RUXINGX G65

RUXINGX G65 BT5.3 Smart Watch User Manual

Model: G65 | **Brand:** RUXINGX

1. Introduction

Welcome to the RUXINGX G65 Smart Watch user manual. This guide provides detailed instructions to help you set up, operate, and maintain your new smartwatch. The RUXINGX G65 is designed to enhance your daily life with advanced health monitoring, communication features, and fitness tracking capabilities.
Key Features:

- **Bluetooth 5.3 Connectivity:** For stable calls and notifications.
- **1.26" HD Display:** Clear and vibrant screen for easy interaction.
- **24/7 Health Monitoring:** Tracks heart rate, SpO2, and sleep patterns.
- **110+ Sport Modes:** Comprehensive activity tracking for various exercises.
- **IP68 Waterproof:** Suitable for daily water exposure.
- **Long Battery Life:** Extended usage on a single charge.

2. What's in the Box

Upon opening your RUXINGX G65 Smart Watch package, you should find the following items:

- RUXINGX G65 Smart Watch (with 1 black silicone strap pre-attached)
- Charging Cable
- User Manual

Figure 1: RUXINGX G65 Smart Watch with included accessories.

3. Setup

3.1 Initial Charging

Before first use, fully charge your smartwatch. Connect the magnetic charging cable to the charging points on the back of the watch and plug the USB end into a compatible power adapter (not included).

Your browser does not support the video tag.

Video 1: Demonstration of charging the smartwatch. The magnetic charger easily attaches to the back of the watch, and the screen indicates charging status.

3.2 App Installation

Download the **VeryFit** app from the Google Play Store (for Android devices) or the Apple App Store (for iPhones). You can also scan the QR code provided in the user manual to quickly access the app.

3.3 Device Pairing

Open the **VeryFit** app and navigate to the 'Device' section. Follow the on-screen instructions to pair your RUXINGX G65 Smart Watch with your smartphone via Bluetooth. Ensure your phone's Bluetooth is enabled and the watch is nearby.

3.4 Customizing Watch Faces

The **VeryFit** app offers a wide selection of watch faces, including over 400 online dials and DIY options. In the app, go to the 'Watch Face Market' to browse and select your preferred design or upload a custom photo.

