MILEFA BCY03AB

MILEFA 4-Tier Bar Cart

MODEL: BCY03AB

SAFETY GUIDELINES

Please read all instructions carefully before assembly and use. Keep this manual for future reference.

- Ensure all parts are properly secured before use.
- Do not allow children to play on, with, or around the cart.
- Use caution when moving the cart on uneven surfaces to prevent tipping.
- Do not overload the shelves. Refer to the specifications for weight limits (if applicable, otherwise assume reasonable limits).

PACKAGE CONTENTS

Before beginning assembly, please verify that all components listed below are present and undamaged. If any parts are missing or damaged, please contact customer support.

Image: All components of the MILEFA 4-Tier Bar Cart laid out for assembly.

- Metal Frame Sections (labeled for easy identification)
- High-Quality Board Shelves
- Wine Rack Insert
- Glass Holders
- Four Swivel Casters (2 with brakes)
- Assembly Hardware (screws, wrench)

ASSEMBLY INSTRUCTIONS

Follow these detailed steps for proper assembly. A graphic user manual is also included in your package for visual guidance.

Video: Watch a detailed assembly guide for the MILEFA Bar Cart, demonstrating each step from unboxing to completion.

Step 1: Attach Casters

Carefully attach the four swivel casters to the designated holes on the bottom frame section. Ensure the two casters with brakes are positioned on the same side for easier locking. Use the provided wrench to tighten securely.

