## 2. SAFETY INFORMATION

Please observe the following safety guidelines during assembly and use:

- Always follow the assembly instructions carefully.
- Use appropriate tools and safety gear during assembly.
- Keep children and pets away from the assembly area to prevent accidents.
- Do not force parts together. If components do not fit easily, double-check that you are using the correct parts and following the instructions correctly.
- Ensure the cabinet is placed on a stable, level surface to prevent tipping.
- Utilize the included anti-tipping device to secure the cabinet to a wall, especially in households with children or pets.

## 3. PARTS LIST

Before beginning assembly, verify that all parts and hardware are present and undamaged. Refer to the separate "Accessories Bag" and "Step-to-Step Instruction" manual included in your package for a complete list and identification of all components.

The main components typically include:

- Top Panel
- Side Panels

- Bottom Panel
- Back Panels
- Drawer Panels (front, back, sides, bottom)
- Door Panels
- Fixed Shelves
- Hardware (screws, dowels, cam locks, hinges, drawer slides, handles, anti-tipping kit)

## 4. ASSEMBLY INSTRUCTIONS

---

Assembly of the HITHOS Sideboard Buffet Cabinet requires two adults and typically takes 2-3 hours. Follow the detailed, step-by-step instructions provided in the separate manual included with your product. Ensure all parts are correctly oriented before fastening.

### General Assembly Steps:

1. **Unpack and Organize:** Lay out all parts on a clean, soft surface to prevent scratches. Identify each part using the labels and the parts list.
2. **Assemble the Main Frame:** Connect the side panels to the bottom and top panels using the provided hardware.
3. **Install Fixed Shelves:** Secure the fixed shelves into their designated positions within the cabinet compartments.
4. **Assemble Drawers:** Construct the two drawers by attaching the front, back, and side panels, then inserting the bottom panel. Install the drawer slides.
5. **Attach Drawer Slides to Cabinet:** Secure the corresponding drawer slides to the cabinet frame.
6. **Install Doors:** Attach the hinges to the door panels and then to the cabinet frame. Adjust hinges for proper door alignment.
7. **Attach Handles:** Secure the black handles to the drawers and doors.
8. **Install Back Panels:** Fasten the back panels to the rear of the cabinet.
9. **Install Anti-Tipping Device:** Secure the anti-tipping device to the cabinet and then to a wall stud for stability.

## 5. SETUP & OPERATION

Once assembled, position your HITHOS Sideboard Buffet Cabinet in its desired location. Ensure it is stable and level. The cabinet is designed for freestanding installation.

### 5.1 Using the Storage Features

- **Tabletop:** The 63-inch wide tabletop provides a generous surface for displaying decor, serving food, or housing small appliances like coffee makers.
- **Drawers:** Two wide drawers offer concealed storage for smaller items such as cutlery, dining essentials, or other odds and ends. The drawers feature smooth metal glides for easy opening and closing.
- **Cabinets with Fixed Shelves:** The two large cabinets each contain fixed shelves, ideal for organizing bulkier items like dishes, pantry staples, or various household goods.

## 6. MAINTENANCE

To ensure the longevity and appearance of your HITHOS Sideboard Buffet Cabinet, follow these maintenance guidelines:

- **Cleaning:** The cabinet features a smooth, painted surface that is water-resistant. Spills can be wiped away quickly with a damp cloth. Avoid abrasive cleaners or harsh chemicals that may damage the finish.
- **Dusting:** Regularly dust the surfaces with a soft, dry cloth.
- **Avoid Excessive Moisture:** While water-resistant, prolonged exposure to excessive moisture should be avoided. Promptly clean up any liquid spills.
- **Weight Distribution:** Distribute weight evenly across the tabletop and shelves to prevent stress on the structure. Adhere to the maximum weight capacities listed in the specifications.

- **Waterproof Finish**
- **Beautifully Crafted Look**

## 7. TROUBLESHOOTING

If you encounter any issues with your HITHOS Sideboard Buffet Cabinet, consider the following:

- **Parts Damaged or Missing:** If any parts are damaged or missing upon arrival, refer to the "Support" section for contact information.
- **Assembly Difficulties:** Re-check the step-by-step instructions carefully. Ensure all parts are correctly identified and oriented. Do not force components. If issues persist, contact customer support.
- **Cabinet Wobbles:** Ensure the cabinet is on a level surface. Adjust any leveling feet if present (not specified, but common). Verify all fasteners are tightened securely. Ensure the anti-tipping device is properly installed.
- **Drawers or Doors Not Closing Smoothly:** Check that drawer slides and door hinges are correctly installed and aligned. Adjust hinges if necessary. Ensure no obstructions are present.
- **Odor:** A new furniture item may have a slight odor upon unpacking. This is typically temporary and will dissipate with good ventilation.