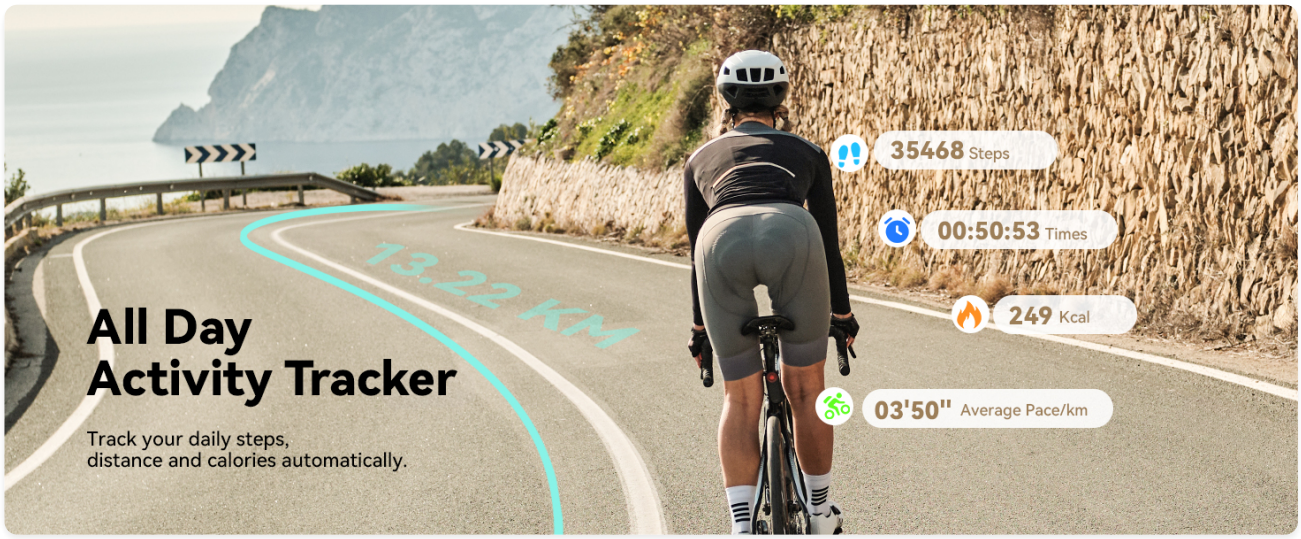

Figure 2: The VeryFit app allows extensive customization of watch faces, including themed and personalized options.

4. Operating Your Smart Watch

4.1 Basic Navigation

The RUXINGX G65 Smart Watch features a responsive 1.26" HD round screen. Swipe left, right, up, or down to navigate through menus, notifications, and various functions. The side buttons provide quick access to the main menu and other features.

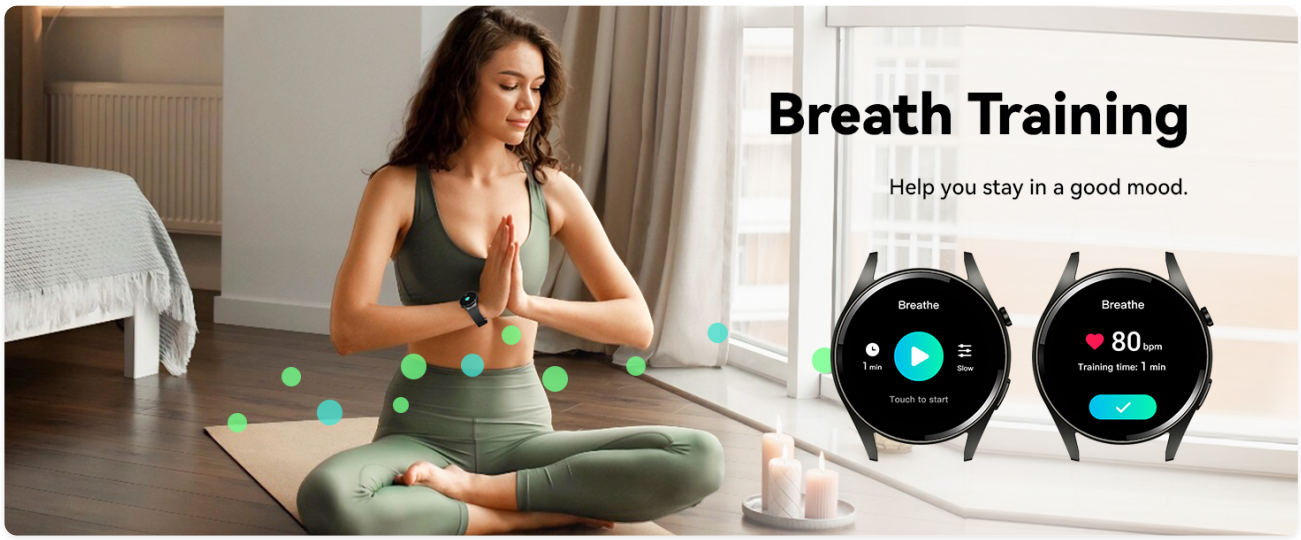

Figure 3: The 1.26-inch HD round screen provides a high-resolution, high-definition, and true-color display for optimal viewing.

4.2 Calls and Notifications

With Bluetooth 5.3, the smartwatch ensures a fast and stable connection to your phone. You can answer or make calls directly from your wrist. The watch also displays incoming messages and app notifications. **Note:** The smartwatch supports receiving messages but cannot reply to them.

