ML-Design Children's Cabin Bed Instruction Manual

MODEL: ML-1658+ML-658

1. IMPORTANT SAFETY INFORMATION

Please read all instructions carefully before assembly and use. Keep this manual for future reference.

- **Adult Supervision:** Always supervise children when they are using the bed, especially during play.
- **Weight Limit:** The maximum load capacity for this bed is **80 kg**. Do not exceed this weight.
- **Fall Protection:** The bed is equipped with side barriers for fall protection. Ensure they are properly installed and secure at all times.
- **Choking Hazard:** Keep small parts and packaging materials away from children.
- **Regular Checks:** Periodically check all screws, bolts, and connections to ensure they are tight and secure. Loose parts can pose a safety risk.
- **Placement:** Do not place the bed near windows where cords or blinds could pose a strangulation hazard.
- **Ventilation:** Ensure adequate ventilation around the mattress to prevent moisture buildup.

2. PRODUCT OVERVIEW

The ML-Design Children's Cabin Bed is designed to provide a comfortable and engaging sleeping environment for young children. Its unique house roof design makes it a focal point in any child's room, encouraging imaginative play.

Image 2.1: Overall view of the ML-Design Children's Cabin Bed, featuring its distinctive house roof structure, included mattress, and two integrated storage drawers.

Key Features:

- **House Roof Design:** Creates a playful and cozy atmosphere.
- **Integrated Drawers:** Two spacious drawers provide convenient storage for toys, clothes, or bedding.
- **Fall Protection:** Side barriers ensure the safety of young children during sleep.
- **Solid Pine Wood Construction:** Ensures stability and durability.
- **Included Mattress and Slatted Base:** Comes with a cold foam mattress (70 x 140 x 10 cm) and a sturdy plywood slatted base.
- **Child-Friendly Design:** Features smooth edges and rounded corners for safety.

3. SETUP AND ASSEMBLY

Assembly of the ML-Design Children's Cabin Bed requires two adults. Please follow the included assembly diagrams and instructions carefully. All necessary mounting hardware is provided.

Included Components:

- 1 x Children's bed frame (house shape)
- 1 x Plywood slatted base
- 1 x Cold foam mattress (70 x 140 cm)
- 2 x Under-bed drawers
- Mounting hardware (screws, bolts, tools)

Assembly Steps (General Guidance):

1. Unpack all components and verify against the parts list.

2. Assemble the main bed frame structure, ensuring all connections are secure.
3. Attach the side barriers for fall protection.
4. Install the plywood slatted base into the frame.
5. Assemble the two under-bed drawers and slide them into place.
6. Place the cold foam mattress onto the slatted base.
7. Perform a final check to ensure all parts are correctly assembled and tightened.

