## MAINTENANCE

---

Proper care will extend the life and maintain the quality of your adidas Women's Motion Pant.

- **Washing:** Machine wash cold with like colors.
- **Detergent:** Use a mild detergent. Do not use bleach.
- **Drying:** Tumble dry low or hang dry for best results. Do not iron.
- **Fabric Softeners:** Avoid using fabric softeners as they can impair the moisture-wicking properties of the CLIMACOOOL fabric.

## TROUBLESHOOTING

---

If you encounter any issues with your pants, consider the following:

- **Shrinkage/Fading:** Ensure you are following the machine wash cold and tumble dry low instructions. High heat can cause shrinkage or color fading.
- **Pilling:** Pilling can occur due to friction. To minimize, wash garments inside out and avoid abrasive surfaces.
- **Odor Retention:** If odors persist, ensure thorough drying after washing and avoid leaving damp garments in confined spaces. Specialized sports detergents can also help.
