

JBL PartyBox 720

JBL PartyBox 720 Portable Party Speaker User Manual

Model: PartyBox 720 | Brand: JBL

INTRODUCTION

This user manual provides essential information for the safe and efficient operation of your JBL PartyBox 720 portable party speaker. Please read this manual thoroughly before using the product to ensure proper setup, usage, and maintenance. Retain this manual for future reference.

WHAT'S IN THE BOX

Verify that all components are present upon unboxing:

- 1 x JBL PartyBox 720 Speaker
- Quick Start Guide
- 1 x Safety Instruction and Warranty Card
- AC Power Cord (quantity and plug type vary by region)

Image: The JBL PartyBox 720 speaker displaying its integrated light show.

SETUP

1. Initial Charging and Power

Before first use, fully charge the JBL PartyBox 720. Connect the supplied AC power cord to the speaker's power input and then to a wall outlet. The charging indicator will show the battery status. A full charge provides up to 15 hours of playtime. The speaker can also operate while charging.

- To power on, press the **Power button**.
- To power off, press and hold the **Power button** until the unit shuts down.

Image: Rear panel of the JBL PartyBox 720, highlighting the power input and connection ports.

2. Battery Information

The PartyBox 720 features a swappable battery system. Spare batteries are sold separately. To replace the battery, refer to the detailed instructions in the Quick Start Guide or the Safety Instruction and Warranty Card. A 10-minute fast charge can provide up to 2 extra hours of playtime.

OPERATING INSTRUCTIONS

1. Bluetooth Connection

1. Power on the JBL PartyBox 720.
2. Press the **Bluetooth button** on the top panel to enter pairing mode. The light indicator will flash.
3. On your mobile device, enable Bluetooth and select "JBL PartyBox 720" from the list of available devices.
4. Once connected, the Bluetooth indicator will remain solid.

Image: Top control panel of the JBL PartyBox 720, showing the Bluetooth pairing button and other controls.

2. Wired Connections

The PartyBox 720 supports various wired audio inputs:

- **USB-C Input:** Connect compatible devices for high-quality audio streaming.
- **Dual XLR Inputs:** Connect microphones, guitars, or DJ consoles using XLR cables. Adjust volume, bass, treble, and echo for connected instruments/mics using the dedicated controls on the top panel.

Image: Detailed view of the JBL PartyBox 720's input panel, showing the USB-C and dual XLR ports.

3. Light Show Control

The PartyBox 720 features a dynamic light show. Press the **Light Show button** on the top panel to cycle through

different light patterns or turn the light show off. Further customization is available via the JBL PartyBox app.

Image: The JBL PartyBox 720 showcasing a green and blue light pattern.

4. JBL PartyBox App

Download the JBL PartyBox app from your device's app store for enhanced control over your speaker. The app allows you to:

- Control music playback.
- Adjust EQ settings.
- Customize the light show.
- Access additional features and settings.

Image: A smartphone screen showing the JBL PartyBox app, used for controlling speaker functions and light effects.

5. Multi-Speaker Connection (Auracast)

For a larger sound experience, you can connect multiple JBL Auracast-enabled speakers wirelessly. Refer to the JBL PartyBox app or the Quick Start Guide for detailed instructions on pairing multiple speakers.

- Pair two PartyBox 720 units for true stereo sound.
- Link additional JBL Auracast-enabled speakers for expanded audio coverage.

6. Portability and Durability

The JBL PartyBox 720 is designed for portability with an integrated handle and wide, sturdy wheels for easy transport over various terrains. It features an IPX4 splash-proof rating, making it resistant to splashes of water from any direction. This protection is suitable for outdoor use and poolside environments, but the unit is not waterproof and should not be submerged.

Image: Side view of the JBL PartyBox 720, illustrating its integrated handle and robust wheels for transport.

MAINTENANCE

1. Cleaning

To clean the speaker, use a soft, dry cloth. For stubborn dirt, a slightly damp cloth can be used. Avoid using abrasive cleaners, solvents, or harsh chemicals, as these can damage the speaker's finish or internal components. Ensure all port covers are securely closed before cleaning with a damp cloth.

2. Storage

When not in use for extended periods, store the JBL PartyBox 720 in a cool, dry place away from direct sunlight and extreme temperatures. It is recommended to fully charge the battery before storing and to recharge it every few months to maintain battery health.

TROUBLESHOOTING

If you encounter issues with your JBL PartyBox 720, consult the following table:

Problem	Possible Cause	Solution
No power	Battery depleted; Power cord not connected; Power outlet issue.	Charge the speaker; Ensure power cord is securely connected; Test power outlet with another device.
No sound	Volume too low; Source device not connected; Incorrect input selected.	Increase speaker and source device volume; Re-establish Bluetooth connection or check wired connections; Select correct input source.
Bluetooth pairing fails	Speaker not in pairing mode; Device too far; Interference; Previous connection issue.	Press Bluetooth button to enter pairing mode; Move device closer; Avoid obstacles; Forget "JBL PartyBox 720" on your device and try pairing again.
Light show not working correctly	Light show turned off; Software glitch.	Press the Light Show button to activate; Check settings in the JBL PartyBox app; Perform a factory reset if necessary (refer to Quick Start Guide).

For issues not covered here, please refer to the full Quick Start Guide or contact JBL customer support.

BIG SOUND
Bigger Vibes

PARTYBOX 720
perfect for the party season

- Powerful Sound
- Party Lights
- Party Bass
- Party Battery

**The new PartyBox 720:
Bigger Sound, Bigger Vibes**

JBL's latest release, the PartyBox 720, here to change the game! Take your parties indoors or outdoors with a dynamic new generation light show, more durable wheels, and an ergonomic handle. Plus, has an extra battery so you can keep playing music even when you're not plugged in.

Powerful sound with strong bass

Two 5-inch woofers deliver clear and precise bass even at maximum volume. A 10-inch BassPort takes it another level, optimizing performance in just five feet. Connect the PartyBox 720 to another PartyBox 720 to create stereo sound, or even to any other Bluetooth-enabled speaker to create a wall of sound. Every party and celebration is enhanced with a captivating light show. Choose from a range of colors and patterns and match it to your soundtrack for a real show. Create your own party atmosphere with full customization of sound and lighting via the JBL PartyBox app.
