Mepplzian MBC086

Mepplzian Large LED Lighted Medicine Cabinet with 3 Doors

Model: MBC086

INTRODUCTION

This manual provides detailed instructions for the assembly, installation, operation, and maintenance of your Mepplzian Large LED Lighted Medicine Cabinet with 3 Doors. Please read this manual thoroughly before installation and use to ensure proper function and safety.

SAFETY INFORMATION

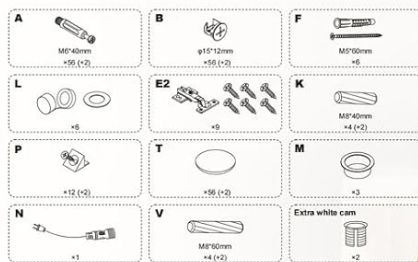

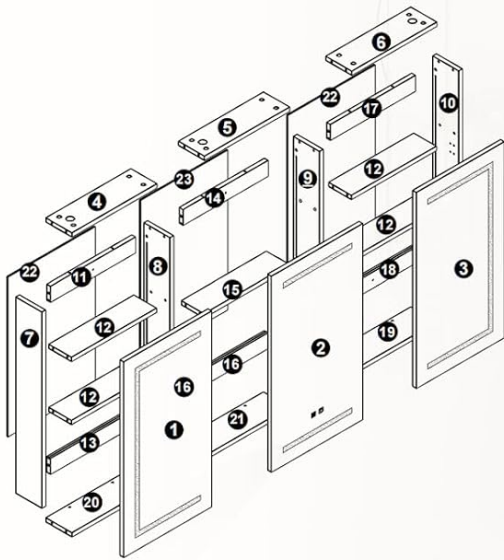

- Always follow the assembly instructions carefully.
- Use appropriate safety gear when handling heavy items.
- Ensure the wall can support the weight of the cabinet before installation.
- Do not attempt to install the cabinet alone; seek assistance if needed.
- Ensure all electrical connections are made by a qualified professional if hardwiring is required.
- Keep electrical components dry and away from water sources.

PACKAGE CONTENTS

Verify that all components are present and undamaged before beginning assembly. The package includes:

- Medicine Cabinet unit with integrated LED lighting and mirrors
- Assembly hardware kit
- User Manual (this document)

SETUP AND INSTALLATION

Assembly is required for this medicine cabinet. Follow the included assembly manual and hardware instructions carefully. It is recommended to have two people for installation due to the size and weight of the unit.

Pre-Installation Steps:

- Unpack and Inspect:** Carefully remove all components from the packaging. Check for any damage or missing parts.
- Measure Wall Space:** Before assembly, measure the intended installation area on your bathroom wall to ensure it accommodates the cabinet's dimensions (47.2"W x 30"H).
- Gather Tools:** Ensure you have the necessary tools for assembly and mounting (e.g., screwdriver, drill, level, measuring tape).

