Garvee GV-RECLINER-M-PU-BRO

Garvee Oversized Manual Recliner Chair with Massage and Heat User Manual

Model: GV-RECLINER-M-PU-BRO

1. IMPORTANT SAFETY INSTRUCTIONS

Please read all instructions carefully before assembly and use. Retain this manual for future reference.

- Ensure all components are securely fastened before use.
- Keep children and pets away from the reclining mechanism.
- Do not stand on the chair or use it as a step stool.
- Avoid placing the chair near heat sources or in direct sunlight to prevent material damage.
- Unplug the power cord for massage and heat functions when not in use or during cleaning.
- Maximum weight capacity: 400 lbs. Do not exceed this limit.

2. PACKAGE CONTENTS

Verify that all parts are present before beginning assembly. If any parts are missing or damaged, please contact customer support.

Extra-large

Friendly for people with a larger body weight

400
LBS

Stable Base

Bigger Cushions Space

Thickened Armrest

Image 2.1: All components of the Garvee Recliner Chair as received in the package, including the main body, backrest, armrests, and power adapter for massage/heat functions.

3. ASSEMBLY INSTRUCTIONS

Follow these steps to assemble your Garvee Recliner Chair. Assembly typically takes approximately 30 minutes.

- 1. Attach the Backrest:** Align the metal brackets on the backrest with the corresponding slots on the chair base. Push down firmly until you hear a click, indicating it is securely locked.
- 2. Install Armrests:** Slide each armrest onto the side rails of the chair base. Ensure they are fully seated and

locked into place.

3. **Connect Electrical Wires:** Locate the wires for the massage and heat functions under the chair. Connect the corresponding red-to-red and white-to-white wires. Connect the massage remote control and the power adapter.
4. **Secure Fabric Flaps:** Close any fabric flaps or zippers under the chair to conceal wires and provide a neat finish.

Video 3.2: This video specifically illustrates the correct method for installing the side armrests of the Garvee Recliner Chair, ensuring a secure fit.

4. OPERATING INSTRUCTIONS

4.1 Reclining Function

To recline the chair, locate the tab on the side of the chair (typically on the right side). Pull the tab to release the footrest and lean back to your desired angle between 90° and 150°. To return to the upright position, push your body forward while simultaneously pushing the footrest down with your legs until it locks into place.

Different Modes

Ideal for entertainment, work, and leisure

Image 4.1: The Garvee Recliner Chair can be adjusted to various angles, including 90° for reading, 120° for watching TV, and 150° for napping.

4.2 Massage and Heat Functions

The chair features 5 massage modes, 8 vibration points, and a heating function. Use the remote control to select your preferred massage mode, intensity, and activate the heat function. The heating function provides warmth to the lumbar area.

Video 4.3: This video showcases the heat and massage functions of the Garvee Oversized Recliner Chair, demonstrating their operation and benefits.

5. MAINTENANCE AND CARE

Proper care will extend the life and appearance of your recliner.

- **Cleaning:** Wipe clean with a damp cloth. For tougher stains on the PU leather, use a mild soap solution and wipe dry immediately. Avoid harsh chemicals or abrasive cleaners.
- **Spills:** Blot spills immediately with a clean, dry cloth. Do not rub.
- **General Care:** Periodically check all bolts and screws to ensure they are tight. Avoid prolonged exposure to direct sunlight to prevent fading and cracking of the leather.

