## PRODUCT OVERVIEW AND CONTROLS

The PRSCFUM Q90 speaker features an intuitive control panel for easy operation. Familiarize yourself with the buttons and their functions:

# Multi Function Button

Easily identify all physical buttons, and control the functions freely.

Image: Diagram of the PRSCFUM Q90 speaker's multi-function buttons, including Bluetooth/FM mode, volume/track controls, light switch, and play/pause. A digital display shows time and power.

- **M Button:** Switches between Bluetooth Mode and FM Mode.
- **+/- K Button:** Volume Up / Previous Track. Press briefly for previous track, press and hold for volume up.
- **-/K Button:** Volume Down / Next Track. Press briefly for next track, press and hold for volume down.
- **Light Button:** Switches the RGB light modes.
- **Power/Play/Pause Button:** Powers the device on/off, plays, or pauses audio.
- **Digital Time & Power Display:** Shows current time and battery level.

## SETUP

### Charging the Speaker

Before first use, fully charge the speaker. Connect the provided Type-C charging cable to the speaker's charging port and a suitable USB power adapter (not included). The digital display will

indicate charging status. A full charge takes approximately 1.5 hours and provides 7-8 hours of continuous playback at 40% volume.

Image: The PRSCFUM Q90 speaker connected to a USB-C charging cable, illustrating the charging process and highlighting 8 hours of playtime from its 1000mAh battery.

## Power On/Off

To power on the speaker, press and hold the Power/Play/Pause button until the lights illuminate and you hear an audible prompt. To power off, press and hold the same button until the lights turn off.

## Bluetooth Pairing

1. Ensure the speaker is powered on and in Bluetooth mode (indicated by a flashing Bluetooth icon on the display).
2. On your mobile device (smartphone, tablet, etc.), enable Bluetooth and search for available devices.
3. Select "Q90" from the list of devices.
4. Once connected, the speaker will emit a confirmation sound, and the Bluetooth icon on the display will stop flashing.

The speaker utilizes Bluetooth 5.3 technology for stable and efficient connections up to 49 feet.

# IP7 Waterproof

It's the perfect bluetooth speaker for the bathroom, pool and outdoor activities.

Image: The PRSCFUM Q90 speaker next to a smartphone displaying its Bluetooth settings, showing 'Q90' as a discoverable device, illustrating Bluetooth 5.3 pairing.

## True Wireless Stereo (TWS) Pairing

For an enhanced audio experience, you can pair two PRSCFUM Q90 speakers together to create a stereo sound system.

1. First, ensure both speakers are fully charged and powered off.
2. Delete any previous pairing records for "Q90" from your phone's Bluetooth settings.
3. Power on both speakers.
4. On one of the speakers, press and hold the "M" button for 5 seconds to enter interconnect mode. The speakers will attempt to pair with each other.
5. Once successfully paired, one speaker will act as the left channel and the other as the right channel.
6. Reopen your phone's Bluetooth settings and search for "Q90" to connect to the combined stereo system.

# Bluetooth V5.3

Advanced Bluetooth 5.3 technology provides a stable wireless connection.

Built in Mic

## Suction Cup Installation

The speaker comes with a detachable suction cup for easy mounting on smooth surfaces like bathroom tiles, mirrors, or glass. Ensure the surface is clean and dry before attaching the suction cup for optimal adhesion. Press firmly to secure.

# 8 Hours Playtime

Long-life battery technology provides the bluetooth speaker 8 hours of admirable music.

## OPERATING INSTRUCTIONS

### Music Playback

- **Play/Pause:** Press the Power/Play/Pause button once.
- **Volume Up:** Press and hold the "+/- K" button.
- **Volume Down:** Press and hold the "-/K" button.
- **Next Track:** Press the "-/K" button once.
- **Previous Track:** Press the "+/- K" button once.

### Hands-Free Calling

The built-in microphone allows for hands-free calls when connected to your smartphone via Bluetooth.

- **Answer Call:** Press the Power/Play/Pause button once when a call comes in.
- **End Call:** Press the Power/Play/Pause button once during a call.

- **Reject Call:** Press and hold the Power/Play/Pause button for 2 seconds.

## Time Display

The integrated digital display shows the current time. This feature is active when the speaker is powered on.

Image: Close-up of the PRSCFUM Q90 speaker's digital display showing the time and battery power indicator.

## FM Radio

To activate FM radio mode, press the "M" button until the display shows FM frequency. Use the "+/-K" and "-/K" buttons to tune to different stations. Press and hold these buttons for automatic station scanning.

## MAINTENANCE

The PRSCFUM Q90 speaker is IP7 waterproof certified, offering protection against water immersion. To maintain its performance and longevity:

- Ensure the charging port cover is securely closed when using the speaker near water.
- Clean the speaker with a soft, damp cloth. Do not use abrasive cleaners or solvents.
- Avoid exposing the speaker to extreme temperatures or direct sunlight for extended periods.
- Store the speaker in a cool, dry place when not in use.

## TROUBLESHOOTING

Problem	Solution
Speaker does not power on.	Ensure the speaker is charged. Connect to a power source using the Type-C cable.
Cannot pair via Bluetooth.	Ensure the speaker is in Bluetooth pairing mode (flashing Bluetooth icon). Turn off and on your device's Bluetooth. Forget "Q90" from your device's Bluetooth list and try pairing again. Ensure the speaker is within 49 feet of your device.
No sound or low volume.	Increase the volume on both the speaker and your connected device. Ensure the speaker is not muted.
TWS pairing fails.	Ensure both speakers are powered off and any previous "Q90" pairings are removed from your phone. Follow the TWS pairing steps precisely.
Lights do not change.	Press the Light button to cycle through modes. If unresponsive, power cycle the speaker.
