Setup

1. Charging the Earbuds and Case

Before first use, fully charge your Kinglucky A20 earbuds and charging case. Connect the provided USB-C cable to the charging port on the case and a power source. The digital display on the case will show the battery level. A full charge provides up to 8 hours of playtime for the earbuds, with the case extending total playtime to approximately 50 hours.

2. Bluetooth Pairing

1. Open the charging case. The earbuds will automatically enter pairing mode.
2. On your device (smartphone, tablet, etc.), go to Bluetooth settings.
3. Select "Kinglucky A20" from the list of available devices.
4. Once connected, you will hear an audio prompt, and the indicator light on the earbuds will change.

The Kinglucky A20 supports Bluetooth 5.4 for a stable connection and multipoint pairing, allowing connection to two devices simultaneously.

3. Wearing the Earbuds

The A20 earbuds feature an open-ear clip design for comfort and stability. They do not enter the ear canal, resting gently on the ear.

1. Gently open the ear cuff of the earbud.

2. Position the earbud over your ear, ensuring the speaker is aligned with your ear canal for optimal sound.
3. Adjust for a secure and comfortable fit.

4. Attaching/Detaching Crystal Earrings

The crystal butterfly earrings are detachable. To attach, gently clip them onto the earphone stem. To detach, carefully unclip them. Remove the decorative earrings before storing the earbuds in the charging case to prevent damage.

Maintenance

- **Cleaning:** Use a soft, dry cloth to wipe the earbuds and charging case. Avoid using harsh chemicals or abrasive materials.
- **Storage:** When not in use, store the earbuds in their charging case to protect them and ensure they remain charged.
- **Water Resistance:** The earbuds are IP56 water-resistant, meaning they can withstand sweat and light rain. Do not submerge them in water.

Troubleshooting

Problem	Solution
---------	----------

Problem	Solution
Earbuds not pairing	Ensure earbuds are charged. Turn off and on Bluetooth on your device. Forget "Kinglucky A20" in your device's Bluetooth settings and re-pair.
No sound from one earbud	Place both earbuds back in the charging case, close the lid, wait a few seconds, then open and try again. Check device audio balance settings.
Charging case not charging	Verify the USB-C cable is securely connected to both the case and the power source. Try a different cable or power adapter.
Poor call quality	Ensure earbuds are properly seated on your ears. Move closer to your connected device to avoid interference.
