SOUYIE SOUYIE SW-9

SOUYIE SW-9 AI Smart Watch Instruction Manual

Model: SOUYIE SW-9 | Brand: SOUYIE

INTRODUCTION

Welcome to the SOUYIE SW-9 AI Smart Watch. This device combines advanced technology with comprehensive health and fitness tracking to enhance your daily life. Featuring a vibrant 1.43-inch AMOLED Corning 8H Display, built-in ChatGPT for intelligent assistance, Bluetooth calling with 3A noise cancellation, multi-system GPS tracking, and over 150 sports modes, the SW-9 is designed for versatility and performance. This manual will guide you through setting up, operating, and maintaining your new smartwatch.

WHAT'S IN THE Box

Upon unboxing your SOUYIE SW-9 AI Smart Watch, you should find the following items:

- SOUYIE SW-9 Smart Watch (1 unit)
- Classic Silicone Strap (1 unit)
- Stylish Mesh Silicone Strap (1 unit)
- USB Magnetic Charging Cable (1 unit)
- Instruction Manual (1 unit)

SETUP

1. Charging Your Smart Watch

Before initial use, fully charge your SOUYIE SW-9 Smart Watch. Connect the provided USB magnetic charging cable to the charging points on the back of the watch and a compatible USB power source. The watch will display charging progress. A full charge typically takes approximately 2 hours.

2. App Download and Pairing

To unlock the full potential of your smartwatch, download and pair it with the **OnWear Pro** app.

- 1. Download the App:** Scan the QR code provided in the physical instruction manual or search for "OnWear Pro" in your device's app store (Google Play for Android, App Store for iOS).
- 2. Enable Bluetooth:** Ensure Bluetooth is enabled on your smartphone.
- 3. Open OnWear Pro:** Launch the app and follow the on-screen prompts to create an account or log in.
- 4. Add Device:** In the app, navigate to the device section and select "Add Device" or "Scan to Add." The app will search for available devices.
- 5. Pair:** Select "SW-9" from the list of found devices. Confirm the pairing request on both your phone and the watch.

OPERATING YOUR SMART WATCH

Basic Navigation

The SOUYIE SW-9 features a responsive 1.43-inch AMOLED touchscreen and two physical buttons for intuitive control:

- **Swipe Up/Down:** Access quick settings or notifications.
- **Swipe Left/Right:** Navigate through widgets like activity data, heart rate, weather, etc.
- **Press Top Button:** Return to the home screen or access the app menu.
- **Press Bottom Button:** Quickly access workout modes.

Bluetooth Calls & Smart Assistant

Stay connected directly from your wrist. The watch supports Bluetooth calls with advanced 3A noise-cancelling technology, ensuring clear conversations up to 50 meters from your phone. Utilize the built-in voice assistant for hands-free control, checking notifications, or managing music playback.

and messaging apps on its display.

AI Features & Watch Faces

The SOUYIE SW-9 integrates ChatGPT for instant answers, translations, and wellness tips. Personalize your watch with dynamic AI-generated watch faces or choose from hundreds of built-in and app-based designs. You can also use your own photos or videos for custom watch faces.

HEALTH MONITORING

The SOUYIE SW-9 provides comprehensive health tracking features to help you stay informed about your well-being. **Note: This smartwatch is not a medical device and should not be used for medical diagnosis or treatment.**

- **Heart Rate Monitoring:** Continuous 24/7 heart rate tracking.
- **Blood Oxygen (SpO2) Tracking:** Monitor your blood oxygen levels.
- **Sleep Monitoring:** Analyze deep sleep, light sleep, REM, and awake times.
- **Stress Monitoring:** Track stress levels throughout the day.

WORKOUT MODES & GPS TRACKING

The SOUYIE SW-9 supports over 150 sports modes, including running, swimming, cycling, and hiking. Its 5ATM waterproof rating allows for worry-free use during water activities. The integrated five-system GPS (GPS, BeiDou, Galileo, GLONASS, QZSS) provides precise route tracking for outdoor workouts, with detailed maps available on the watch and app post-activity.

BATTERY LIFE

The SOUYIE SW-9 is equipped with a 390mAh high-efficiency battery, offering extended usage. Expect 7-10 days of regular use or up to 30 days of standby time on a single charge. Fast magnetic charging allows the watch to be fully powered in just 2 hours.

MAINTENANCE

To ensure the longevity and optimal performance of your SOUYIE SW-9 Smart Watch, follow these maintenance guidelines:

- **Cleaning:** Regularly wipe the watch screen and straps with a soft, dry cloth. For stubborn dirt, use a slightly damp cloth and mild soap, then dry thoroughly.
- **Water Exposure:** While 5ATM waterproof, avoid prolonged submersion in hot water or exposure to high-pressure water jets. Rinse with fresh water after exposure to saltwater or chlorinated water.
- **Charging:** Use only the provided magnetic charging cable. Ensure the charging contacts on the watch and cable are clean and dry before charging.
- **Storage:** Store the watch in a cool, dry place away from direct sunlight and extreme temperatures.
- **Software Updates:** Keep the OnWear Pro app and your watch firmware updated to benefit from new features and performance optimizations.

TROUBLESHOOTING

If you encounter any issues with your SOUYIE SW-9 Smart Watch, please try the following common troubleshooting steps:

- **Watch not turning on:** Ensure the watch is fully charged. Long-press the function button to power it on.
- **Cannot pair with phone:** Make sure Bluetooth is enabled on your phone and the watch is within range. Restart both devices and try pairing again through the OnWear Pro app.
- **Inaccurate health data:** Ensure the watch is worn snugly on your wrist, not too tight or too loose. Clean the sensors on the back of the watch.
- **Notifications not received:** Check app notification settings on your phone and within the OnWear Pro app to ensure they are enabled for the desired applications.
- **Short battery life:** Reduce screen brightness, disable unnecessary features like continuous heart rate monitoring if not needed, and ensure no background apps are draining power.

For further assistance, please contact the SOUYIE customer service team through your Amazon account. Our professional service team will respond within 24 hours and provide the best solution.
