BTHFST Low Loft Bed Twin Size with 8 Storage Drawers and LED Lights Instruction Manual

INTRODUCTION

This manual provides detailed instructions for the assembly, operation, and maintenance of your BTHFST Low Loft Bed Twin Size with 8 Storage Drawers and LED Lights. Please read all instructions carefully before beginning assembly and retain this manual for future reference. This low loft bed is designed to maximize space in children's bedrooms, offering a comfortable sleeping area, ample storage, and an engaging play space.

PRODUCT FEATURES

- **Space-saving Design:** Twin size low loft bed with an exquisite and compact design, ideal for maximizing bedroom space.
- **Ample Storage:** Features 8 large fabric storage drawers for organizing clothes, toys, and books, along with open storage shelves for display items. A bed-side storage organizer keeps items within reach.
- **Sturdy and Safe Construction:** Built with a heavy-duty metal frame, 13.4-inch reinforced full-length enclosed guardrails, and an anti-tipping device for enhanced security and stability. Supports a maximum weight capacity of 440 lbs.
- **Comfortable Access:** Includes a foam ladder for easy and comfortable climbing, with no-slip pads to prevent sliding and protect floors. EVA quieting strips ensure a noise-free bed frame.
- **Stylish House Shaped Design:** The bed features a creative house-shaped look, providing a fun and adorable space that can be personalized.
- **Smart LED Lights:** Equipped with practical RGB LED lights offering over 60,000 colors. Customize brightness, dynamic modes, music sync, mic mode, and timing modes via remote or app control.
- **Fun Play Area:** Comes with cute curtains to enclose the under-bed space, providing privacy and creating a perfect area for study, sleep, or play.

SETUP AND ASSEMBLY

Your BTHFST Low Loft Bed requires assembly. Detailed assembly instructions are included in the packaging. Please ensure all parts are present before beginning. It is highly recommended that two adults assemble this product to ensure safety and ease of construction.

Assembly Tips:

- Review the entire instruction manual before starting.
- Lay out all components and hardware on a clean, soft surface to prevent scratches.
- Do not fully tighten screws until all components are loosely assembled.
- Ensure the anti-tipping device is securely installed to prevent accidental tipping.
- A 4-6 inch thick mattress is recommended for use with this bed. No box spring is needed.

CARE AND MAINTENANCE

- **Cleaning the Frame:** Wipe the metal frame with a soft, damp cloth. Avoid abrasive cleaners or harsh chemicals that may damage the finish.
- **Cleaning Fabric Drawers:** The fabric drawers can be spot cleaned with a mild detergent and water. Allow to air dry completely. Do not machine wash.
- **LED Lights:** Ensure the LED light strip and connections remain dry. If cleaning is necessary, gently wipe with a dry cloth.
- **Regular Checks:** Periodically check all screws and connections to ensure they remain tight. Retighten as necessary to maintain stability and safety.

TROUBLESHOOTING

Problem	Possible Cause	Solution
Parts do not fit together or are difficult to align.	Incorrect orientation of parts; screws not fully loosened during initial assembly.	Double-check the assembly diagram for correct part orientation. Loosen all screws slightly, align parts, then gradually tighten all screws. Some parts may require gentle force to fit snugly.
Missing hardware or damaged components.	Manufacturing error or shipping damage.	Contact BTHFST customer support immediately with your purchase details and a description of the missing/damaged parts. Do not attempt to force damaged parts.
Bed frame feels unstable or wobbly.	Screws are not fully tightened; anti-tipping device not installed or improperly secured.	Ensure all assembly screws are fully tightened. Verify that the anti-tipping device is correctly installed and secured to the wall according to instructions.
LED lights are not working.	Power connection issue; remote control battery low; app not paired correctly.	Check all power connections to the LED strip. Replace remote control batteries. Refer to the LED light instruction sheet for app pairing and troubleshooting.