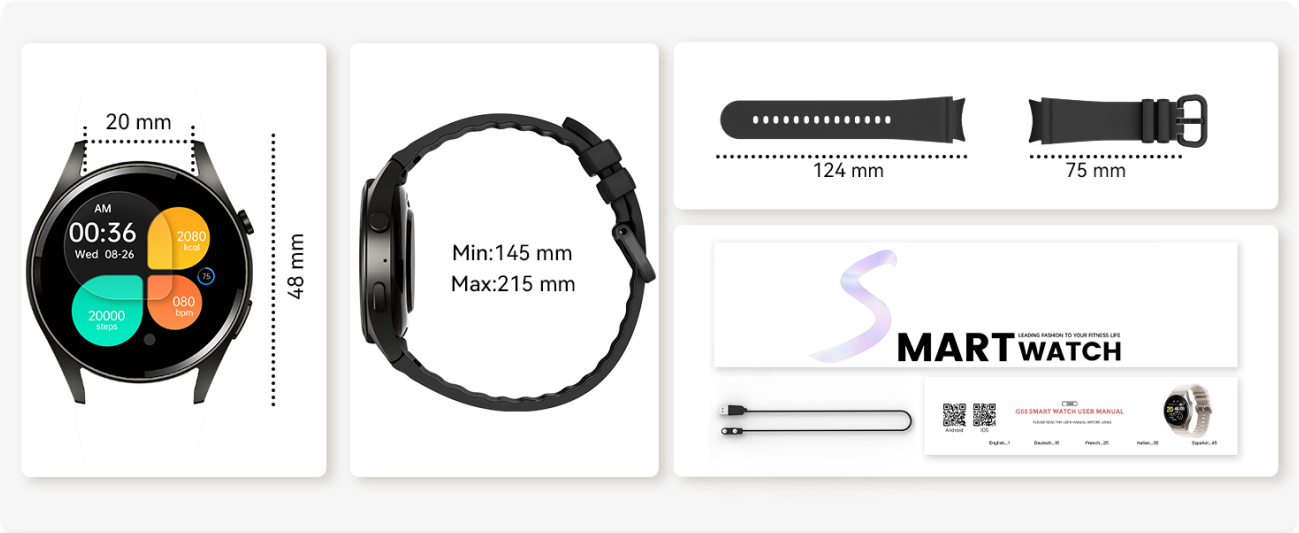

Figure 4: Clear Bluetooth calls can be managed directly from your wrist, enhancing efficiency.

Figure 5: Receive messages and notifications instantly on your smartwatch, ensuring no delayed alerts.

4.3 Health Monitoring

The RUXINGX G65 provides 24/7 health monitoring features. Access these functions directly on the watch or view detailed data in the VeryFit app.

- **Heart Rate Monitor:** Real-time heart rate tracking.
- **Blood Oxygen (SpO2) Monitor:** Measures blood oxygen levels.
- **Sleep Tracker:** Monitors deep sleep, light sleep, and awake times.
- **Women's Health Function:** Tracks menstrual cycles and provides reminders.
- **Breath Training:** Guided breathing exercises to help manage stress.

Note: Health data provided by the smartwatch is for reference only and should not be used for medical purposes.

Figure 6: The smartwatch offers continuous health monitoring for heart rate, sleep, blood oxygen, and breath training.

