DERCASS Murphy Cabinet Bed with Upholstered Sofa and LED - Instruction Manual

Model: LP000791A

PRODUCT OVERVIEW

This manual provides instructions for the DERCASS Queen Size Murphy Cabinet Bed with Upholstered Sofa and integrated LED lighting. This product is designed to offer a versatile sleeping and seating solution, maximizing space in various living environments.

SETUP AND ASSEMBLY

Assembly of the DERCASS Murphy Cabinet Bed is required. Please ensure all components are present before beginning. A detailed assembly instruction guide and all necessary tools are included with your purchase.

Unpacking and Component Identification

1. Carefully unpack all three packages (N709P323216A, N709P323215A, N709P323214A) and lay out all components on a clean, soft surface to prevent scratches.
2. Refer to the included assembly guide to identify each part, including the bed frame, hardware, LED components, slats, and sofa sections.
3. Verify that all hardware and components listed in the assembly guide are present. If any parts are missing or damaged, contact customer support immediately.

Assembly Steps

Follow the step-by-step instructions provided in the separate assembly manual. Ensure all connections are secure and tightened appropriately. It is recommended to have at least two people for assembly due to the size and weight of the components.

OPERATING INSTRUCTIONS

Transforming from Sofa to Bed

1. Ensure the area in front of the cabinet bed is clear of obstructions.
2. Gently pull the handles on the cabinet doors to release the locking mechanism.
3. Lower the bed frame smoothly and slowly until it is fully extended and resting on its support legs. The folding mechanism is designed for ease of use.
4. Adjust the sofa cushions as needed to accommodate the bed.

Transforming from Bed to Sofa

1. Remove any bedding or pillows from the bed surface.
2. Lift the bed frame from the foot end, guiding it upwards into the cabinet.
3. Ensure the bed frame is fully retracted and the cabinet doors are securely latched.
4. Arrange the sofa cushions for seating.

Using the LED Lights

The cabinet bed features two small LED lights for illumination. Locate the switch, typically positioned on the side or top panel of the cabinet, to turn the lights on or off. These lights are suitable for reading or ambient lighting.

MAINTENANCE

Cleaning Instructions

- **Wood Surfaces:** Wipe clean with a dry cloth. Avoid abrasive cleaners or harsh chemicals that may damage the finish.
- **Upholstered Sofa:** Spot clean with a mild detergent and a damp cloth. Test on an inconspicuous area first. Do not saturate the fabric.
- **LED Lights:** Ensure the unit is unplugged before cleaning. Wipe the LED fixtures with a dry, soft cloth.

General Care

- Regularly check all hardware connections and tighten if necessary to maintain stability.
- Avoid placing hot items directly on wood surfaces. Use coasters or protective pads.
- Keep the product away from direct sunlight and excessive moisture to prevent warping or fading.

TROUBLESHOOTING

This section addresses common issues you might encounter with your DERCASS Murphy Cabinet Bed.

Bed Mechanism Not Operating Smoothly

- **Issue:** The bed frame is difficult to lower or raise.
- **Solution:** Check for any obstructions around the mechanism. Ensure all assembly hardware is securely tightened. If the issue persists, re-examine the assembly steps in the instruction guide.

LED Lights Not Functioning

- **Issue:** LED lights do not turn on.
- **Solution:** Verify that the power cord is securely plugged into a functional outlet. Check the LED light switch for proper operation. If the lights still do not work, inspect the wiring connections as per the assembly guide.

Squeaking Noises

- **Issue:** The bed frame or cabinet makes squeaking noises during operation or use.
- **Solution:** Tighten all bolts and screws throughout the entire structure. Loose connections are a common cause of squeaking.

If you encounter issues not covered here or require further assistance, please contact DERCASS customer support.

SPECIFICATIONS

SIZE:INCH