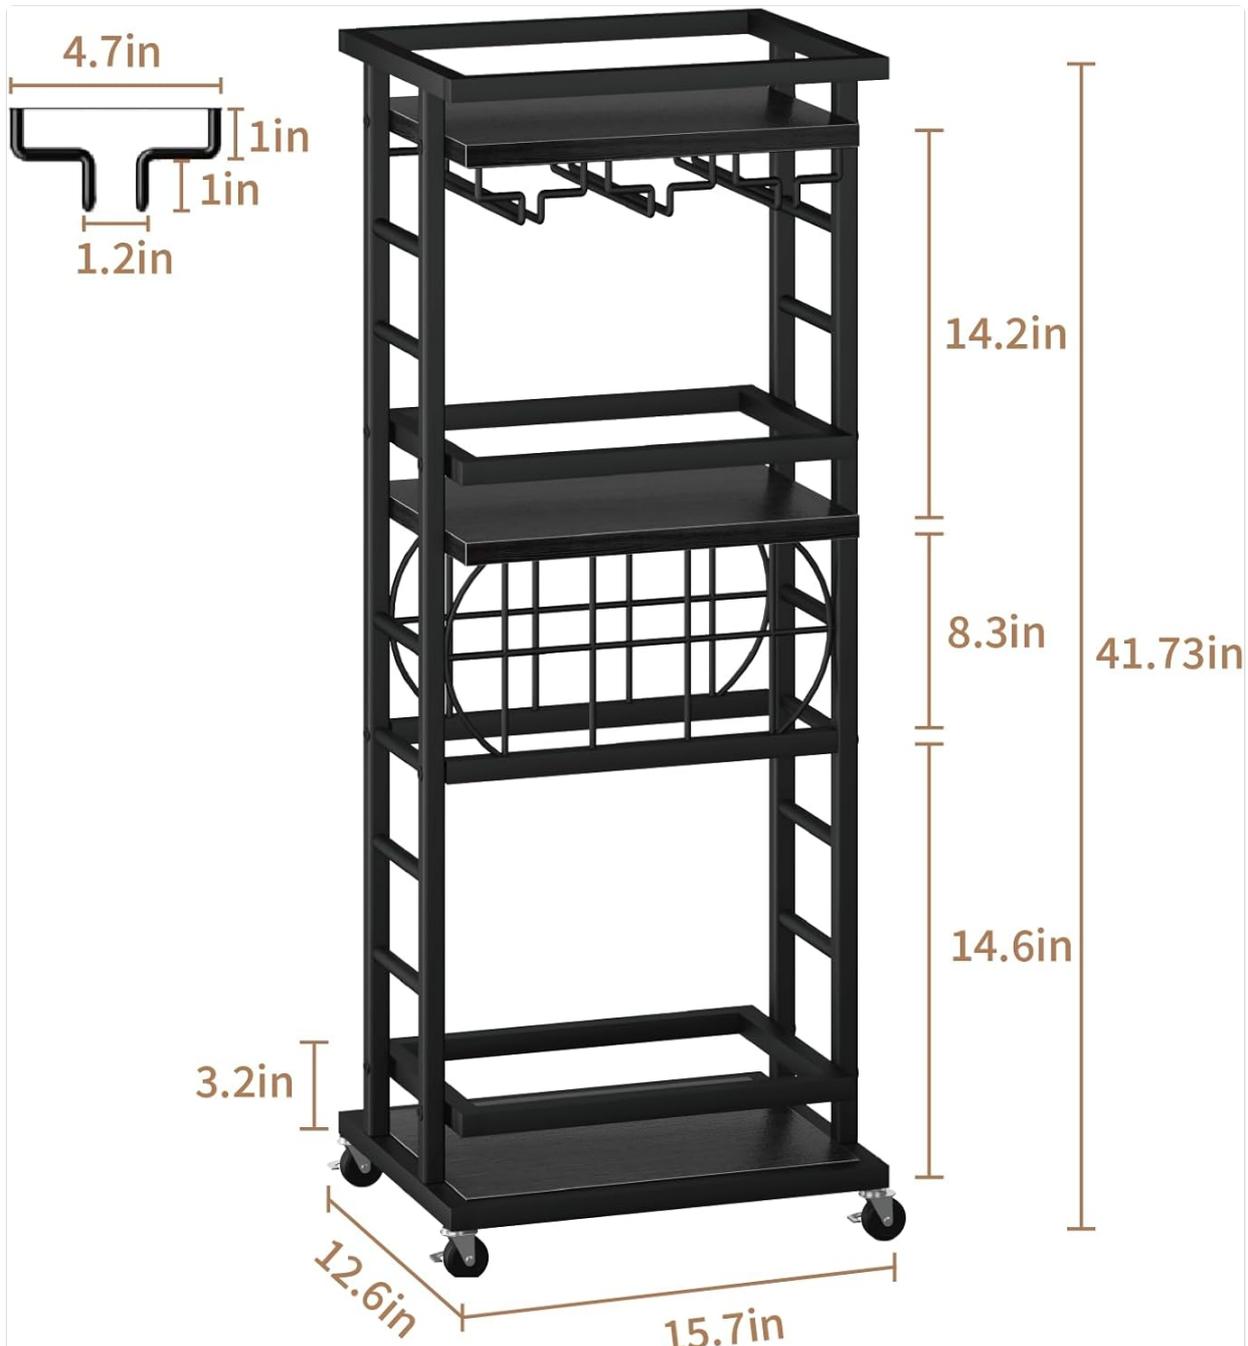

Image: Close-up of a swivel caster with a lock mechanism.

Step 2: Assemble Lower Tiers

Connect the vertical support frames to the bottom frame. Then, place the lower shelves onto their respective positions and secure them with the provided screws. Ensure all connections are firm before proceeding.

Image: Assembling a shelf onto the metal frame.

Step 3: Install Wine Rack and Glass Holders

Integrate the wine rack and glass holders into their designated tiers. These components are designed to fit snugly and provide secure storage for bottles and stemware. The fence design on each tier helps prevent items from falling.

Image: Installing the wine rack and glass holders.

Step 4: Complete Upper Tiers

Continue by attaching the remaining shelves and the top frame section. Ensure all screws are tightened securely at each connection point. Once fully assembled, gently test the cart's stability.

KEY FEATURES

The MILEFA 4-Tier Bar Cart is designed for both functionality and style, offering several convenient features:

- **4-Tier Design:** Provides ample storage space for various beverages, glassware, and bar accessories.
- **Rolling Mobility:** Equipped with four smooth-gliding swivel casters, two of which include locking brakes for easy movement and secure stationary placement.
- **Integrated Storage:** Features a dedicated wine rack to safely store bottles and convenient hangers for stemware.
- **Durable Construction:** Built with a sturdy metal frame and high-quality board shelves, ensuring longevity and stability.
- **Protective Fence Design:** Each tier includes a fence design to help prevent items from falling off during transport or when stationary.

USAGE AND OPERATION

Moving the Cart

To move the bar cart, ensure that the brakes on the two casters are disengaged. Gently push or pull the cart to guide it to your desired location. The swivel casters allow for smooth 360-degree movement.

Securing the Cart

Once the cart is in its desired position, engage the brakes on the two casters. This will lock the wheels and prevent the cart from moving unintentionally, ensuring stability and safety.

Loading the Cart

Distribute the weight of items evenly across all four shelves. Utilize the integrated wine rack for horizontal bottle storage and the glass holders for hanging stemware. The fence design on each shelf provides added security for your items.

CARE AND MAINTENANCE

Proper care will ensure the longevity and appearance of your bar cart.

- **Cleaning:** Wipe all surfaces with a soft, damp cloth. Avoid using harsh chemicals, abrasive cleaners, or scouring pads, as these can damage the finish.
- **Inspection:** Periodically check all screws and connections to ensure they remain tight. Re-tighten if necessary to maintain stability.
- **Storage:** If disassembling the cart for storage, keep all parts and hardware together in a safe, dry place to prevent loss or damage.

TROUBLESHOOTING

Cart is unstable or wobbly

Ensure all screws and connections are tightened securely. Verify that the casters are properly installed and, if stationary, that the brakes are engaged on the appropriate wheels.

Difficulty moving the cart

Check that the caster brakes are fully disengaged. Inspect the wheels for any obstructions (e.g., debris, carpet fibers) that might be hindering movement. Ensure the cart is not overloaded beyond its capacity.

PRODUCT SPECIFICATIONS

Specification	Detail
Model Number	BCY03AB
Product Dimensions (D x W x H)	12.6" x 15.7" x 41.73"
Material	Metal (Alloy Steel Frame), High-Quality Board
Item Weight	17 Pounds
Number of Shelves	4
Color	Black
UPC	731055078224
Assembly Required	Yes