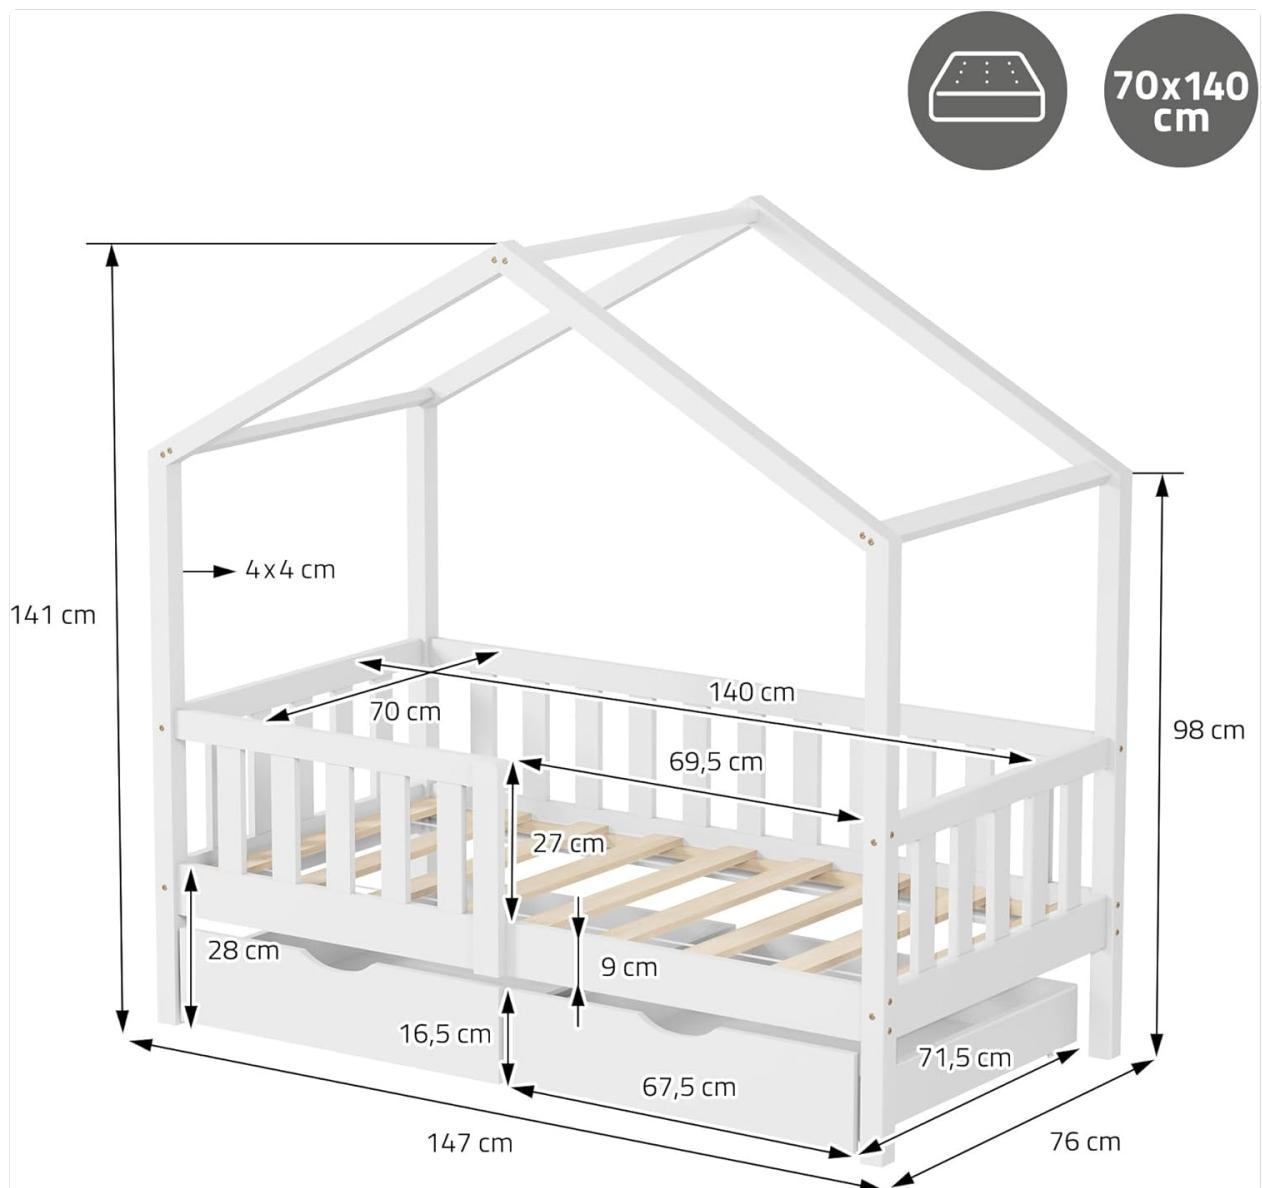

Image 3.2: A technical diagram providing precise measurements of the bed frame, including overall dimensions, mattress area (70x140 cm), and drawer height.

4. OPERATING INSTRUCTIONS

The ML-Design Children's Cabin Bed is designed for both sleeping and imaginative play.

- **Sleeping Area:** Place the provided 70 x 140 cm mattress on the slatted base. Ensure bedding is appropriate for the child's age and safety.
- **Storage Drawers:** Utilize the two under-bed drawers for storing toys, books, or extra bedding to keep the room tidy. The drawers are designed for easy access.
- **Play Area:** The house roof design encourages creative play. Ensure the play environment is safe and free from hazards.

5. MAINTENANCE AND CARE

Proper care will extend the life and appearance of your children's bed.

Bed Frame:

- Wipe the wooden frame with a soft, damp cloth. Avoid abrasive cleaners or harsh chemicals.
- Dry immediately with a clean cloth to prevent moisture damage.
- Periodically check and tighten all screws and connections to maintain structural integrity.

Mattress:

- The mattress cover is removable and washable. Follow the care instructions on the label (typically machine wash at 30°C).
- Ensure the mattress is regularly aired to maintain freshness and prevent moisture buildup.
- The cold foam material is breathable and moisture-permeable, contributing to good air conditioning.

Image 5.1: Details on the durable cold foam mattress, highlighting its 100% polyester cover, washable design, and zip fastener for easy removal.

6. TROUBLESHOOTING

If you encounter any issues with your ML-Design Children's Cabin Bed, please refer to the following common solutions:

- **Loose Connections:** If the bed feels wobbly or unstable, check all screws and bolts. Tighten them firmly using the appropriate tools. Do not overtighten.
- **Squeaking Noises:** Squeaking can often be resolved by tightening loose connections. If the issue persists, ensure the slatted base is correctly seated and consider applying a small amount of lubricant to metal-on-metal contact points (if applicable and safe for children's products).
- **Drawers Not Sliding Smoothly:** Check for any obstructions in the drawer runners. Ensure the drawers are assembled correctly and the runners are clean.

If you are unable to resolve an issue, please contact customer support for assistance.

7. PRODUCT SPECIFICATIONS

Feature	Specification
Model Number	ML-1658+ML-658
Product Dimensions (L x W x H)	57.87" x 29.92" x 55.51" (147 cm x 76 cm x 141 cm)
Compatible Mattress Size	70 x 140 cm
Maximum Load Capacity	80 kg
Frame Material	Solid Pine Wood
Slatted Base Material	Plywood
Frame Color	White
Mattress Type	Cold Foam
Mattress Dimensions (L x W x H)	140 x 70 x 10 cm
