vnilrgle T15

vnilrgle T15 Open Ear Headphones User Manual

Your guide to setting up, operating, and maintaining your vnilrgle T15 Open Ear Headphones.

Product Overview

The vnilrgle T15 Open Ear Headphones offer a unique audio experience designed for comfort and situational awareness. Featuring a quad-speaker design with 18.2mm dynamic drivers, they deliver rich audio and clear calls. The lightweight, open-ear design reduces ear canal friction, making them suitable for extended wear. With an impressive 80-hour total playtime (10 hours per charge plus case) and IPX7 waterproof rating, these headphones are built for active lifestyles and outdoor adventures. Intuitive touch controls provide effortless management of music and calls.

What's in the Box

- Wireless Charging Case
- User Manual
- Open Ear Earbuds
- Charging Cable

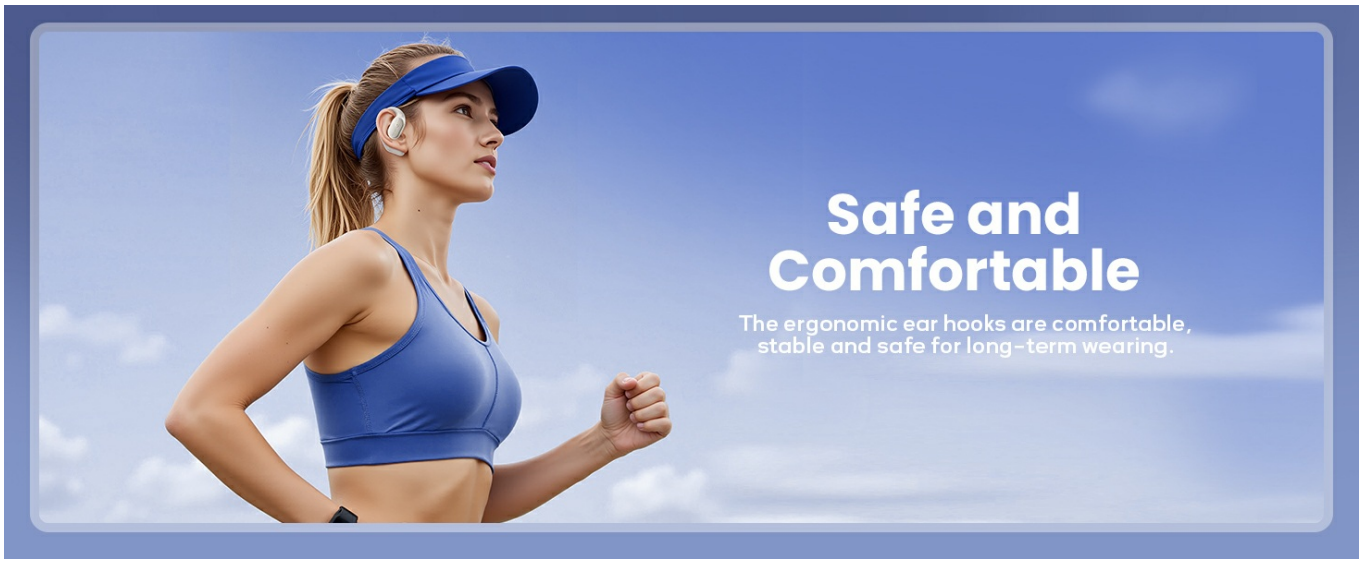

Image: The complete package contents, including the earbuds, charging case, USB-C cable, and user manual.

Setup

Initial Charging

Before first use, fully charge the charging case and earbuds. Connect the provided USB-C cable to the charging port on the case and a power source. The digital display on the case will indicate the charging status and battery percentage. A full charge for the case takes approximately 2 hours.

Bluetooth Pairing

1. Take the earbuds out of the charging case. They will automatically power on and enter pairing mode.
2. On your device (smartphone, tablet, etc.), open the Bluetooth settings.
3. Search for "T15 Headphones" in the list of available devices and select it to connect.
4. Once connected, you will hear an audio prompt, and the earbuds will be ready for use.

