## ANGELBLISS Y08

# ANGELBLISS 3-in-1 Baby Bassinet (Model Y08) Instruction Manual

Your guide to safe and effective use of your ANGELBLISS Baby Bassinet.

### IMPORTANT SAFETY INFORMATION

**WARNING: SUFFOCATION HAZARD** Infants have suffocated in bassinets. Always follow these instructions to ensure your baby's safety.

- Always use the mattress provided by the manufacturer. Do not add extra padding or mattresses.
- Ensure all assembly steps are completed correctly and all locking mechanisms are engaged before placing an infant in the bassinet.
- Never use the bassinet if any parts are missing, damaged, or broken. Contact customer service for replacement parts.
- Do not use the bassinet for an infant who can push up on hands and knees, pull up, or reach 5 months of age, whichever comes first.
- When used as a bedside sleeper, ensure the bassinet is securely attached to the adult bed with the provided straps and there are no gaps between the bassinet and the adult mattress.
- Always ensure the side panel is fully raised and locked when not in bedside sleeper mode.
- Keep cords, blinds, and other potential strangulation hazards away from the bassinet.
- Never leave an infant unattended in the bassinet.

### PRODUCT OVERVIEW

The ANGELBLISS 3-in-1 Baby Bassinet (Model Y08) is designed for versatility and comfort, serving as a standalone bassinet, a bedside sleeper, and a rocking bassinet. It features adjustable height, breathable mesh sides, and convenient storage.

## OPERATING INSTRUCTIONS

### 1. Adjusting Height:

The bassinet offers 6 adjustable height positions to align with various bed heights. Locate the height adjustment buttons on the side legs of the bassinet. Press the buttons and slide the bassinet up or down to your desired height. Ensure both sides are adjusted to the same level for stability, unless using tilt mode.

## **2. Bedside Sleeper Mode:**

To use as a bedside sleeper, lower one side panel by unzipping it and releasing the attachment points. Position the bassinet flush against your adult bed. Use the provided attachment straps to secure the bassinet to your bed frame, ensuring there are no gaps. Always ensure the bassinet is stable and level with your mattress.

# KEEP BABY SAFELY BY YOUR BED

Meet or exceed all safety standards set by the CPSC & ASTM
