9. TROUBLESHOOTING

• Stylus not responding:

- Ensure the stylus is powered on.
- Check the battery level and charge if necessary.
- Confirm your iPad model is compatible (refer to Section 4).
- Ensure your iPad's iOS version is 13 or higher.
- If you have an Apple Pencil connected, disconnect it from your iPad's Bluetooth settings.

• Inaccurate writing or drawing:

- Check if the nib is securely attached. Replace if worn or damaged.
- Ensure your iPad screen is clean.

• Palm rejection issues:

- Ensure your iPad's software is up to date.
- Some screen protectors might affect palm rejection performance.
