

TAGRY K08

TAGRY K08 Open Ear Earbuds Wireless Bluetooth Headphones User Manual

Your guide to setting up, operating, and maintaining your TAGRY K08 Open Ear Earbuds.

INTRODUCTION

Thank you for choosing TAGRY K08 Open Ear Earbuds. These wireless Bluetooth headphones are designed for comfort and awareness, featuring an open-ear design, IPX7 waterproofing, and intuitive touch controls. This manual provides detailed instructions to help you get the most out of your device.

WHAT'S IN THE BOX

- Open Ear Headphones (Left and Right)
- Charging Case
- USB C Charging Cable
- User Manual

SETUP

1. Initial Charge & Preparation

Before first use, ensure the earbuds are fully charged. Remove the insulation stickers from the charging contacts on the earbuds if present. Place the earbuds into the charging case. Connect the USB-C charging cable to the case and a power source. The LED digital display on the case will show the current battery percentage.

2. Pairing with Your Device

1. Open the charging case. The earbuds will automatically enter pairing mode.
2. On your smartphone or Bluetooth-enabled device, go to the Bluetooth settings.
3. Search for available devices and select "K08" from the list.
4. Once connected, you will hear an audio prompt confirming the successful pairing.

One Step Pairing

3. Wearing the Earbuds

The TAGRY K08 earbuds feature an open-ear design with soft silicone ear hooks for a secure and comfortable fit. Gently slide the ear hooks over your ears until the earbuds rest comfortably without blocking your ear canal. This design allows you to remain aware of your surroundings while enjoying audio.

OPERATING INSTRUCTIONS

Touch Controls

The TAGRY K08 earbuds feature smart touch controls on each earbud for easy management of your audio and calls:

- **Play/Pause:** Double tap either earbud.
- **Volume Up:** Long tap the right earbud for 3 seconds.
- **Volume Down:** Long tap the left earbud for 3 seconds.
- **Next Track:** Triple tap the right earbud.
- **Previous Track:** Triple tap the left earbud.
- **Answer/End Call:** Double tap either earbud.
- **Reject Call:** Long tap either earbud for 3 seconds.
- **Activate Voice Assistant:** (Refer to device-specific instructions if applicable).

Portable Charging Case

Audio Quality

Experience high-fidelity audio with twin 16mm air-conducting drivers. The finely-tuned microphone system ensures clear calls by accurately picking up your voice and reducing background noise.

MAINTENANCE

Water Resistance

The TAGRY K08 earbuds are IPX7 waterproof, making them resistant to sweat and rain. This rating means they can withstand immersion in water up to 1 meter for 30 minutes. However, the charging case is not waterproof. Always ensure the earbuds are dry before placing them back into the charging case to prevent damage.

Image: The earbuds shown with water droplets, emphasizing their IPX7 waterproof capability.

Cleaning

To maintain optimal performance and hygiene, regularly clean your earbuds and charging case. Use a soft, dry, lint-free cloth. For stubborn dirt, a slightly damp cloth can be used on the earbuds, but avoid getting moisture into any openings. Do not use harsh

chemicals or abrasive materials.

TROUBLESHOOTING

- Earbuds not pairing:** Ensure both earbuds are out of the case and in pairing mode. Turn off and on your device's Bluetooth, then try re-pairing.
- No sound:** Check the volume levels on both your device and the earbuds. Ensure the earbuds are properly connected to your device.
- Charging issues:** Verify the USB-C cable is securely connected to both the case and the power source. Check the charging contacts on the earbuds and inside the case for any debris.
- Uncomfortable fit:** Adjust the ear hooks to find the most secure and comfortable position on your ear.
