## LINSY HOME B0DWX9LBLT

# LINSY HOME 55-inch Fluted Sideboard Buffet Cabinet User Manual

Model: B0DWX9LBLT

## 1. INTRODUCTION

---

Thank you for choosing the LINSY HOME 55-inch Fluted Sideboard Buffet Cabinet. This versatile piece of furniture is designed to provide ample storage and enhance the aesthetic of your living space. It features tambour sliding doors, adjustable shelves, and a spacious drawer, making it suitable for various uses such as a coffee bar, storage cabinet, or console table.

## 2. SAFETY INFORMATION

---

Please read and understand all safety instructions before assembly and use. Failure to follow these instructions may result in injury or damage to the product.

- Always use caution when opening and closing the sliding doors to prevent pinching.
- Ensure the cabinet is stable and secure before use to prevent tipping.
- Keep the area around the cabinet clear of obstructions to prevent accidents.
- Utilize the provided anti-tip hardware to secure the cabinet to a wall, especially in homes with children or pets.

### 3. PACKAGE CONTENTS

---

Before beginning assembly, ensure all parts listed in the instruction manual are present and undamaged. The package typically includes:

- Cabinet panels (top, bottom, sides, back)
- Tambour sliding doors
- Adjustable shelves
- Drawer components
- Solid wood legs
- Assembly hardware (screws, dowels, cam locks, etc.)
- Anti-tip hardware
- Instruction manual

### 4. SETUP AND ASSEMBLY

---

This cabinet requires assembly. Detailed instructions are provided in the included assembly guide. It is recommended to have two people for assembly to ensure stability and ease of handling. Please follow the step-by-step instructions carefully.

#### 4.1 General Assembly Tips:

- Clear a spacious area for assembly.
- Lay out all components and hardware, verifying against the parts list.
- Use a soft cloth or cardboard to protect surfaces during assembly.
- Do not overtighten screws to avoid damaging the engineered wood.
- Attach the anti-tip hardware to a wall stud for maximum safety once the cabinet is in its final position.

### 5. OPERATING INSTRUCTIONS

---

#### 5.1 Tambour Sliding Doors:

The cabinet features smooth-sliding tambour doors that elegantly conceal your belongings. To open or close the doors, gently slide them along their tracks. If the doors feel stiff, apply a small amount of wax (often included with furniture hardware) or a silicone-based lubricant to the tracks to ensure smooth operation.

### 5.2 Adjustable Shelves:

The cabinet includes two adjustable shelves, allowing you to customize the storage space according to your needs. To adjust a shelf, remove any items, lift the shelf, and reposition the shelf pins to the desired height. Ensure all four pins are securely inserted before placing items back on the shelf.

### 5.3 Drawer Usage:

The integrated drawer provides additional storage for smaller items. Pull the drawer gently to open and push to close. Avoid overloading the drawer to ensure smooth operation and prevent damage to the runners.

## 6. MAINTENANCE

To maintain the appearance and longevity of your LINSY HOME cabinet, follow these care guidelines:

- **Cleaning:** Wipe surfaces with a soft, damp cloth. Avoid using harsh chemicals, abrasive cleaners, or polishes that may damage the finish.
- **Spills:** Immediately wipe up any spills to prevent staining or water damage to the engineered wood.
- **Sunlight:** Avoid prolonged exposure to direct sunlight, which can cause fading or discoloration.
- **Heat:** Do not place hot items directly on the surface. Use coasters or protective pads.
- **Humidity:** Maintain a stable humidity level in the room to prevent warping or cracking of the wood.

## 7. TROUBLESHOOTING

If you encounter any issues with your cabinet, refer to the following common solutions:

- **Doors not sliding smoothly:** Apply a small amount of wax or silicone-based lubricant to the door tracks. Ensure the tracks are free of debris.
- **Cabinet wobbles or is unstable:** Check that all assembly hardware is securely tightened. Ensure the

cabinet is placed on a level surface. If one leg is shorter, a small shim can be placed under it for stability.

- **Drawer sticks or is difficult to open/close:** Check for obstructions in the drawer runners. Ensure the drawer is properly aligned within its tracks.
- **Damaged or missing parts:** If you received damaged parts or are missing components, please contact LINSY HOME customer support for assistance.