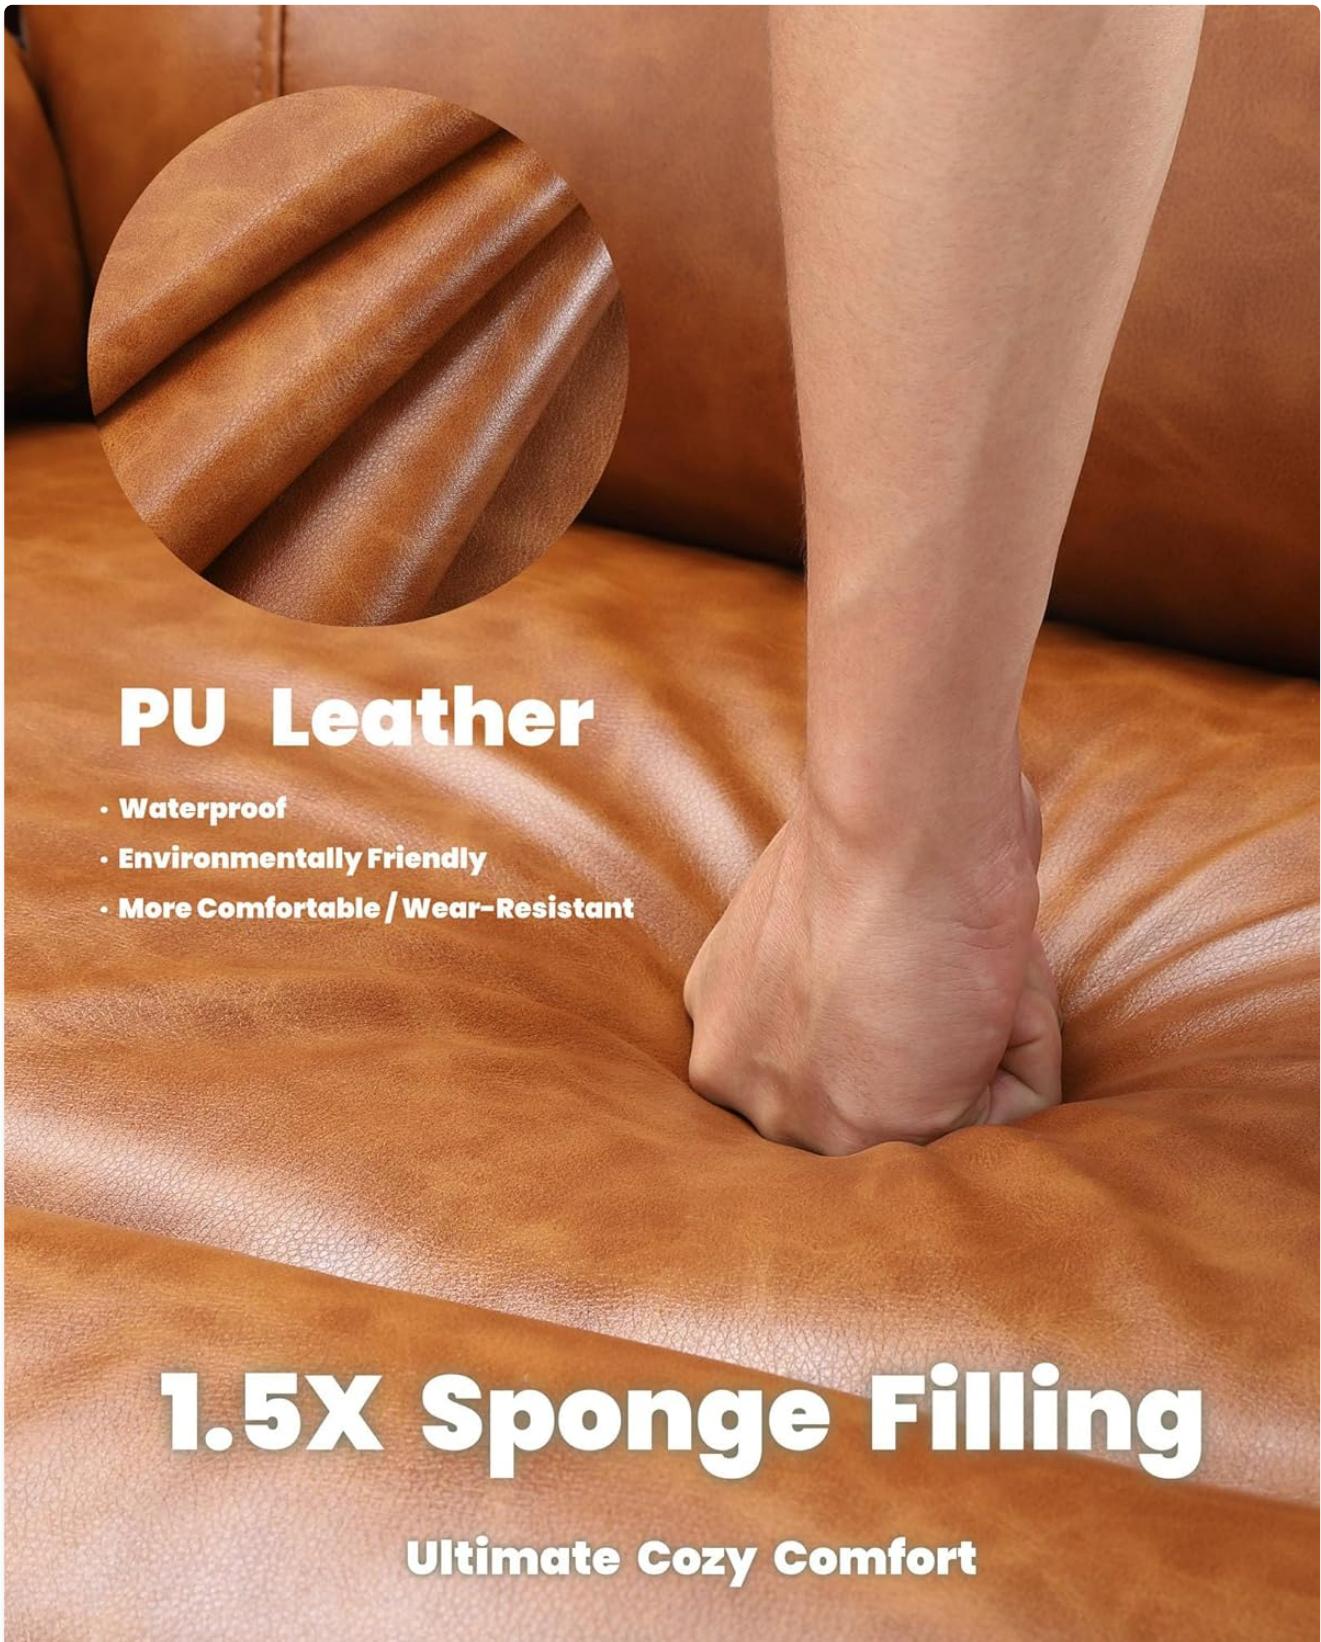

Image 5.1: A close-up view of the durable PU leather and 1.5X sponge filling, highlighting the material quality and texture for maintenance reference.

6. TROUBLESHOOTING

If you encounter issues with your Garvee Recliner Chair, refer to the following common problems and solutions:

- Chair does not recline:

- Ensure the reclining tab is fully pulled.
- Check for any obstructions under the chair or around the mechanism.

- **Massage/Heat function not working:**

- Verify that the power adapter is securely plugged into both the chair and a working electrical outlet.
- Check all wire connections under the chair (red-to-red, white-to-white).
- Ensure the remote control is properly connected.

- **Chair feels unstable:**

- Confirm that the backrest and armrests are fully engaged and locked into their respective slots.
- Check all assembly bolts and screws for tightness.

If the problem persists, please contact Garvee customer support for assistance.
