IRONCK 1072582

IRONCK Nightstand Model 1072582: Assembly and Operating Instructions

Model: 1072582 | Brand: IRONCK

1. INTRODUCTION

This manual provides detailed instructions for the assembly, operation, and maintenance of your IRONCK Nightstand Model 1072582. This nightstand features three storage drawers, an open compartment, and integrated RGB LED lighting. Please read this manual thoroughly before beginning assembly or operation to ensure proper use and longevity of your product.

Image 1.1: The IRONCK Nightstand Model 1072582, showcasing its black finish, three drawers, and the illuminated open compartment.

2. SAFETY INFORMATION

- Always follow the assembly instructions carefully.
- Do not exceed the maximum weight recommendation of 200 lbs (90.7 kg) on the top surface to ensure stability and prevent accidents.
- Ensure all screws and fasteners are securely tightened before use. Periodically check and re-tighten as necessary.
- Keep small parts away from children during assembly to prevent choking hazards.
- Place the nightstand on a flat, stable surface to prevent tipping.

3. PACKAGE CONTENTS

Before assembly, verify that all components listed in the included Assembly Guide are present and undamaged. The package typically includes:

- Nightstand panels (top, bottom, sides, back)

- Drawer components (fronts, sides, backs, bottoms)
- Drawer slides and hardware
- Acrylic panels for the open compartment
- LED light strip and controller
- Fasteners (screws, dowels, cam locks, etc.)
- Assembly Guide
- Tools Recommended For Assembly: Screwdriver (not included)

4. ASSEMBLY INSTRUCTIONS

The IRONCK Nightstand is designed for straightforward assembly. Please refer to the detailed, step-by-step Assembly Guide included in your package. All parts are meticulously labeled to facilitate the process.

1. **Unpack and Identify:** Carefully unpack all components and lay them out. Match each part to the corresponding label in the Assembly Guide.
2. **Follow the Guide:** Adhere strictly to the sequence of steps provided in the Assembly Guide. Do not skip steps.
3. **Secure Fasteners:** Ensure all screws, cam locks, and other fasteners are tightened properly. Avoid over-tightening, which can damage the material.
4. **Drawer Assembly:** Assemble the three drawers according to the instructions, ensuring the smooth slide mechanisms are correctly installed.
5. **LED Light Installation:** Install the LED light strip in the designated open compartment as shown in the guide. Connect the controller.
6. **Final Check:** Once assembled, gently test the stability of the nightstand and the smooth operation of the drawers.

Smooth Slide Drawers

Metal rails for durability and smoothness

5. OPERATING INSTRUCTIONS (LED LIGHTING)

Your IRONCK Nightstand features built-in RGB LED lighting, offering a range of customization options.

5.1. Control Methods

- **Button Control:** A physical button on the nightstand allows for basic control of the LED lights (e.g., power on/off, cycling through basic colors).
- **Smartphone App:** For advanced features, download the dedicated smartphone application (refer to the Assembly Guide for app name and QR code). The app allows for:
 - Adjusting colors (over 60,000 options)
 - Selecting multiple smart modes
 - Music synchronization
 - Setting timers for automatic on/off
- **Remote Control:** A remote control is included for convenient adjustment of colors and modes.

5.2. Basic Operation

1. **Power On/Off:** Use the power button on the nightstand, the remote, or the app to turn the lights on or off.

2. **Change Colors/Modes:** Use the remote control or the smartphone app to select desired colors, brightness levels, and lighting modes.
3. **Music Sync:** Activate the music sync feature via the app to have the lights respond to audio.
4. **Timer Function:** Set schedules for the lights to turn on or off automatically using the smartphone app.

6. MAINTENANCE AND CARE

- **Cleaning:** Wipe the nightstand with a dry cloth to remove dust and dirt. Avoid using harsh chemicals or abrasive cleaners, which can damage the finish.
- **Spills:** Immediately wipe any spills with a soft, dry cloth to prevent moisture damage to the engineered wood.
- **Fasteners:** Periodically check all screws and connections to ensure they remain tight. Re-tighten if necessary.
- **LED Lights:** The LED lights are designed for long-term use. If issues arise, consult the troubleshooting

section or contact customer support. Do not attempt to replace individual LEDs.

7. TROUBLESHOOTING

If you encounter any issues with your IRONCK Nightstand, please refer to the following common problems and solutions:

- **LED Lights Not Working:**
 - Check if the power adapter is securely plugged into both the nightstand and a working power outlet.
 - Ensure all connections to the LED strip and controller are firm.
 - Try replacing the remote control battery if using the remote.
 - Restart the smartphone app if controlling via app.
- **Drawers Stick or Don't Close Smoothly:**
 - Verify that the drawer slides are correctly aligned and installed according to the Assembly Guide.
 - Ensure no objects are obstructing the drawer's path.
 - Check that all drawer assembly screws are tight.
- **Nightstand is Unstable/Wobbly:**
 - Ensure the nightstand is placed on a level surface.
 - Re-check all assembly fasteners and tighten any loose connections.

If the problem persists after attempting these solutions, please contact IRONCK customer support for further assistance.

8. SPECIFICATIONS
