ASSEMBLY INSTRUCTIONS

Assembly of the IRONCK Armoire Wardrobe Closet is designed to be straightforward with clear, step-by-step instructions and all necessary tools included. We recommend two people for assembly due to the size and weight of the components.

1. **Preparation:** Clear a spacious area for assembly. Lay out all parts and hardware, matching them against the provided parts list.
2. **Base Assembly:** Begin by assembling the base frame according to the diagrams.
3. **Side Panels and Back Panel:** Attach the side panels and secure the back panel to ensure structural integrity.
4. **Internal Structure:** Install the fixed shelves, drawer slides, and the removable hanging rod as indicated.
5. **Drawer Assembly:** Assemble the two drawers, ensuring the slides are correctly oriented for smooth operation.
6. **Door Installation:** Attach the louvered doors using the adjustable silent hinges. Adjust hinges as needed for proper door alignment.
7. **Side Shelves and Hooks:** Install the five side shelves and attach the coat hooks and S-shaped hooks. Note that some shelves are adjustable.
8. **Final Touches:** Attach the black metal handles to the doors and drawers.
9. **Safety Securing:** Crucially, install the anti-tip kit to a wall stud to prevent accidental tipping. Ensure the floor is level to prevent wobbling and ensure drawers close properly.

CARE AND MAINTENANCE

- **Cleaning:** Wipe surfaces with a soft, damp cloth. Avoid using harsh chemicals or abrasive cleaners, which can damage the finish.
- **Dusting:** Regularly dust with a dry, soft cloth to prevent buildup.
- **Spills:** Clean spills immediately with a soft, damp cloth and dry thoroughly.
- **Hardware Check:** Periodically check all screws and fasteners to ensure they are tight. Retighten if necessary to maintain stability.
- **Sunlight Exposure:** Avoid prolonged exposure to direct sunlight to prevent fading or discoloration of the wood finish.
- **Moisture:** Keep the armoire away from excessive moisture or humidity to prevent warping or damage.

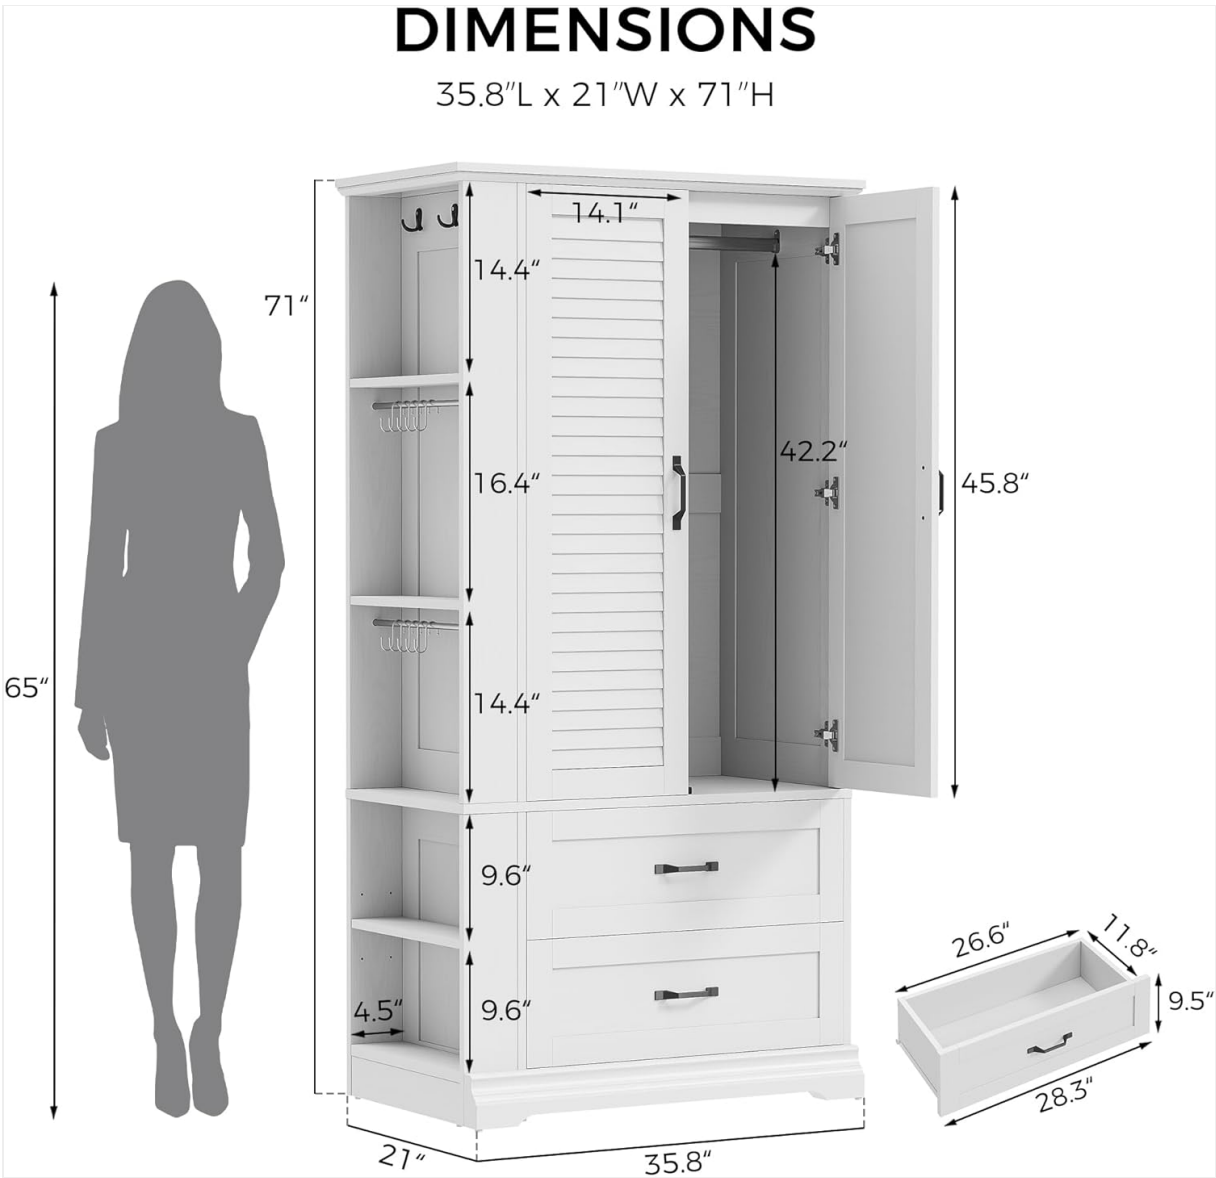

TROUBLESHOOTING

- **Wobbly Armoire:** Ensure the armoire is placed on a level surface. If the floor is uneven, use shims to

stabilize the unit. Verify all assembly screws are tightened. Ensure the anti-tip kit is properly installed and secured to the wall.

- **Doors Not Aligning:** Adjust the hinges on the doors. Most furniture hinges allow for minor adjustments to align doors horizontally, vertically, and in depth. Refer to the hinge manufacturer's instructions if specific adjustments are unclear.
- **Drawers Not Closing Smoothly:** Check that the drawer slides are correctly installed and free from obstructions. Ensure the armoire is level, as an uneven base can affect drawer operation. Verify that the drawer boxes are assembled squarely.
- **Missing Parts or Damaged Components:** If you discover any missing parts or damaged components upon opening the package, please contact IRONCK customer support immediately for assistance.
