JUMMICO Vanity Table with LED Mirror Instruction Manual

Model: VN0530-0-FR | Brand: JUMMICO

1. INTRODUCTION

This manual provides comprehensive instructions for the safe assembly, operation, and maintenance of your JUMMICO Vanity Table with LED Mirror. Please read this manual thoroughly before assembly and use to ensure proper function and longevity of the product. Keep this manual for future reference.

Dimensioni del Prodotto

2. SAFETY INFORMATION

WARNING: This vanity table requires self-assembly. Please read the instructions carefully before beginning. Pay attention to sharp edges and pinch points during assembly and use. Observe the weight capacity of drawers and shelves to prevent damage or injury. The LED lighting system is electrical and must be handled with care. Ensure all electrical connections are secure and follow local electrical safety guidelines.

- Always assemble on a clean, flat, and soft surface to prevent scratches.
- Keep small parts away from children during assembly.
- Do not overtighten screws, as this may damage the material.
- Ensure the vanity table is stable and level before use.
- Do not stand or sit on the vanity table.
- Disconnect the LED mirror from the power source before cleaning or maintenance.

3. PACKAGE CONTENTS

Please verify that all components are present and undamaged before beginning assembly. Refer to the detailed parts list included in your product packaging. If any parts are missing or damaged, contact JUMMICO customer support.

Typical components include:

- Main table panels (top, sides, bottom)
- Drawer components (fronts, sides, backs, bottoms)
- Shelf panels
- LED mirror unit
- Jewelry hooks
- Hardware pack (screws, dowels, cam locks, drawer slides, etc.)
- Assembly instructions manual

4. SETUP AND ASSEMBLY

Assembly is required for this product. Detailed assembly instructions are included in the packaging. It is recommended to have at least two people for assembly. A screwdriver (not included) will be required.

4.1 Preparation

- Clear a spacious area for assembly.
- Lay out all parts and hardware, comparing them against the parts list.
- Ensure you have the necessary tools (e.g., Phillips head screwdriver).

4.2 Assembly Steps (General Overview)

1. Assemble the main table frame using the provided screws and dowels.
2. Install the drawer slides onto the table frame.
3. Assemble the drawers and insert them into the slides.
4. Attach the upper shelf unit to the main table.
5. Install the LED mirror into its designated slot in the upper unit.
6. Attach the jewelry hooks behind the mirror.
7. Adjust the height of the side shelves as desired.
8. Connect the LED mirror power cable to a suitable power outlet.

Stoccaggio Dietro lo Specchio

9 Ganci per l'Organizzazione dei Gioielli

Image 4.1: Product dimensions for assembly planning. The vanity measures approximately 90cm (width) x 40cm (depth) x 135.8cm (height). The mirror is 50cm high, and drawers are 43cm wide x 32.7cm deep x 13cm high.

Specchio LED con Illuminazione Regolabile

Image 4.2: Illustration of the adjustable shelves on both sides of the mirror, offering three height options for flexible storage.

5. OPERATING INSTRUCTIONS

5.1 LED Mirror Operation

The integrated LED mirror features touch control for power and light color adjustment.

- **Power On/Off:** Lightly touch the power icon on the mirror surface to turn the LED light on or off.
- **Color Temperature Adjustment:** With the light on, touch the color temperature icon to cycle through three light modes:
 - **Cool White:** Ideal for detailed makeup application.
 - **Warm White:** Suitable for evening makeup or a softer ambiance.
 - **Daylight:** Mimics natural light for everyday use.
- **Brightness Adjustment:** Press and hold the power icon to adjust the brightness level. Release when the desired brightness is reached.

Image 5.1: The LED mirror offers Natural Light, Cool White, and Warm White settings, controlled by touch.

5.2 Storage Features

- **Behind-Mirror Storage:** The mirror opens to reveal hidden storage with jewelry hooks for necklaces and earrings, and additional shelves for small items.
- **Adjustable Side Shelves:** The open shelves on either side of the mirror can be adjusted to three different heights to accommodate various product sizes.
- **Drawers:** Two smooth-gliding drawers provide enclosed storage for cosmetics, brushes, and other personal items.
- **Lower Open Shelf:** A spacious open shelf below the tabletop is ideal for storing larger items like bags, baskets, or books, keeping the main surface clear.

Image 5.2: The mirror slides open to reveal hidden storage with 9 hooks for organizing jewelry and additional compartments.

6. MAINTENANCE

Proper care and maintenance will extend the life and appearance of your vanity table.

- **Cleaning the Surface:** Wipe the engineered wood surfaces with a dry cloth for general dusting. For spills or marks, use a damp cloth and mild detergent, then dry immediately with a clean cloth. Avoid abrasive cleaners.
- **Cleaning the Mirror:** Use a soft, lint-free cloth and a glass cleaner specifically designed for mirrors. Do not spray cleaner directly onto the mirror; instead, apply it to the cloth first.
- **Electrical Components:** Ensure the LED mirror's electrical components remain dry. Do not immerse in water.
- **Hardware:** Periodically check all screws and fasteners to ensure they are tight. Retighten if necessary, but do not overtighten.
- **Weight Limits:** Do not exceed the recommended weight limits for shelves and drawers to prevent structural damage.

7. TROUBLESHOOTING

Problem	Possible Cause	Solution
LED mirror does not turn on.	Not plugged in; power outlet issue; loose connection; faulty LED.	Ensure the power cord is securely plugged into a working outlet. Check the connection to the mirror. If the issue persists, contact customer support.
Drawers stick or do not slide smoothly.	Improperly installed drawer slides; debris in slides; overloaded drawer.	Check that drawer slides are correctly aligned and installed. Clean any debris from the slides. Reduce the weight in the drawer.
Vanity table feels wobbly.	Loose fasteners; uneven floor.	Tighten all assembly screws. Place shims under the legs if the floor is uneven.

8. SPECIFICATIONS

Feature	Detail
Model	VN0530-0-FR
Brand	JUMMICO
