## 3. SETUP AND ASSEMBLY

The Ahomly Kitchen Island requires assembly. Each part is labeled with letters or numbers to facilitate the process. Included tools and instructions will guide you through the setup.

### Assembly Instructions:

- Unpack all components and verify against the parts list provided in the packaging.
- Follow the step-by-step instructions provided in the included manual.
- Ensure all screws and fasteners are tightened securely, but do not overtighten to avoid damaging the wood.

- Assembly is estimated to take under 3 hours. For best results, consider having two people for assembly.

## 4. OPERATING INSTRUCTIONS

---

### Using the Drop Leaf Countertop:

1. To extend the countertop, gently lift the drop leaf section.
2. Pull out the metal support brackets located underneath until they lock into place.
3. Ensure the drop leaf is stable before placing items on it.
4. To fold back, release the support brackets and carefully lower the drop leaf.

### Accessing the Hidden Trash Cabinet:

1. Locate the handle on the tilt-out door.
2. Pull the door outwards and downwards to reveal the trash bin compartment.
3. Insert a 10-gallon trash bin (not included) into the compartment.
4. Push the door back into place until it is securely closed.

### Adjusting Shelves:

1. Empty the shelf you wish to adjust.
2. Remove the shelf by lifting it from its supports.
3. Relocate the shelf supports to the desired height.
4. Place the shelf back onto the supports, ensuring it is level and secure.

### Using the Wheels and Brakes:

1. To move the island, ensure the locking casters are disengaged.
2. Gently push or pull the island to its desired location.
3. To secure the island in place, press down on the locking mechanism on the 2 locking casters until they click.
4. To unlock, lift the locking mechanism.

## 5. MAINTENANCE

---

Regular maintenance will help prolong the life and appearance of your kitchen island.

- **Cleaning the Rubberwood Top:** Wipe spills immediately with a damp cloth. For general cleaning, use a mild soap solution and a soft cloth. Avoid abrasive cleaners or harsh chemicals.
- **Cleaning Engineered Wood Surfaces:** Use a soft, damp cloth to wipe down all other surfaces. Dry immediately with a clean cloth.
- **Hardware:** Periodically check all screws and fasteners to ensure they are tight. Retighten if necessary.

- **Wheels:** Keep wheels free of debris to ensure smooth movement.

## 6. TROUBLESHOOTING

---

This section addresses common issues you might encounter with your Ahomly Kitchen Island.

- **Issue: Island does not roll smoothly.**  
**Solution:** Check wheels for debris (hair, lint, etc.) and clean if necessary. Ensure locking casters are fully disengaged.
- **Issue: Drop leaf feels unstable.**  
**Solution:** Ensure both metal support brackets are fully extended and locked into place. Check that all assembly hardware for the drop leaf mechanism is securely tightened.
- **Issue: Drawer or cabinet doors do not close properly.**  
**Solution:** Check for any obstructions inside the drawer or cabinet. Verify that the island is on a level surface. If the issue persists, check assembly hardware for proper alignment and tightness.
