ChooChoo SC2404-BK-LA

ChooChoo Bathroom Floor Cabinet (Model SC2404-BK-LA) Instruction Manual

Introduction

This manual provides detailed instructions for the assembly, operation, and maintenance of your ChooChoo Bathroom Floor Cabinet, Model SC2404-BK-LA. Please read these instructions carefully before assembly and use to ensure safe and correct operation. Keep this manual for future reference.

Important Safety Information

- Always assemble and secure the cabinet to a wall using the provided anti-tip device to prevent tipping.
- Do not overload the cabinet. Distribute weight evenly on shelves.
- Keep small parts away from children during assembly.
- Ensure all connections are tightened securely before use.

Package Contents

Verify that all components are present before beginning assembly. If any parts are missing or damaged, please contact customer support.

- Storage Cabinet Components
- Accessory Bag (hardware)
- Anti-Tip Kit
- User Manual (this document)

Setup and Assembly

Assembly is required for this product. Clear instructions and labeled parts are provided to facilitate the process. It is recommended to assemble the cabinet on a soft, clean surface to prevent scratches.

1. Unpack all components and verify against the parts list in the included assembly guide.
2. Follow the step-by-step instructions provided in the separate assembly guide.

3. Attach the anti-tip device to the cabinet and secure it to a wall as instructed to ensure stability.

The cabinet features a reinforced base and magnetic door closures for enhanced stability and secure storage.

Operating Instructions

Adjusting Shelves

The cabinet includes adjustable shelves, each offering 5 height options. To adjust a shelf:

1. Empty the shelf of all contents.
2. Carefully remove the shelf from its current position.
3. Relocate the shelf supports to the desired height.
4. Insert the shelf onto the new supports, ensuring it is level and secure.

Door Operation

The cabinet features four doors equipped with magnetic closures to keep them securely shut. To open, gently pull the handle. To close, push the door until the magnetic catch engages.

Storage Capacity

This cabinet provides ample storage space for various items such as towels, toiletries, cosmetics, and kitchen pantry items. The upgraded width and depth offer increased capacity.

Maintenance

The cabinet is constructed from high-quality MDF and coated with water-based, eco-friendly paint, making it durable and moisture-resistant. To maintain its appearance and longevity:

- Wipe surfaces with a soft, damp cloth.
- Avoid using harsh chemicals or abrasive cleaners.
- Promptly wipe up any spills to prevent moisture damage.
- Periodically check all screws and connections and tighten if necessary.

Troubleshooting

Cabinet Feels Unstable

- Ensure all assembly screws are tightened.
- Verify the anti-tip device is correctly installed and secured to a wall stud.
- Check that the cabinet is placed on a level surface.

Doors Do Not Close Properly

- Check if hinges are properly aligned and tightened.
- Ensure nothing inside the cabinet is obstructing the doors.
- Verify the magnetic closures are intact and aligned with the door strike plates.
