## 2. SAFETY INFORMATION

- Keep all small parts and packaging materials away from children and pets to prevent choking hazards.
- Assemble the unit on a soft, clean surface to prevent scratches.
- Do not overtighten screws during assembly, as this may damage the material. Tighten all screws only after all pieces are properly aligned.
- Ensure the vanity desk is placed on a stable, level surface to prevent tipping.
- Do not stand or sit on the vanity desk itself. The included chair is designed for seating.
- Disconnect the power cord for the lights before cleaning or maintenance.

## 3. PACKAGE CONTENTS

Before beginning assembly, verify that all parts and hardware are present. Refer to the diagram below for component identification.

## 4. SETUP AND ASSEMBLY

Assembly requires two people. Do not fully tighten screws until all pieces are aligned. An instructional video is available for visual guidance.

### 4.1. Assembly Video Guide

Video 4.1: Detailed installation guide for the vanity desk (Model H1905, similar to H1907-AB).

Video 4.2: Additional vanity desk installation video.

### 4.2. General Assembly Steps (Refer to video for visual details)

- 1. Prepare Components:** Unpack all parts and lay them out on a clean, soft surface. Identify each piece using the provided labels and diagrams.
- 2. Assemble Base Frame:** Connect the side panels and horizontal supports of the main desk unit using the designated hardware (e.g., cam locks and dowels).
- 3. Install Drawer Slides:** Attach the drawer slides to the interior sides of the desk frame and the drawer boxes as indicated in the instructions. Ensure they are level and securely fastened.
- 4. Construct Upper Storage Unit:** Assemble the shelves and side panels for the upper storage section.
- 5. Attach Upper Unit to Base:** Carefully place and secure the assembled upper storage unit onto the

main desk base.

6. **Assemble Drawers:** Construct the drawer boxes and attach the drawer fronts. Install the drawer pulls.
7. **Insert Drawers:** Slide the completed drawers into their respective slots.
8. **Assemble Chair:** Follow the specific instructions for assembling the accompanying chair, typically involving attaching legs to the seat.
9. **Install Mirror and Lights:** Attach the sliding mirror mechanism to the upper unit. Affix the Hollywood-style LED bulbs around the mirror as per instructions, ensuring the wiring is neatly managed.
10. **Final Tightening:** Once all components are in place and aligned, carefully tighten all screws and fasteners.

## 5. OPERATING INSTRUCTIONS

### 5.1. Adjustable LED Lights

Your vanity desk features 10 Hollywood-style LED bulbs with adjustable settings:

- **Color Modes:** The lights offer three color modes: warm yellow, warm white, and cold white. Press the touch switch to cycle through these modes.
- **Brightness Adjustment:** To adjust the brightness, long-press the touch switch. The brightness will cycle from 10% to 100%. Release the switch when the desired brightness is reached.

## 5.2. Sliding Mirror

The mirror is designed to slide horizontally, revealing a hidden 3-tier storage compartment behind it. Gently slide the mirror to the left or right to access this storage area.

## 5.3. Drawers and Shelves

Utilize the 6 spacious drawers and 6 open shelves to organize your cosmetics, skincare products, jewelry, and other items. The drawers are equipped with smooth-gliding mechanisms for easy access.

## 6. MAINTENANCE

- **Cleaning:** Wipe the surfaces of the vanity desk with a soft, damp cloth. Avoid using abrasive cleaners or harsh chemicals, as these can damage the finish.
- **Mirror Care:** Clean the mirror with a glass cleaner and a lint-free cloth. Do not spray cleaner directly onto the mirror; instead, apply it to the cloth first.
- **Light Bulbs:** The LED bulbs are designed for long-lasting use. If a bulb needs replacement, ensure the power is disconnected and replace it with a compatible LED bulb.
- **Hardware:** Periodically check all screws and fasteners to ensure they are tight. Retighten if necessary to

maintain stability.

## 7. TROUBLESHOOTING

- **Lights Not Working:**

1. Ensure the power adapter is securely plugged into a working electrical outlet.
2. Check the connection between the light string and the power adapter.
3. Verify that the touch switch is functioning correctly by pressing it.

- **Drawers Sticking/Not Sliding Smoothly:**

1. Check if the drawer slides are properly aligned and securely fastened to both the drawer box and the desk frame.
2. Ensure no objects are obstructing the drawer's path.
3. Lightly lubricate the drawer slides with a silicone-based lubricant if needed.

- **Vanity Desk Wobbles:**

1. Ensure the desk is placed on a flat, level surface.
2. Check and tighten all assembly screws and fasteners.