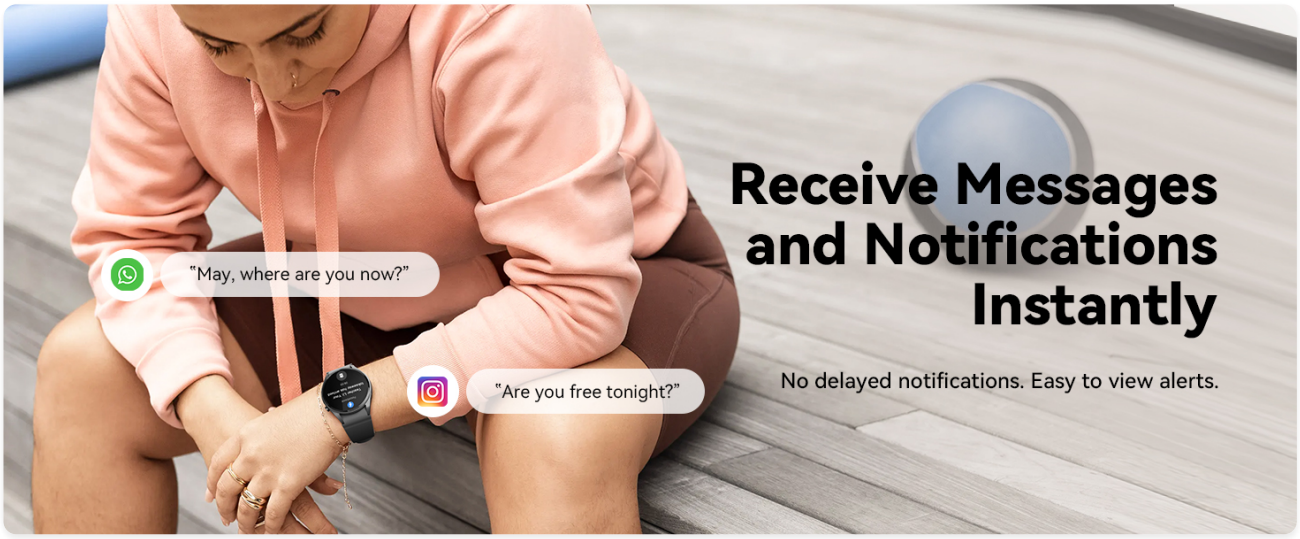

Figure 7: Intuitively view real-time heart rate for a timely understanding of your health status.

Figure 8: Automatic sleep tracking provides a special sleep report and tips upon waking.

Figure 9: The smartwatch serves as an assistant for women's health, tracking menstrual and ovulation periods.

Figure 10: Get a better and more complete picture of your cardiorespiratory fitness with blood oxygen monitoring.

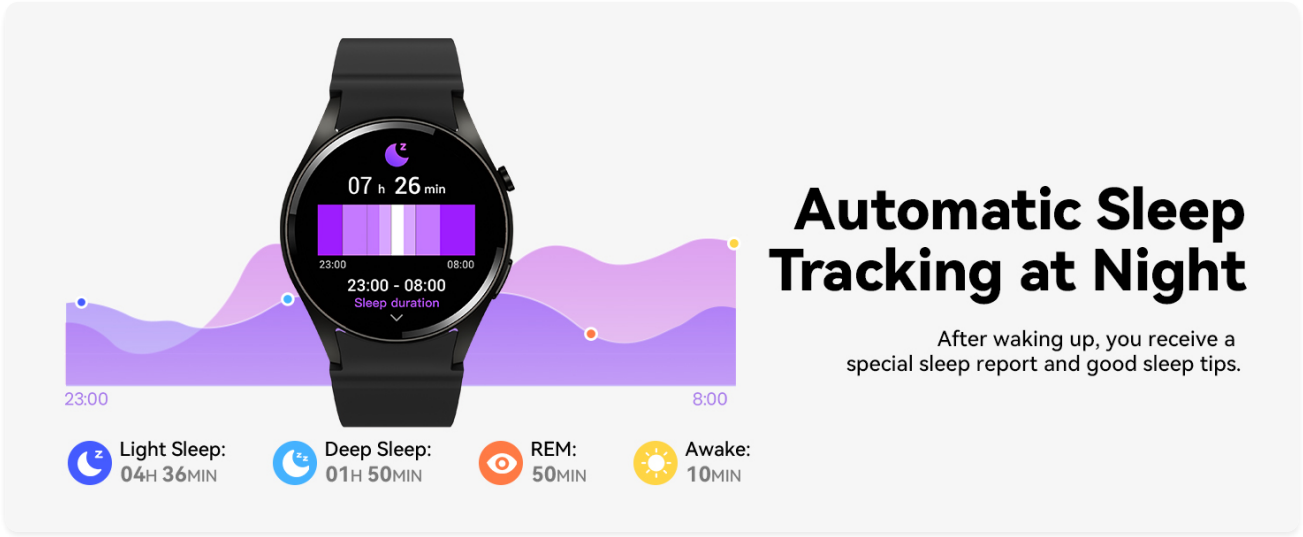

Figure 11: The smartwatch supports over 120 sport modes, including yoga, outdoor running, and swimming.