Wearing the Earbuds

The vnilrgle T15 earbuds feature an ergonomic ear hook design for a secure and comfortable fit. To wear them:

1. Gently place the earbud over your ear, ensuring the ear hook wraps around the back of your ear.
2. Adjust the sound channel opening to align with your ear canal for optimal audio delivery.
3. Rotate the earbud slightly until it feels secure and comfortable. The flexible design allows for personalized adjustment.

Audio Quality

The vnilrgle T15 headphones are engineered with an innovative quad-speaker design, featuring 18.2mm large-diaphragm dynamic drivers. These drivers are precisely aligned with your ear canal to deliver high-fidelity stereo sound with powerful bass and clear highs, providing an immersive audio experience.

Battery Life

Enjoy extended listening with the vnilrgle T15 headphones. They provide up to 10 hours of playtime on a single charge, with an additional 70 hours available from the portable charging case, totaling an impressive 80 hours of use. This ensures your music and calls last through long trips and intense workouts without frequent recharging.

Image: A graphic highlighting the 80-hour ultra-long battery life, with 10 hours from the earbuds and an additional 70 hours from the 500mAh charging case.

Water Resistance

The vnilrgle T15 earbuds boast an IPX7 waterproof rating, making them resistant to sweat, rain, and splashes. This protection ensures durability during high-intensity training, outdoor activities, and unexpected weather conditions. While they are highly water-resistant, they are not designed for prolonged submersion in water.

Maintenance

To ensure the longevity and optimal performance of your vnilrgle T15 Open Ear Headphones, follow these maintenance guidelines:

- **Cleaning:** Regularly wipe the earbuds and charging case with a soft, dry, lint-free cloth. Avoid using harsh chemicals, cleaning solvents, or strong detergents.
- **Storage:** When not in use, store the earbuds in their charging case to protect them from dust, moisture, and physical damage. Keep the case in a cool, dry place away from direct sunlight and extreme temperatures.
- **Charging Contacts:** Periodically check and gently clean the charging contacts on both the earbuds and inside the charging case to ensure a reliable connection.
- **Avoid Immersion:** While IPX7 rated, avoid intentionally submerging the earbuds in water for extended periods.

Troubleshooting

If you encounter any issues with your vnilrgle T15 Open Ear Headphones, refer to the following common solutions:

- **Earbuds not pairing:** Ensure both earbuds are fully charged. Delete any previous "T15 Headphones" pairings from your device's Bluetooth list. Place earbuds back in the case, close it, then open it and try pairing again.
- **No sound from one earbud:** Check if both earbuds are charged. Place both earbuds back in the charging case, close the lid, and then take them out again to re-establish the connection.
- **Charging issues:** Ensure the charging cable is securely connected to both the case and the power source. Clean the charging contacts on the earbuds and inside the case. Try a different USB-C cable or power adapter.
- **Low volume:** Adjust the volume using the touch controls on the earbuds or directly on your connected device. Ensure the earbuds are properly positioned on your ears.
- **Intermittent connection:** Ensure your device is within the Bluetooth range (10 meters/33 feet) and there are no significant obstacles between the device and earbuds. Avoid environments with strong electromagnetic interference.

If problems persist, please refer to the contact information in the Warranty and Support section.

Specifications

Feature	Detail

Important Safety Information

Please read and follow these safety instructions to prevent damage to the product or injury to yourself:

- Keep the product away from extremely hot and cold environments, as this may damage the battery and circuit.
- Do not immerse the product in water for extended periods.
- Do not disassemble or modify the product.
- Avoid using concentrated chemical products or detergents to clean the product.
- Use only 5V/1A power supply for charging. Using higher voltage may cause damage.
- Do not expose the product to fire or high temperatures to avoid the danger of explosion.

Warranty and Support

Your vnilrgle T15 Open Ear Headphones come with a standard manufacturer's warranty. For specific warranty details, returns, or technical support, please refer to the documentation included in your product packaging or contact the seller directly. For any questions or issues, you may also contact the manufacturer via the email provided in the instruction manual: mxlvpservice@outlook.com.