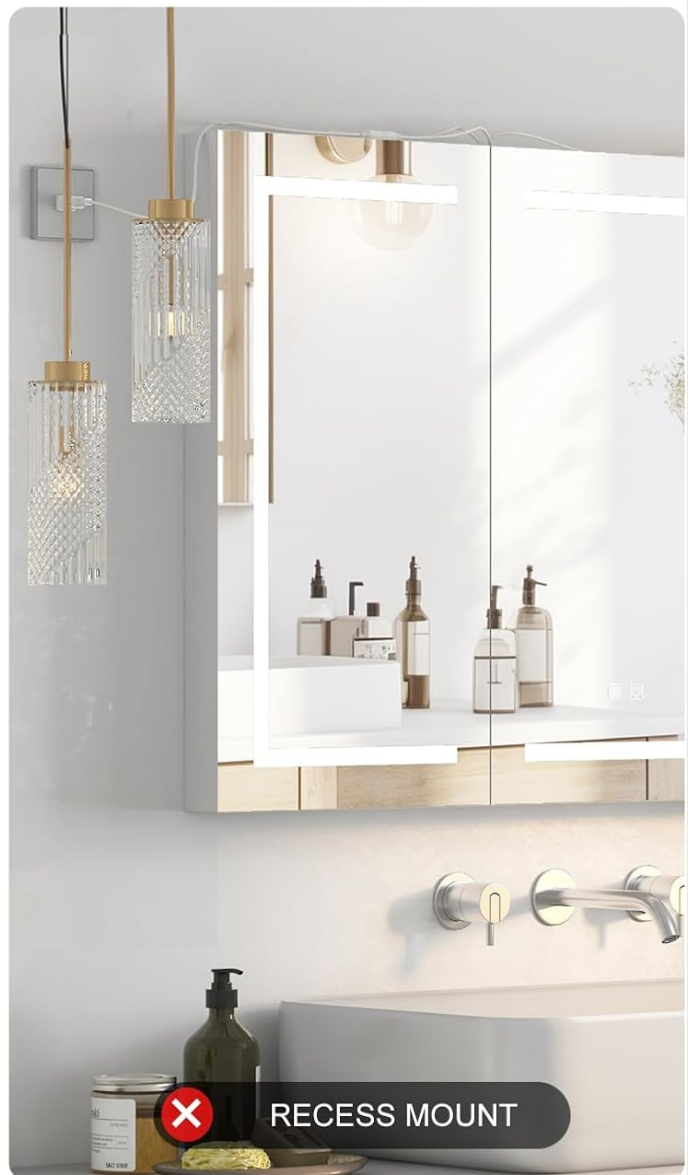

Assembly:

Refer to the detailed assembly manual provided in the package. Each part is numbered for easy identification. Follow the step-by-step diagrams to construct the cabinet frame and attach the doors.

Mounting:

This cabinet is designed for wall-mounted installation. Surface mount is the recommended method. Ensure the wall structure can safely support the cabinet's weight (25.9 kg / 57.1 lbs) and any items stored within.

Mounting Option

 SEE INSTALLATION GUIDE AND WALL CUT OUT SIZES

Image: Mounting options, highlighting surface mount.

1. **Mark Drilling Points:** Use a level and measuring tape to mark the precise drilling points on the wall according to the cabinet's mounting holes.
2. **Drill Holes:** Drill pilot holes at the marked locations. Insert appropriate wall anchors if necessary (e.g., for drywall).
3. **Secure Cabinet:** With assistance, lift the cabinet and align its mounting holes with the drilled holes. Secure the cabinet to the wall using the provided screws. Ensure it is firmly attached and level.
4. **Electrical Connection:** Connect the power cord for the LED lights and defogger to a suitable electrical outlet.

OPERATING INSTRUCTIONS

Your Mepplzian LED Lighted Medicine Cabinet features integrated LED lighting and an anti-fog function, controlled by touch switches on the mirror surface.

LED Lighting:

The cabinet's LED lights offer three color temperature options and adjustable brightness.

- **Power On/Off:** Lightly touch the power icon on the mirror to turn the LED lights on or off.
- **Change Color Temperature:** With the lights on, short press the light icon to cycle through the three color options: Warm Light (3000K), Natural Light (4500K), and Cold Light (6500K).
- **Adjust Brightness (Dimming):** With the lights on, long press the light icon to adjust the brightness from 5% to 100%. Release when the desired brightness is achieved.

Defogger Function:

The independent anti-fog function ensures a clear reflection even after a hot shower.

- **Activate Defogger:** Lightly touch the defogger icon on the mirror. The defogger will heat the mirror surface to eliminate fog.
- **Deactivate Defogger:** Touch the defogger icon again to turn off the function.

MAINTENANCE

- **Cleaning the Mirror:** Use a soft, lint-free cloth and a non-abrasive glass cleaner. Do not spray cleaner directly onto the mirror; apply it to the cloth first. Avoid harsh chemicals that may damage the mirror coating or LED components.
- **Cleaning the Cabinet:** Wipe the cabinet surfaces with a damp cloth and mild detergent. Dry immediately with a clean cloth. Avoid excessive moisture.
- **Electrical Components:** Ensure the power is off before cleaning any electrical parts. Do not immerse any part of the cabinet in water.
- **Hinge Maintenance:** Periodically check door hinges for tightness and lubricate if necessary to ensure smooth operation.

TROUBLESHOOTING

Problem	Possible Cause	Solution
LED lights do not turn on.	No power, loose connection, faulty switch.	Check if the cabinet is plugged in. Ensure the outlet has power. Check for loose wiring connections. Contact customer support if the issue persists.
Defogger is not working.	Defogger not activated, electrical issue.	Ensure the defogger icon is touched to activate. Verify power supply.
Doors are misaligned.	Loose hinges, improper assembly.	Adjust the door hinges as per the assembly manual. Ensure all screws are tightened.
Mirror is scratched or damaged.	Physical damage.	Contact customer support for replacement options. Avoid abrasive cleaners or materials.

WARRANTY AND SUPPORT

Mepplzian is committed to providing high-quality products. While specific warranty details are not provided in this manual, we offer dedicated customer support to assist you with any issues or questions regarding your medicine cabinet. If you encounter any problems or require assistance, please contact Mepplzian customer service through the retailer where the product was purchased or visit the official Mepplzian website for support contact information. Please retain your proof of purchase for any warranty claims or support inquiries.

ASK A QUESTION ABOUT THIS MANUAL

Ask about setup, troubleshooting, compatibility, parts, safety, or missing instructions. Manuals+ will review the question and use this page’s manual context to help answer it.