4.4 Sport Modes

The RUXINGX G65 supports over 110 sport modes. It accurately records heart rate, steps, distance, and calories burned during your workouts. When connected to your phone, it can utilize GPS for tracking your movement path.

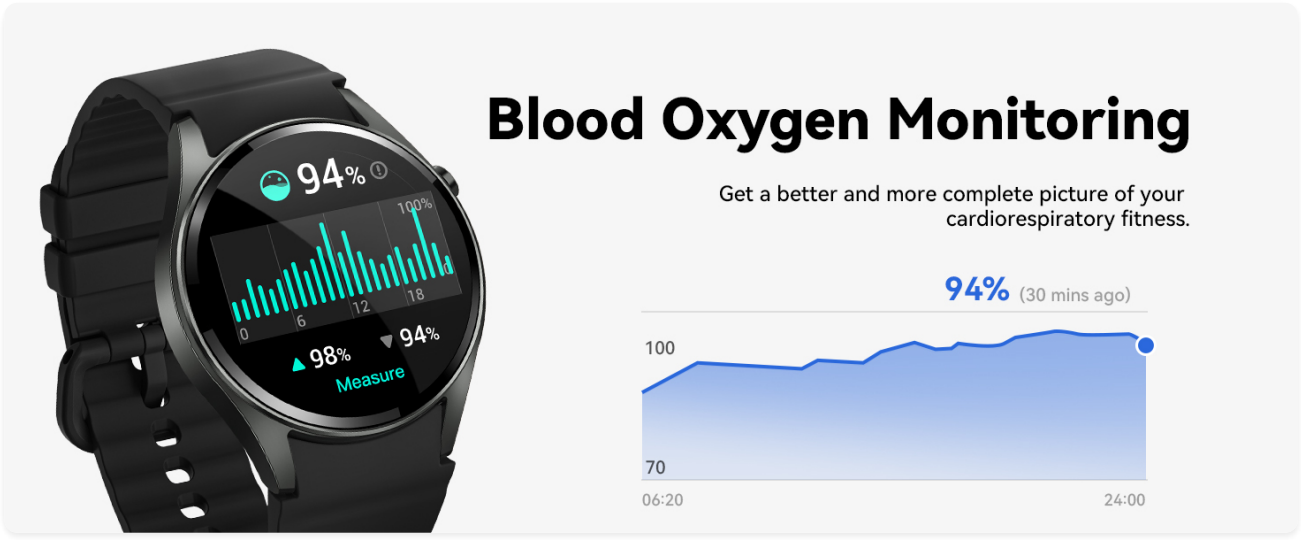

Figure 12: Track your daily steps, distance, and calories automatically with the all-day activity tracker.

4.5 Other Features

- **Weather Forecast:** Get real-time weather updates.
- **Music Control:** Control music playback on your phone.
- **Camera Remote:** Use your watch to remotely control your phone's camera.
- **Find Phone:** Locate your misplaced phone.
- **Alarm Clock:** Set alarms and reminders.
- **Password Protection:** Secure your device.

5. Maintenance

5.1 Water Resistance

The RUXINGX G65 Smart Watch is **IP68 waterproof**, meaning it can withstand dust, dirt, and sand, and is resistant to submersion up to a maximum depth of 1.5m for up to 30 minutes. It is suitable for daily use, such as washing hands or exercising in the rain.

Important Notes:

- Do not wear the smartwatch while bathing or in hot water.
- Do not press any buttons while the watch is submerged in water.

