3. PACKAGE CONTENTS

Your Huuger L-Shaped Standing Desk package includes all necessary components for assembly, clearly numbered parts, an easy-to-follow instruction manual, and installation tools. Please verify all parts are present upon unboxing.

4. SETUP AND ASSEMBLY

Assembly is designed to be straightforward with numbered parts and included tools. For optimal experience, consider assembling with another person.

1. **Unpack and Verify:** Carefully unpack all components and compare them against the parts list in the included manual. Report any missing or damaged parts to customer service immediately.
2. **Frame Assembly:** Assemble the desk frame according to the detailed instructions provided. Ensure all screws are tightened securely.
3. **Desktop Installation:** Attach the desktop panels to the frame. Decide whether you want the longer section of the L-shape on the left or right side before securing the panels.
4. **Motor and Control Panel:** Install the motor and connect it to the control panel. Ensure all electrical connections are secure.
5. **Power Strip and Accessories:** Install the built-in power strip, cable management tray, and side hooks as indicated in the manual.
6. **Cable Management:** Route all cables neatly through the cable management tray to prevent clutter and ensure safe operation.
