap an earbud to speak, release to translate.

Refer to the EUQQ app's help section for detailed instructions on specific translation modes and features.

### Noise Cancellation

The earbuds feature dual-mic noise cancelling. This feature is typically active by default or can be toggled

via the companion app. It helps reduce ambient noise during calls and translation sessions for clearer communication.

## MAINTENANCE

- **Cleaning:** Regularly clean the earbuds and charging case with a soft, dry, lint-free cloth. Do not use harsh chemicals or abrasive materials.
- **Ear Tips:** Remove and clean ear tips periodically with water and mild soap. Ensure they are completely dry before reattaching.
- **Charging Contacts:** Gently clean the charging contacts on both the earbuds and the case with a dry cotton swab to ensure proper charging.
- **Storage:** When not in use, store the earbuds in their charging case to protect them and keep them charged. Avoid extreme temperatures and humidity.
