6. MAINTENANCE AND CARE

To ensure the longevity and appearance of your CaDA C55056W Chrono Blade model, follow these care guidelines:

- **Cleaning:** Gently wipe the model with a soft, dry cloth to remove dust. For stubborn dirt, a slightly damp cloth can be used, followed by immediate drying. Avoid harsh chemicals or abrasive cleaners.
- **Storage:** Store the model in a cool, dry place away from direct sunlight to prevent discoloration or material degradation.
- **Handling:** Handle the model carefully to avoid accidental detachment of parts. If parts do come loose, reattach them according to the assembly instructions.

7. TROUBLESHOOTING

This section addresses common issues you might encounter during or after assembly.

- **Missing Pieces:** If you find any pieces missing from your kit, please contact CaDA customer support with your product model number and details of the missing parts.
- **Loose Connections:** If parts do not fit securely, ensure they are correctly oriented and fully pressed into place. Refer to the assembly manual diagrams for correct positioning.
- **Difficulty Assembling:** Review the instruction manual carefully. Sometimes a small detail or orientation can be overlooked. Ensure you are following the steps sequentially.
