## DERCASS N70900010

# DERCASS Full Size Sofa Bed Instruction Manual

Model: N70900010 | Brand: DERCASS

## 1. INTRODUCTION

---

This manual provides essential information for the assembly, operation, and maintenance of your DERCASS Full Size Sofa Bed. Please read these instructions carefully before assembly and use to ensure safe and proper functionality of all features, including the integrated drawers, storage shelves, charging station, LED lighting, and desk.

For any questions or assistance, please refer to the support section at the end of this manual.

## 2. SAFETY INSTRUCTIONS

---

- Always follow the assembly instructions precisely. Do not skip steps or modify the product.
- Ensure all hardware is securely tightened before use. Periodically check and re-tighten fasteners as needed.
- Do not exceed the maximum weight capacity of 350 lbs for the bed.
- Keep small parts and packaging materials away from children to prevent choking hazards.
- Use the charging station only with compatible devices and avoid overloading. Disconnect power when not in use or during electrical storms.
- Do not stand or jump on the bed frame.
- Place the bed on a level surface to prevent instability.

## 3. PACKAGE CONTENTS

---

Verify that all components are present before beginning assembly. If any parts are missing or damaged, contact customer support immediately.

## 4. ASSEMBLY INSTRUCTIONS

---

Assembly is required for this product. It is recommended to have two people for assembly. Please follow the step-by-step installation manual included in your package. All parts are clearly indicated, and pre-drilled holes facilitate the process.

1. Unpack all components and lay them out on a clean, soft surface to prevent scratches.
2. Identify all hardware and components using the provided parts list in the separate assembly manual.
3. Begin by assembling the main bed frame structure according to the detailed diagrams.
4. Attach the upholstered headboard and integrate the LED lighting system.
5. Install the storage shelves and the desk panel.
6. Mount the charging station into its designated slot.
7. Assemble and insert the two under-bed drawers.
8. Place the bed slats evenly across the frame and secure them.
9. Ensure all connections are tight and stable before placing a mattress on the bed.

## 5. OPERATING INSTRUCTIONS

---

### 5.1. Charging Station

The integrated charging station is located within the storage shelf area. It features 2 standard plug outlets and 2 USB ports. To use, simply plug the bed's power cord into a wall outlet. Then, connect your electronic devices to the available outlets or USB ports for charging.

## 5.2. LED Lighting

The LED lighting strip is located around the upholstered headboard. It can be used to illuminate the area around your bed or to create an ambient atmosphere. The lighting offers 7 adjustable colors. Refer to the separate LED controller instructions for specific operation of color changes and brightness adjustments.

## 6. MAINTENANCE

---

### 6.1. Cleaning

- For the wood and MDF surfaces, wipe with a dry cloth. Avoid abrasive cleaners or harsh chemicals that may damage the finish.
- For the upholstered headboard, spot clean with a mild fabric cleaner if necessary. Test on an inconspicuous area first.
- Regularly dust all surfaces to prevent buildup.

### 6.2. General Care

- Periodically check all screws and bolts to ensure they remain tight. Re-tighten as needed to maintain stability.
- Avoid exposing the bed to direct sunlight or extreme temperature changes, which can cause warping or fading.
- Do not drag the bed when moving it; lift it to prevent damage to the frame and flooring.

## 7. TROUBLESHOOTING

---

- **Bed feels unstable:** Ensure all assembly hardware is fully tightened. Check that the bed is on a level surface.
- **Drawers do not slide smoothly:** Check for any obstructions in the drawer tracks. Ensure the drawers are assembled correctly and the rollers are properly aligned.
- **Charging station not working:** Verify that the bed's power cord is securely plugged into a functional wall outlet. Check the connections of your devices to the charging station.
- **LED lights not illuminating:** Ensure the power cord is connected and the LED controller is properly plugged in. Check the LED controller for power and correct settings.
- **Missing parts:** If any parts were missing upon delivery, refer to the customer support section.
