BOVUGAC Folding Stand Protective Cover User Manual

For SVITOO PL002/P1300 13 Inch Android Tablet

INTRODUCTION

This manual provides instructions for the proper installation, operation, and maintenance of your BOVUGAC Folding Stand Protective Cover. This cover is specifically designed for the SVITOO PL002/P1300 13 Inch Android Tablet to offer protection and enhanced functionality.

SETUP: INSTALLING YOUR TABLET

To install your SVITOO PL002/P1300 tablet into the protective cover, follow these steps:

1. Gently align your 13-inch SVITOO tablet with the case's frame.
2. Carefully press the tablet into the case, ensuring all edges are securely seated within the protective frame.
3. Verify that all ports, buttons, and camera lenses are unobstructed and align with the case's precise cutouts.

OPERATING INSTRUCTIONS

Using the Folding Stand

The protective cover features a built-in folding stand that allows for multiple viewing angles. To activate the stand, simply fold the back panel of the case along the designated creases. This provides stable support for your tablet in both viewing and typing orientations.

MAINTENANCE

Cleaning and Care

The BOVUGAC protective cover is made from high-quality PU leather, which is designed to be durable and easy to maintain. To clean the case, gently wipe it with a soft, damp cloth. Avoid using harsh chemicals or abrasive cleaners, as these may damage the material.
