LEERCON Massage Chair Full Body L-Track 4D Zero Gravity Shiatsu Heating Recliner User Manual

MODEL: 7D00E9A1-9ED1-46A3-B70A-A1B4C2958A0A

Brand: LEERCON

Important Safety Information

Always read and follow the assembly instructions carefully. Keep hands and fingers away from moving parts during operation. Do not exceed the maximum weight capacity. Keep the chair on a stable surface to prevent tipping. Unplug the chair when not in use or when leaving the chair unattended. Consult a professional if you have any doubts about the chair's safety or functionality.

1. Product Overview

The LEERCON Massage Chair is designed to provide a comprehensive full-body massage experience. It features an L-Track 4D massage system, zero gravity reclining, Shiatsu massage, and a heating function. Constructed with durable PU leather and an adjustable footrest, this chair is suitable for various settings including study, office, and living rooms.

3. Setup Instructions

The LEERCON Massage Chair requires minimal assembly. Please follow the steps below and refer to the assembly video for visual guidance.

3.1 Unboxing and Initial Placement

1. Carefully remove all components from the packaging.
2. Place the chair base in your desired location, ensuring sufficient space for reclining.

3.2 Assembly

1. Attach the backrest to the chair base according to the included instructions.
2. Connect any internal wiring as indicated in the manual, ensuring secure connections.

3.3 Power Connection

1. Connect the power cord to the chair and then plug it into a suitable power outlet.
2. Ensure the power switch on the chair is in the 'ON' position.

4. Operating Instructions

Familiarize yourself with the intelligent controller to fully utilize all massage functions.

4.1 Power On/Off

- Press the **Power** button on the remote control to turn the chair on or off.

4.2 Using the Remote Control

The remote control allows you to select various massage modes, adjust intensity, and control reclining positions.

Figure 6: Intelligent Controller layout and functions.

4.3 Massage Modes and Adjustments

- **Automatic Mode:** Press the 'Auto' button for a pre-programmed full-body massage.
- **Manual Massage:** Select specific massage types like 'Kneading', 'Tapping', 'Vibration', or 'Spot Massage' for targeted relief.
- **Targeted Areas:** Use 'Neck', 'Upper Back', 'Lower Back', 'Full Back' buttons to focus massage on specific regions.
- **Heating Function:** Activate 'Heat' for warmth in the back and waist.
- **Zero Gravity:** Press the 'Zero Gravity' button to recline the chair into a position that elevates your legs above your heart, reducing spinal pressure.
- **Pressure Intensity:** Adjust the intensity of the airbag massage for hands, calves, and feet.

5. Maintenance

Proper maintenance ensures the longevity and optimal performance of your massage chair.

5.1 Cleaning

- Wipe the PU leather surface with a soft, damp cloth. Avoid harsh chemicals or abrasive cleaners.
- For stubborn stains, use a mild leather cleaner specifically designed for PU leather.
- Regularly vacuum any crevices to remove dust and debris.

5.2 Storage and Care

- Store the chair in a cool, dry place away from direct sunlight and extreme temperatures.
- Avoid placing heavy objects on the chair or exposing it to sharp objects that could damage the upholstery.
- Unplug the chair from the power outlet when not in use for extended periods.

6. Troubleshooting

If you encounter any issues with your massage chair, please refer to the following common solutions:

- **Chair not powering on:** Check if the power cord is securely plugged into both the chair and the wall outlet. Ensure the main power switch on the chair is in the 'ON' position.
- **Massage functions not working:** Verify that the remote control is properly connected and has power. Try restarting the chair by turning it off and on.
- **Unusual noises during operation:** Ensure the chair is placed on a flat, stable surface. Check for any obstructions around the moving parts. If the noise persists, discontinue use and contact customer support.
- **Remote control unresponsive:** Check the remote's battery (if applicable) or ensure it's properly connected via its cable.

If the problem persists after attempting these solutions, please contact LEERCON customer support.
