Hzuaneri BC30203X Wall-Mounted Bathroom Cabinet User Manual

Model: BC30203X

INTRODUCTION

Thank you for choosing the Hzuaneri BC30203X Wall-Mounted Bathroom Cabinet. This manual provides essential information for the safe assembly, proper operation, and effective maintenance of your new cabinet. Please read these instructions carefully before installation and retain them for future reference.

SAFETY INFORMATION

- Always follow the assembly instructions precisely to ensure structural integrity.
- Ensure the wall you intend to mount the cabinet on is suitable and can support the weight of the cabinet and its contents. Use appropriate wall anchors for your wall type.
- Do not overload the shelves. Distribute weight evenly.
- Keep small parts and packaging materials away from children during assembly.
- Periodically check all connections and fasteners to ensure they remain tight.

OPERATION

Sliding Door Functionality

The cabinet features a quiet and smooth sliding door. This design eliminates the need for swing space, making it ideal for smaller rooms. The door can be easily adjusted to slide left or right, allowing you to flexibly conceal or reveal items as needed. This one-

handed operation provides convenient access without noise.

MAINTENANCE

The cabinet's surface is designed for easy cleaning and long-lasting durability. To maintain its appearance and functionality:

- Wipe the surface with a damp cloth to remove dust and spills.
- Avoid using harsh chemicals or abrasive cleaners, as these can damage the finish.

- Ensure the cabinet is dry after cleaning to prevent moisture damage.
- Periodically check all screws and connections and tighten them if necessary.