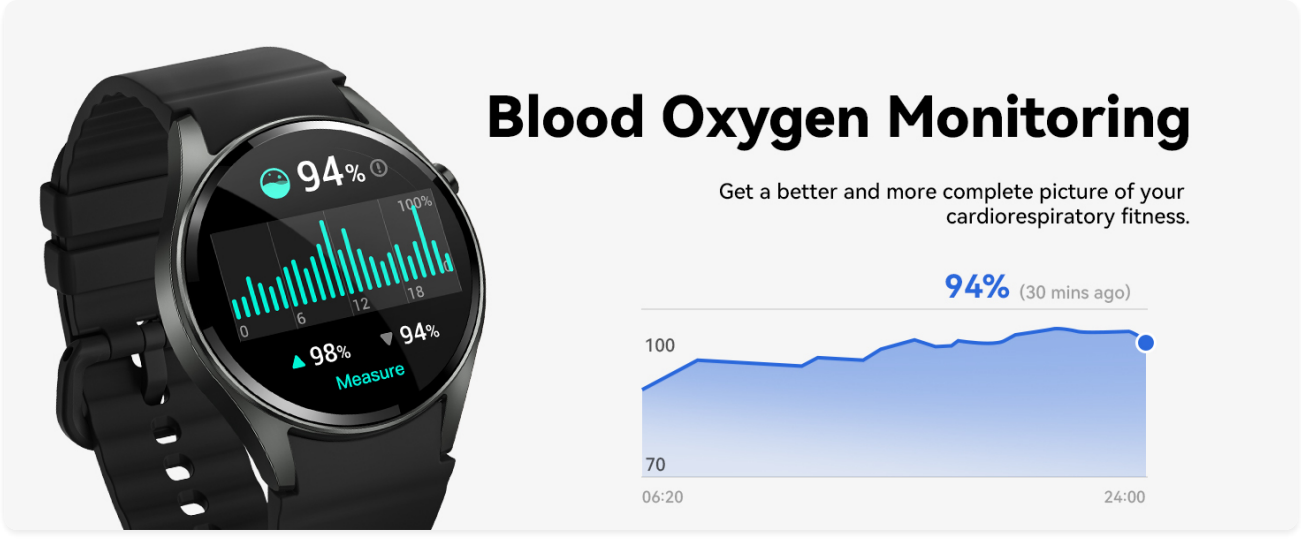

Figure 13: The IP68 waterproof rating ensures the smartwatch meets daily waterproof requirements.

5.2 Battery Life and Charging

For optimal performance, fully charge the watch upon first use. The watch offers a long-lasting battery life:

- **Full Charge Time:** Approximately 1.5 hours
- **Normal Use:** Up to 7 days
- **Standby Time:** 15-20 days

If the watch is not used for an extended period, charge it once every half month to ensure normal functionality.

Figure 14: The smartwatch offers longer battery life with quick charging and extended standby times.

5.3 Cleaning and Care

Regularly clean your smartwatch and strap to prevent skin irritation and maintain device longevity. Use a soft, damp cloth to wipe the screen and strap. Avoid using harsh chemicals or abrasive materials.

6. Troubleshooting

- **Watch not turning on:** Ensure the watch is fully charged. Connect it to the charging cable and allow it to charge for at least 30 minutes.
- **Unable to pair with phone:**
  - Ensure Bluetooth is enabled on your phone.
  - Make sure the watch is within range of your phone.
  - Restart both your phone and the smartwatch.
  - Check if the VeryFit app has necessary permissions.
- **Notifications not appearing:**
  - Verify that app notifications are enabled in the VeryFit app.
  - Check your phone's system settings to ensure notifications are allowed for the VeryFit app.
  - Ensure the watch is connected via Bluetooth.
- **Inaccurate health data:** Ensure the watch is worn snugly on your wrist, not too tight or too loose. Clean the sensor on the back of the watch regularly.

7. Specifications
