

BTHFST TV02ZCN

BTHFST TV Stand with LED Lights and Charging Station (Model TV02ZCN) - User Manual

Model: TV02ZCN

1. INTRODUCTION

Thank you for choosing the BTHFST TV Stand. This entertainment center is designed to accommodate TVs up to 65 inches and features integrated LED lighting, a convenient charging station, and ample storage with 14 fabric drawers and open shelves. This manual provides essential information for assembly, operation, maintenance, and troubleshooting to ensure optimal use of your product.

2. SAFETY INFORMATION

- **Weight Limit:** Do not exceed the maximum weight capacity of 110 pounds (50 kg) on the top surface.
- **Anti-Tipping Kit:** Always use the provided anti-tipping kit to securely fasten the TV stand to the wall. This prevents accidental tipping and potential injury.
- **Stability:** Ensure the TV stand is placed on a flat, level surface. Use the adjustable feet to compensate for uneven floors and enhance stability.
- **Electrical Safety:** When using the charging station, ensure all devices and cables are in good condition. Do not overload the outlets.
- **Assembly:** Follow all assembly instructions carefully. Do not skip steps or use unauthorized parts.

3. PACKAGE CONTENTS

Before beginning assembly, verify that all components listed below are present and undamaged. If any parts are missing or damaged, please contact customer service.

- Metal Frame Components
- Wooden Top Panel
- MDF Board Shelves
- 14 PU Leather Fabric Drawers (various sizes)
- LED Light Strips with Controller
- Charging Station (AC outlets, USB-C, USB ports)
- Adjustable Feet (8 pieces)
- Anti-Tipping Kit
- Assembly Hardware (screws, bolts, etc.)
- Assembly Tools (e.g., Allen wrench)
- Instruction Manual

4. ASSEMBLY INSTRUCTIONS

Assembly of the BTHFST TV Stand is designed to be straightforward. Please follow the detailed instructions provided in the included manual. The process typically involves three main steps for the fabric drawers and general frame assembly.

4.1. Drawer Assembly

The fabric drawers are designed for quick setup:

1. Unfold the fabric drawer body.
2. Insert the bottom panel to create a rigid base.
3. Place the assembled drawer into its designated slot in the TV stand frame.

Image 4.1: Drawer assembly steps.

4.2. Frame and Shelf Assembly

Refer to the included instruction manual for detailed, numbered steps for assembling the metal frame, attaching the wooden top, and installing the MDF shelves. Ensure all screws are tightened securely.

4.3. Anti-Tipping Kit Installation

For safety, install the anti-tipping kit as instructed in the manual. This typically involves securing a strap or bracket from the TV stand to a wall stud.

4.4. Adjustable Feet

Once assembled, adjust the feet at the bottom of the stand to ensure it is level and stable on your floor. This also helps protect your floor from scratches.

5. OPERATING INSTRUCTIONS

5.1. LED Lights Operation

The integrated LED light strips offer customizable ambiance for your entertainment area.

- **Control Methods:** The LED lights can be controlled via a dedicated mobile application (APP) or a physical key remote.
- **Color Selection:** Choose from over 60,000 colors to match your mood or decor.
- **Modes:** Available modes include Mic Mode (lights react to sound), Music Mode (lights synchronize with music), and Timing Mode (set schedules for lights to turn on/off).

5.2. Charging Station Usage

The integrated charging station provides convenient power access for your electronic devices.

- **Outlets:** Features AC outlets (125V/12A), USB-C port, and standard USB ports (5V/2A).
- **Power Cord:** The charging station is equipped with a 6.0-foot power cord for flexible placement.
- **Usage:** Plug in your TV, gaming consoles, smartphones, tablets, and other compatible devices directly into the integrated power strip.

6. MAINTENANCE

To ensure the longevity and appearance of your BTHFST TV Stand, follow these maintenance guidelines:

- **Cleaning:** The wooden top surface is waterproof and easy to clean. Use a soft, damp cloth to wipe away dust and spills. Avoid abrasive cleaners or harsh chemicals.
- **Fabric Drawers:** The PU leather fabric drawers can be spot cleaned with a mild detergent and a damp cloth. Allow to air dry completely. Do not machine wash.
- **Frame:** Wipe the metal frame with a dry or slightly damp cloth to remove dust.
- **Inspection:** Periodically check all screws and connections to ensure they remain tight. Re-tighten if necessary.

Image 6.1: Demonstrating the waterproof and easy-to-clean surface.

7. TROUBLESHOOTING

If you encounter any issues with your BTHFST TV Stand, refer to the following common problems and solutions:

Problem	Possible Cause	Solution
LED lights not turning on or functioning incorrectly.	Loose connection, power issue, remote/app malfunction.	Check all power connections to the LED strip. Ensure the power adapter is plugged in. Verify remote control batteries or app connectivity.
Charging station not providing power.	Power cord not plugged in, circuit breaker tripped, device incompatibility.	Ensure the main power cord for the charging station is fully plugged into a working wall outlet. Check your home's circuit breaker. Test with a different device.
TV stand feels unstable or wobbly.	Uneven floor, loose assembly screws, anti-tipping kit not installed.	Adjust the leveling feet at the bottom of the stand. Retighten all assembly screws. Ensure the anti-tipping kit is properly installed and secured to the wall.
Missing or damaged parts during assembly.	Packaging error or transit damage.	Contact BTHFST customer service immediately with your purchase details and a description of the missing/damaged parts.

8. SPECIFICATIONS
