## PACKAGE CONTENTS

---

Please check the package to ensure all items are present:

- Earbuds (2 units)
- 2600 mAh Charging Case (1 unit)
- USB Type-C Charging Cable (1 unit)
- Ear Caps (6 units - S/M/L sizes)
- User Manual (1 unit)

## PRODUCT FEATURES OVERVIEW

---

- **Extended Playtime:** Enjoy up to 8 hours of audio on a single charge, with the charging case providing an additional

120 hours, totaling 128 hours of playtime.

- **LED Digital Display:** The charging case features a dual LED display to show the remaining power of the case and the charging status of each earbud.
- **High-Fidelity Sound:** Equipped with 13mm dual-layer graphene diaphragm drivers and hybrid ENC noise cancellation, delivering powerful bass and clear audio.
- **Advanced Bluetooth 5.3:** Ensures a stable, fast, and low-latency connection up to 15 meters.
- **Ergonomic Sport Design:** Lightweight (6 grams per earbud) with flexible earhooks and three sizes of silicone ear caps for a secure and comfortable fit during physical activity.
- **IP7 Waterproof Rating:** Designed to withstand sweat and rain, making them suitable for workouts and outdoor use.
- **Smart Touch Control:** Manage music playback, calls, and voice assistant functions directly from the earbuds.
- **Emergency Power Bank:** The 2600 mAh charging case can also provide emergency power to other devices like smartphones or tablets.

## SETUP

---

### 1. Charging the Case and Earbuds

Before first use, fully charge the charging case and earbuds. Connect the provided USB Type-C cable to the charging port on the case and a compatible USB power source. The LED digital display on the case will show the charging progress. Once fully charged, the display will indicate 100% for the case and the earbud indicators will turn off.

# Emergency Power

Charge your mobile phone up to 35% with the 100% power charging case. Rechargeable devices are: mobile phones, smart watches, etc.

Image: The charging case connected via USB-C, demonstrating its capability to charge other devices, also indicating the charging port location.

## 2. Pairing with a Device

The earbuds feature one-step pairing for convenience.

1. Ensure your device's Bluetooth is turned on.
2. Open the charging case. The earbuds will automatically power on and enter pairing mode.
3. On your device, search for Bluetooth devices and select "Q22" from the list.
4. Once connected, you will hear a confirmation prompt, and the earbuds will be ready for use.
5. After the initial pairing, the earbuds will automatically connect to the last paired device when removed from the case.

# One Step Pairing

Pick the earbuds out of the case, auto connect with your device

## OPERATING INSTRUCTIONS

### 1. Wearing the Earbuds

Select the ear caps (S/M/L) that provide the most comfortable and secure fit for your ears. Place the earbud into your ear canal and adjust the flexible earhook over your ear to ensure stability, especially during sports or active movements.

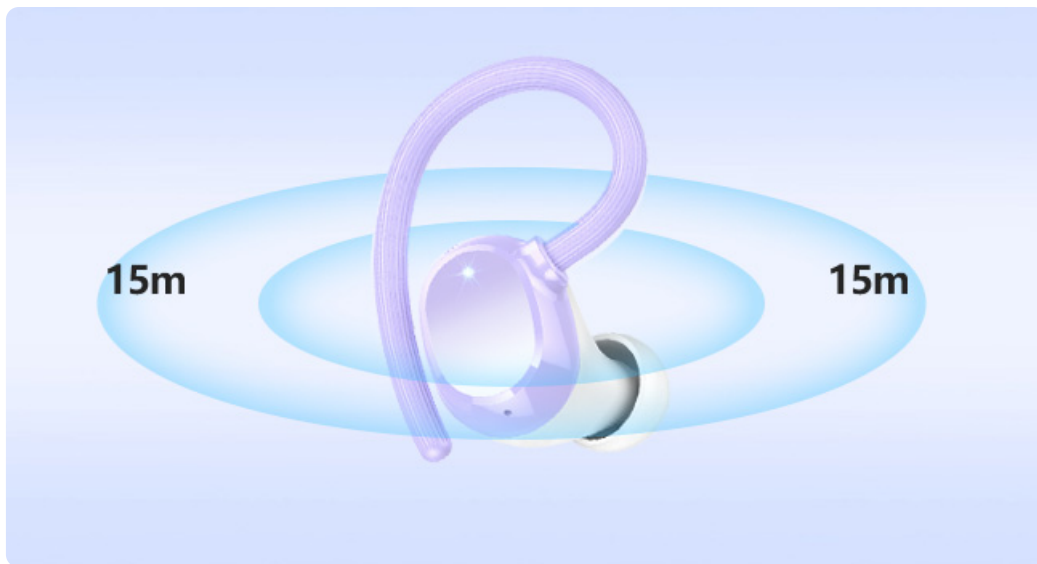

Image: An illustration detailing the secure and comfortable fit provided by the earhooks and various eartip sizes.

## 2. Smart Touch Controls

The earbuds feature intuitive touch controls on their outer surface:

- **Play/Pause:** Single tap on either earbud.
- **Next Track:** Double tap on the right earbud.
- **Previous Track:** Double tap on the left earbud.
- **Volume Up:** Triple tap on the right earbud.
- **Volume Down:** Triple tap on the left earbud.
- **Answer/End Call:** Single tap on either earbud during an incoming call or active call.
- **Reject Call:** Press and hold either earbud for 2 seconds during an incoming call.
- **Activate Voice Assistant:** Press and hold either earbud for 3 seconds.

## IP7 Waterproof

Creates a sweatproof seal to protect the internal components against damage

Image: A visual guide to the smart touch controls available on the earbuds.

## 3. Emergency Power Bank Function

The 2600 mAh charging case can serve as an emergency power bank for other devices. Connect your smartphone, tablet, or other compatible device to the USB-C output port on the charging case using an appropriate cable. The case can charge a mobile phone by over 30% when fully charged, providing a convenient power source on the go.

## MAINTENANCE

---

### 1. Cleaning

Regular cleaning helps maintain optimal performance and hygiene:

- Use a soft, dry, lint-free cloth to wipe the earbuds and charging case.
- Remove ear caps and clean them with mild soap and water, then dry thoroughly before reattaching.
- Gently clean the charging contacts on both the earbuds and the case with a dry cotton swab.

### 2. Water Resistance (IP7)

The Q22 earbuds are rated IP7 waterproof, meaning they are protected against immersion in water up to 1 meter for up to 30 minutes. This makes them suitable for use during workouts, in the rain, or against splashes. However, they are not designed for swimming or prolonged submersion. Ensure the earbuds and charging port are dry before charging to prevent damage.

## TROUBLESHOOTING

---

If you encounter any issues with your earbuds, please refer to the following common solutions:

- **No Sound/Poor Sound Quality:** Ensure earbuds are properly seated in your ears, volume is adjusted, and they are within Bluetooth range of your device. Check for debris in earbud nozzles.
- **Pairing Issues:** Make sure Bluetooth is enabled on your device. Try unpairing and re-pairing the earbuds. Ensure earbuds are charged.
- **Charging Issues:** Verify the charging cable and adapter are working. Clean the charging contacts on both earbuds and case. Ensure the charging case has sufficient power.
- **Earbuds Not Turning On:** Place earbuds back in the charging case and close the lid, then open it again. Ensure they are charged.

For more detailed troubleshooting or persistent issues, please contact customer support.

## SPECIFICATIONS

---
