SAFETY INFORMATION

Choking Hazard: This product contains small parts and poses a choking risk. It is not suitable for children under 3 years old. Adult supervision is recommended during assembly, especially for younger builders.

- Keep all small parts away from infants and young children.
- Do not ingest any building block pieces.
- Dispose of packaging materials properly.

PACKAGE CONTENTS

The STADREWVY Guns & Petals Decorative Revolver Building Blocks set includes the following:

- 739 pieces of product accessories (building blocks).
- Detailed instruction booklet (75 pages, 165 steps).

Please verify all components are present before beginning assembly. If any parts are missing, refer to the troubleshooting section or contact customer support.

ASSEMBLY INSTRUCTIONS (SETUP)

Follow the step-by-step instructions provided in the included instruction booklet. The booklet contains detailed diagrams and guidance for each of the 165 assembly steps.

1. **Unpack Components:** Carefully open the packaging and lay out all numbered bags of building blocks. It is recommended to keep the pieces organized by bag number as indicated in the instruction booklet.
2. **Review Instruction Booklet:** Familiarize yourself with the overall assembly process by reviewing the initial pages of the instruction booklet.
3. **Follow Step-by-Step Diagrams:** Each step in the booklet provides a visual representation of which pieces to use and how they connect. Pay close attention to the orientation and connection points.
4. **Component Identification:** The set includes various block types, including mechanical elements and decorative pieces. Refer to the component identification section in the booklet if you have difficulty distinguishing specific parts.
5. **Secure Connections:** Ensure all blocks are firmly pressed together to create stable connections.

Image: Close-up view of various building block components, including red rose petals and black gear-like pieces, illustrating the intricate detailing.

Patience is key during assembly. If a step seems difficult, re-examine the diagram and ensure you are using the correct pieces and orientation.

OPERATING INSTRUCTIONS

Once fully assembled, the STADREWVY Guns & Petals Decorative Revolver features several movable components for interactive display.

- **Rotating Wheel:** The cylinder (wheel) of the revolver can be rotated manually.
- **Movable Hammer:** The hammer mechanism can be pulled back and released.
- **Movable Trigger:** The trigger can be pressed.

Image: A hand holding the assembled revolver, with insets showing the rotating wheel, movable hammer, and movable trigger.

These features are designed for display and light interaction. Avoid excessive force when operating movable parts to prevent damage.

MAINTENANCE

To ensure the longevity and appearance of your STADREWVY Guns & Petals Decorative Revolver Building Blocks set, follow these maintenance guidelines:

- **Cleaning:** Dust the model regularly with a soft, dry cloth or a soft brush. For more thorough cleaning, gently wipe with a slightly damp cloth and immediately dry with a clean, soft cloth. Avoid harsh chemicals or abrasive cleaners.
- **Storage:** Store the assembled model in a stable location away from direct sunlight, extreme temperatures, and high humidity to prevent discoloration or warping of the plastic components.
- **Handling:** Handle the model carefully, especially when moving it, to avoid accidental disassembly of smaller decorative elements.

TROUBLESHOOTING

If you encounter any issues during assembly or with the finished product, consider the following:

- **Missing Parts:** If you believe parts are missing, double-check all packaging materials and the instruction booklet's parts list. If parts are genuinely missing, contact customer support with details of the missing components.
- **Difficulty Assembling:** Review the specific step in the instruction booklet. Ensure you are using the correct pieces and that their orientation matches the diagram. Sometimes, a slight adjustment in pressure or angle is needed for pieces to connect properly.
- **Loose Connections:** If parts feel loose, gently press them together more firmly. If a connection repeatedly comes apart, ensure the pieces are not damaged or warped.
