Statik PUP-0431-BLK

Statik State 5000mAh MagSafe Compatible Power Bank User Manual

Model: PUP-0431-BLK

1. INTRODUCTION

Thank you for choosing the Statik State 5000mAh MagSafe Compatible Power Bank. This portable charger is designed to provide reliable and efficient power for your devices on the go, featuring advanced safety technology and versatile charging options. Please read this manual carefully to ensure proper use and maintenance of your device.

2. SAFETY INFORMATION

The Statik State Power Bank incorporates revolutionary semi-solid electrolyte technology, utilizing 95% less liquid than traditional batteries. This design enhances safety, making it more secure and TSA-approved for air travel.

- Do not expose the power bank to extreme temperatures (above 60°C/140°F or below 0°C/32°F).
- Avoid dropping, puncturing, or disassembling the device.
- Keep away from water and other liquids.
- Use only certified charging cables and adapters.
- Keep out of reach of children.

Image: The Statik State Power Bank is designed with advanced safety features, including resistance to damage from punctures.

3. PRODUCT FEATURES

- **5000mAh Capacity:** Provides more than one full charge for most smartphones.
- **MagSafe Compatible:** Perfect magnetic alignment for iPhone 12 and newer models for wireless charging.
- **20W USB-C Fast Charging:** Supports Power Delivery for rapid wired charging.
- **Extended Lifespan:** Designed for over 1,000 charge cycles, twice the standard.
- **Intuitive LED Indicators:** Clearly displays remaining battery level.
- **Low-Power Mode:** Optimized for charging smaller devices like AirPods or smartwatches.
- **Durable Design:** Crafted with an aluminum frame and impact-resistant shell.
- **TSA-Approved:** Safe for travel on flights.

Double the Lifespan. Zero Degradation.

Your phone battery gets worse after every charge. This doesn't. Semi-solid technology delivers twice the battery cycles while maintaining day-one performance.

Image: The semi-solid technology ensures a longer battery lifespan with minimal degradation.

Low Temperature Charging

The advanced temperature control system keeps the battery cool, preventing overheating during use.

4. PRODUCT OVERVIEW

Full Size Power. Compact Sleek Design.

Statik State delivers full size power
in a compact, travel-friendly size.

Image: Key components of the Statik State Power Bank.

1. **On/Off Switch:** Press to activate the power bank or check battery status.
2. **USB-C Port:** Used for both charging the power bank and charging external devices.
3. **Light Indicators:** Displays the current battery level of the power bank.
4. **MagSafe Charging Area:** Magnetic surface for wireless charging compatible devices.

5. SETUP

5.1 Initial Charge

Before first use, fully charge your Statik State Power Bank. Connect the included USB-C cable to the power bank's USB-C port and the other end to a compatible USB power adapter (not included). The LED indicators will illuminate to show charging progress and turn solid when fully charged.

6. OPERATING INSTRUCTIONS

6.1 Charging the Power Bank

1. Connect a USB-C cable to the power bank's USB-C port.

2. Connect the other end of the cable to a USB wall charger or power source.
3. The LED indicators will flash to show charging status. All LEDs will be solid when fully charged.

6.2 Charging Devices Wirelessly (MagSafe)

This feature is compatible with iPhone 12 and newer models, or other MagSafe-enabled devices/cases.

1. Ensure the power bank is sufficiently charged.
2. Align your MagSafe-compatible device with the MagSafe charging area on the power bank. The magnets will snap into place.
3. The power bank will automatically begin wireless charging. If not, press the On/Off switch once.

Image: MagSafe compatibility ensures secure and efficient wireless charging.

6.3 Charging Devices via USB-C

The USB-C port supports 20W Power Delivery for fast charging compatible devices.

1. Connect a USB-C to USB-C cable (or appropriate USB-C to device cable) to the power bank's USB-C port.
2. Connect the other end of the cable to your device.
3. The power bank will automatically begin charging. If not, press the On/Off switch once.

6.4 Low-Power Mode

For smaller devices that require less power, such as AirPods or smartwatches, the power bank features a low-power mode. To activate, double-press the On/Off switch. The LEDs will indicate low-power mode is active. Double-press again to return to standard charging mode.

7. MAINTENANCE

- Clean the power bank with a soft, dry cloth. Do not use harsh chemicals or abrasive materials.
- Store in a cool, dry place away from direct sunlight.
- If storing for an extended period, charge the power bank to approximately 50% every 3 months to preserve battery health.

8. TROUBLESHOOTING

- **Power bank not charging:** Ensure the USB-C cable and power adapter are functioning correctly and properly connected.
- **Device not charging:** Verify that your device is compatible with MagSafe or USB-C charging. Ensure the power bank has sufficient charge and is activated (press the On/Off switch). For wireless charging, ensure proper alignment.
- **Overheating:** While the Statik State Power Bank has advanced temperature control, prolonged use in hot environments or with demanding applications can cause warmth. If the device becomes excessively hot, disconnect it immediately and allow it to cool down before resuming use. If overheating persists, contact customer support.
- **LED indicators not working:** The power bank may be fully depleted or damaged. Try charging it. If the issue persists, contact customer support.

9. SPECIFICATIONS

| Feature | Detail |
|-------------------------------------|--------------------------------|
| Model Name | PUP-0431-BLK |
| Battery Capacity | 5000 Milliamp Hours (mAh) |
| Connector Type | USB Type C |
| Wireless Output | 5W/7.5W/10W/15W |
| Type C Input | 5V=3A, 9V=2A |
| Type C Output | 5V=2.4A, 9V=2.22A, 12V=1.5A |
| Battery Cell Type | Lithium Ion (Semi-Solid State) |
| Item Dimensions (L x W x Thickness) | 3.93"L x 2.75"W x 0.45"Th |
| Battery Weight | 80 Grams |

10. WARRANTY AND SUPPORT

For warranty information or technical support, please refer to the product packaging or contact Statik customer service through their official website or the retailer where the product was purchased. Keep your purchase receipt

as proof of purchase.
