COMHOMA Vanity Desk Model B1006 Instruction Manual

INTRODUCTION

This manual provides detailed instructions for the assembly, operation, and maintenance of your COMHOMA Vanity Desk Model B1006. Please read this manual thoroughly before beginning assembly or use to ensure proper function and safety. Keep this manual for future reference.

SAFETY INFORMATION

Please observe the following safety guidelines:

- Assembly may require two people.
- Always unplug the vanity before assembly or disassembly.
- Be cautious of sharp edges and heavy weight during handling.
- Do not operate the vanity with wet hands.
- Keep the vanity away from heat sources and flammable materials.

PACKAGE CONTENTS

Before assembly, verify that all components are present and undamaged. The package should include:

- Engineered wood panels for desk, drawers, and shelves
- Gold metal frame components
- LED mirror with integrated lighting
- 4 drawer handles
- Adjustable leg pads
- Assembly hardware (screws, dowels, etc.)
- Assembly tools (e.g., screwdriver)
- Instruction manual

SETUP AND ASSEMBLY

The COMHOMA Vanity Desk is designed for straightforward assembly. It is recommended to follow the provided instructions step-by-step. Lay out all numbered boards before beginning assembly.

Assembly Steps Overview:

1. Unpack all components and verify against the parts list.
2. Assemble the main desk frame using the metal supports and designated wood panels.
3. Construct the drawers by attaching the side panels to the base and securing them. Install the handles.
4. Integrate the assembled drawers into the desk structure.
5. Attach the LED mirror unit and any additional shelving to the main desk.
6. Install the adjustable leg pads at the base of the vanity.
7. Connect the power cable for the LED mirror to a suitable power outlet.

MAINTENANCE

Proper care will extend the life and appearance of your vanity desk.

- **Cleaning:** Wipe surfaces with a soft, damp cloth. Avoid abrasive cleaners or harsh chemicals that may damage the finish. For the mirror, use a glass cleaner and a lint-free cloth.
- **Dusting:** Regularly dust all surfaces with a dry, soft cloth.
- **Spills:** Clean up spills immediately to prevent staining or damage to the wood.
- **Drawer Care:** Ensure drawers glide smoothly. Do not overload drawers to prevent damage to the runners.
- **Electrical Components:** Keep the mirror's electrical components dry. Do not attempt to repair the LED lighting system yourself; contact customer support if issues arise.

TROUBLESHOOTING

If you encounter issues with your vanity desk, refer to the following common problems and solutions:

Problem	Possible Cause	Solution
LED mirror lights do not turn on.	Not plugged in; power outage; faulty connection.	Check power cord connection. Ensure outlet has power. Verify mirror cable is securely connected.
LED mirror lights flicker.	Loose wiring; internal component issue.	Unplug and re-plug the vanity. If flickering persists, contact customer support. Do not attempt internal repairs.
Drawers are difficult to open/close.	Overloaded; misaligned during assembly; debris in runners.	Reduce drawer contents. Check assembly for proper alignment. Clean drawer runners.
Vanity feels wobbly.	Loose screws; uneven floor; adjustable leg pads not set.	Tighten all assembly screws. Adjust the leg pads to stabilize the desk on uneven surfaces.
Parts do not fit during assembly.	Mislabeled parts; incorrect orientation.	Double-check part numbers against the manual. Ensure parts are oriented correctly as shown in diagrams. Refer to the installation video for visual guidance.

If the problem persists after attempting these solutions, please contact COMHOMA customer support for further assistance.
